Board of Directors  
Triunfo Sanitation District  
Ventura County, California

## **GREATER CONEJO VALLEY CHAMBER OF COMMERCE MEMBERSHIP**

### **Summary**

From time to time, Triunfo Sanitation District has utilized the Greater Conejo Valley Chamber of Commerce (GCVCO) conference room, when the Oak Park Library conference room has been unavailable. In 2018, the Board made use of the GCVCO conference room on four occasions. At this time, the GCVCO charges a room rental rate of \$168 for nonmembers and \$110 for members. With rates scheduled to increase in December to \$250 for nonmembers, it made sense to look into whether joining the chamber would offset the cost of the room rental.

Chamber Membership rates will be increasing on December 16, 2018. Staff has been able to negotiate a discounted membership rate of \$278 with a one-time registration fee of \$59, if the Board were to become members before the membership rates increase. Chamber membership would reduce conference room rental to \$175 in 2019. In addition, there are some benefits to chamber membership which include a 50% discount in advertising rates in the The Acorn Newspapers during the first 6 months of membership.

### **Fiscal Impact**

The cost for GCVCO membership, prior to the December 16, 2018 rate increase, would be \$337.

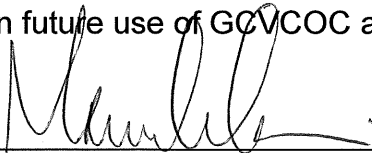

### **Recommendation**

It is recommended that the board:

- A. Discuss possible membership in the Greater Conejo Valley Chamber of Commerce (GCVCO); and

- B. Authorize a budget increase to the FY 2018-2019 Adopted Fiscal Budget in the amount of \$337 to fund a chamber membership expense; and
- C. Apply for GVCOC membership; or
- D. Provide direction to staff on future use of GVCOC as an alternative venue.
