Ventura County, California

TRAINING OPPORTUNITIES FOR NEW BOARD MEMBERS

Summary

Staff has gathered information from the California Special Districts Association (CSDA) on the availability of workshops/training/conferences for new board members. The CSDA will be hosting a workshop titled "Board Member Best Practices" in early 2019. This program is geared for new board members. There will be six workshops, but the dates and locations have not yet been finalized.

Additionally, the Special District Leadership Foundation (SDLF) will be hosting their Leadership Academy in San Diego in April 2019. This is a two day academy which covers four modules: General Governance; Human Resources; Finance; and Role of Board Members. Per their website, "the SDLA is an independent, non-profit organization formed to promote good governance and best practices among California's special districts through certification, accreditation and other recognition programs. The SDLF and its activities are supported by the CSDA and the Special District Risk Management Authority." The academy costs are not available at this time, as the program is not yet open for registration.

Staff will relay additional information to the Board once updated.

LISA MCKINLEY – ADMINISTRATIVE ASSISTANT
