UPDATE ON NEW TWSD WEBSITE

Summary

Staff continues to work on implementation of the design and content of the new website for Triunfo Water & Sanitation District (TWSD). Working with TWSD Board Chair Orkney, staff finalized the written content and submitted that to the selected design firm, Thinking2. Work-in-progress includes finalization of original and stock photography. Upcoming tasks will include review of newly designed pages, testing of all links, staff training for content management, and presentation of the beta site to the Board for review and approval before going live.
