EMERGENCY RESPONSE PLAN UPDATE

Recommendation

The Triunfo Sanitation District's (TSD) Emergency Response Plan (ERP), part of the Ventura Regional Sanitation District's ERP, has been updated and is available for Board review. The revised ERP includes modifications to incorporate the latest Federal and State statutes and standards. Critical sections have been improved to streamline the process and communications in the event of an emergency and to provide proper and ample notification to impacted areas. A copy of the ERP is available with the Clerk of the Board for Board review.
