## **PRESENTATION OF CERTIFICATE OF RECOGNITION TO OAK PARK UNIFIED SCHOOL DISTRICT STUDENT**

### **Summary**

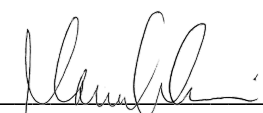

Delilah Bovatsek, a second grader at Brookside Elementary School in Oak Park, is one of five students in the Oak Park Unified School District (OPUSD) who participated in the 2022 Student Art Calendar Contest, sponsored by the Metropolitan Water District of Southern California (MWD). Delilah's artwork was selected by MWD as one of only 37 throughout their service area to be featured in a professionally printed 2023 calendar and/or digital library.

### **Discussion**

Triunfo Water & Sanitation District (TWSD) made the Student Art Calendar Contest available to all OPUSD students in April of this year. Five entries were submitted, and the TWSD Board directed that all be forwarded to MWD for their consideration. Delilah's entry (copy attached) was submitted in the Elementary (K-5) category.

Delilah and her family will attend the September 19 TWSD Board meeting so that the Directors may formally recognize Delilah for her work. Per the Board's earlier request, the original artwork (along with the other four entries) will be framed and displayed in TWSD's new office.
