- 5.4 Intellectual Property Rights.** Paychex owns all rights, title, and interest, including, but not limited to, copyright, patent, trade secret, and all other intellectual property rights, in the software Client receives or accesses for Services. If Client is ever held or deemed to be the owner of any copyright rights in the software or any changes, modifications, or corrections to the software, Client hereby irrevocably assigns to Paychex all such rights, title, and interest. Client agrees to execute all documents necessary to implement and confirm the letter and intent of this section.
- 6. Client Default.** In the event of a Client default, Paychex may, at its sole option, terminate the Agreement, or a portion thereof, without notice and declare any or all Amounts Due immediately due and payable. Client agrees to promptly reimburse Paychex for all past due Amounts Due, including advances or overpayments, made by Paychex and to pay interest on the advances at the rate of one and one-half percent (1½%) per month, or the maximum allowable by applicable law, until paid. Paychex can only be held liable for breach of the Agreement and will not be held liable for (i) any negligent act or omission by Paychex; (ii) the acts of any other person or entity, including, but not limited to, Client and its Workers or agents, or any person or entity that provides services in connection with or as a result of Paychex' performance of its obligations under the Agreement; (iii) any loss, claim, or expense arising from any information provided or modified by Client; (iv) Client's breach of NACHA. **Paychex will, under no circumstances, be liable for any special, indirect, incidental, consequential, or punitive damages, including lost profits incurred by Client pursuant to this Agreement or by the transactions contemplated by it, however caused, on any theory of liability (including contract, tort, or warranty), or as a result of Paychex' exercise of its rights under the Agreement, even if Paychex has been advised of the possibility of such damages.**

Client acknowledges that Authorized Users select the security level for Online Account Access and Client is solely responsible for these selections. Client further acknowledges that it has reviewed all of the security levels and has determined the level or levels for its Authorized Users that is commercially reasonable for providing security against unauthorized access and meets Client's requirements given the size, type and frequency of the Services it will receive from Paychex. Client is solely responsible for implementation of an information security program appropriate to safeguard the Online Account or Online Account Access and which is consistent with all applicable Laws; safeguarding Online Account and Online Account Access for any third-party services integrated into the Services; maintenance and routine review of computing and electronic system usage records (i.e. log files); and the security of its own data, data storage, computing device(s), other electronic systems, and network connectivity. Termination of the Agreement will not relieve Client of any obligations set forth in this Agreement, including, but not limited to, its payment obligations. Client acknowledges that it is required to terminate the Agreement for each Client listed in Part D individually, and that termination of the Agreement between Paychex and any one Client shall not act to terminate the Agreement between Paychex and any other Client identified in Part D, unless notice is provided as set forth herein. If a Service selected by Client is provided by a third-party vendor pursuant to a separate agreement, and the separate agreement is terminated for any reason, Paychex may immediately terminate such Service.

The arbitrator will not be authorized to award exemplary or punitive damages, or any damages excluded in the Limit of Liability provision. The Parties agree that the prevailing Party in arbitration, and any subsequent judicial proceeding to enforce an arbitration award, will be awarded costs and attorneys' fees (including in-house counsel fees) and that an arbitration award may be entered as a judgment in any court having jurisdiction over either Party to the Agreement. The Parties will not be permitted to bring, or participate in, and the arbitrator will not have any authority or jurisdiction to hear or decide, any claims brought as any type of purported class action, coordinated action, aggregated action, or similar action or proceeding. Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Paychex Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
