DISCUSSION: PURE WATER PROJECT UPDATE LETTER TO CUSTOMERS

Recommendation

Director Orkney has requested that the Triunfo Water & Sanitation District Board discuss the distribution of an informational letter to update the District's wastewater customers on the status of the Pure Water Project (PWP) and associated wastewater rate impacts. Although information has been presented in the Acorn and other venues, there has not been a recent PWP update from the Board to its customers. Staff estimates the cost for drafting and mailing the update to be approximately \$7,000. It is recommended the Board discuss the request and provide direction to staff.
