UPDATE ON WOOLSEY FIRE FEMA FINANCIAL ASSISTANCE APPLICATION

Summary

As noted at the July 22, 2019 Triunfo Water & Sanitation District (TWSD) Board meeting, staff submitted an application to the Federal Emergency Management Agency (FEMA) in July for \$466,219 in reimbursement for costs associated with damages that TWSD sustained in the Woolsey Fire that burned in and around TWSD's service area from November 8-12, 2018.

Staff continues to receive and respond to inquiries and requests for additional information from FEMA via the California Office of Emergency Services (CalOES). Most recently, staff received and completed a request from CalOES for a Federal Accountability and Transparency Act (FFATA) Financial Disclosure, and a request to register TWSD with SAM.gov (System for Award Management), which is a prerequisite for receiving any federal financial assistance payments.

Staff will continue to update the Board on the state of the application, including any payments received or issues that may arise. If you have any questions, please contact me at (805) 658-4608 or sandywarren@vrds.com.
