UPDATE ON TWSD EDUCATIONAL OUTREACH

Summary

At the August 26, 2019 Triunfo Water & Sanitation District (TWSD) Board meeting, staff advised the Board of discussions with the public affairs team at Las Virgenes Municipal Water District regarding collaboration on educational outreach efforts with the Oak Park Unified School District (OPUSD). The outreach is specifically directed to offering water and wastewater presentations for elementary, middle, and high school students.

Staff sent a letter to OPUSD Superintendent Tony Knight, outlining the proposed educational offering. Within a matter of days, staff received four inquiries from teachers and scheduled the following presentations:

- 9-10-19: Oak View High School
- 9-17-19: Oak Hills Elementary School (2nd graders)
- 9-17-19: Oak Hills Elementary School (4th graders)
- 9-23-19: OPUSD Independent Study School (middle and high school students)

Additionally, staff accepted an invitation from Oak Park High School to participate in their Senior Career Chat on October 4 and discuss potential career opportunities in the water and wastewater industry.
