12. Consider Resolution 2021-2968 nominating Person(s) for Possible Appointment to the Denton Central Appraisal District (DCAD) Board of Directors

APPROVED (7 – 0)

Mayor Wilcox reported Council had discussed nominating Alex Buck during Early Work Session, and that Councilmember Tom Heslep has also expressed his interest in serving. She added that Council can nominate up to five (5) people.

Motion by Deputy Mayor Pro Tem Fleming, seconded by Councilmember Jaworski, to approve Resolution 2021-2968 nominating Alex Buck and Tom Heslep. Motion carried 7-0.

16. Conduct a Public Hearing and consider Ordinance 2021-1289 granting a Conditional Use Permit (CUP) for an Accessory Dwelling Unit and approving a Site Plan at Lot 14, Block 2, Highland Hills Addition, Fourth Section, more commonly known as 102 Sandy Hook (1st of two reads)

# PUBLIC HEARING CONDUCTED APPROVED 1<sup>ST</sup> READ (7 – 0)

Public Works Director Scott Kriston reported an application was received for a Conditional Use Permit to allow an accessory dwelling unit on a residential lot located at 102 Sandy Hook. The property owner would like to convert the existing detached garage into an accessory dwelling unit that will be used as a "grandmother" suite. At their September 21, 2021 meeting, the Planning and Zoning Commission voted 5-0 to forward this to Council for approval as presented. Mr. Kriston added there has been one (1) inquiry, to date, and no opposition received.

Mayor Wilcox opened the public hearing. With no one wishing to speak, the public hearing was closed.

Councilmember Fiester clarified the CUP is issued for the property and not the owner; Mr. Kristen clarified it is issued for the property.

Motion by Councilmember Jaworski, seconded by Councilmember Fiester, to approve the first read of Ordinance 2021-1289. Motion carried 7-0.

17. Consider Resolution 2021-2969 authorizing an Interlocal Cooperation Agreement with the City of Lewisville and Town of Flower Mound for the Construction and Operation of a Joint Fire Training Facility

### APPROVED (7 - 0)

Fire Chief Mike Thomson reported the City of Lewisville approached the City of Highland Village to gauge interest in partnering with them and the Town of Flower Mound to design, construct and operate a joint fire training facility. He stated shared training facilities are utilized by several other entities in the Metroplex. This would not only save taxpayer dollars, but would also facilitate joint training among cities that regularly work emergency scenes together.

Chief Thomson stated this would provide an opportunity for a modern fire training facility with greater real life fire training and regional training, and would maximize operations capabilities and improve on the department's level of service delivery. Mayor Pro Tem Lombardo stated the proposed interlocal agreement provides that the facility will be wholly owned by the City of Lewisville. Chief Thomson stated it has been discussed and it would not benefit the City of Lewisville should they no longer allow Highland Village or Flower Mound Fire Departments the opportunity to use the facility because they would no longer receive funding from the two (2) cities for operational costs of the facility. He added that over the course of twenty (20) years, as is the term of the proposed interlocal agreement, Highland Village would still spend those funds on training elsewhere.

Motion by Deputy Mayor Pro Tem Fleming, seconded by Councilmember Heslep, to approve Resolution 2021-2969. Motion carried 7-0.

18. Consider Resolution 2021-2971 authorizing the City Manager to Negotiate and Execute a Contract with 4B Recreation Group, LLC dba Playgrounds Etc. for the Doubletree Ranch Park Splash Pad Rubber Surfacing Replacement Project

# <u>APPROVED (7 – 0)</u>

Parks & Recreation Director Phil Lozano reported the existing rubber surfacing at the Doubletree Ranch Park splash pad was installed in early 2017, with the splash pad opening to the public in the summer of 2017. The rubber surfacing has come to the end of its useful life and City staff has thoroughly researched various surfacing options and visited numerous splash pads throughout the Metroplex.

Based on research, Mr. Lozano reported staff determined that DuraPlay surfacing was the best product to use due to its longevity of use, impact attenuation, and less required maintenance. The life expectancy of the DuraPlay product is between ten (10) to fourteen (14) years.

Motion by Councilmember Fiester, seconded by Councilmember Heslep, to approve Resolution 2021-2971. Motion carried 7-0.

19. Consider Resolution 2021-2972 authorizing the Purchase of an Assureon Data Vault Node, Server and Installation Services from Soccour Solutions through the General Service Administration

# APPROVED (7 - 0)

Information Services Director Sunny Lindsey reported the City does not currently have a product in place that would prevent a sophisticated targeted attack on the City's back up data files. She stated City staff has put in place best practices that provide protection and redundancy for many types of base level attacks, and this product and service would provide a critical piece of protection. She added this was identified and presented during the budget process for FY 2021-2022, and subsequently approved by Council.

Motion by Councilmember Jaworski, seconded by Mayor Pro Tem Lombardo, to approve Resolution 2021-2972. Motion carried 7-0.

# CITY OF HIGHLAND VILLAGE COUNCIL BRIEFING

AGENDA# 15 MEETING DATE: 10/26/2021

SUBJECT: Consider Resolution 2021-2975 Adopting the Texas Term

Sheet and its Intrastate Allocation Schedule Regarding the

**Global Opioid Settlement** 

PREPARED BY: Paul Stevens, City Manager

# **BACKGROUND:**

Texas, along with a broad coalition of states and subdivisions, has reached final agreements with four companies to resolve legal claims against them for their role in the opioid crisis. One agreement is with opioid manufacturer Johnson & Johnson. The other is with three major pharmaceutical distributors: AmerisourceBergen, Cardinal Health, and McKesson.

The two agreements provide for \$26 billion in payments over 18 years, with \$23.9 billion available for opioid abatement and significant amounts front loaded. Funding will be distributed to states according to the allocation agreement reached among the Attorneys General. Subdivisions can only participate in the agreement if their state participates. Texas' combined share is almost \$1.5 billion: \$1.17 billion from the distributors and \$268 million from J&J. Distribution within Texas is handled through the Texas Term Sheet, an intrastate agreement between the state and litigating subdivisions. The funding must be used to support any of a wide variety of strategies to fight the opioid crisis. Separate provisions exist to compensate attorneys who have pursued opioid litigation on behalf of states and local governments. Once the state agrees to participate, then the more subdivisions that join, the more money everyone in Texas will receive. Future opioid litigation may result in suspension and reduction of payments. Even without full resolution of claims, states and subdivisions can still receive substantial payments by resolving a significant portion of current and future claims.

The City of Highland Village has been allocated \$50,315.

## **IDENTIFIED NEEDS:**

The Attorney General has provided a, "List of Uses for Opioid Remediation Funds," that provides direction as to how the funds can be used. I did attend a session at TML about the Opioid Settlement and had a follow up phone call with the division overseeing this program. Although we have not specifically targeted how these funds can be used by the City, should the City decide to join, we must join the settlement by January 2, 2022.

While the City may not be equipped to do many of the programs under the list of uses, there are training opportunities for our Fire and Police Departments that could be paid for with these funds. The City could also pass these funds to a non-profit in our area who could fulfill the uses for opioid remediation.

# **OPTIONS AND RESULTS:**

Cities, counties and other political subdivisions must decide to whether to join the settlement by January 2, 2022. Otherwise, we forfeit these funds. The Attorney General's Office is hoping for a large participation since it will determine how much money the State of Texas receives. When other cases are settled, the State could receive more settlement funds.

# **PROGRESS TO DATE:**

Should the City choose to join the settlement, a resolution must be adopted by January 2, 2022 and a Settlement Participation Form must be signed and submitted to the Attorney General's Office.

# **BUDGETARY IMPACT/ORDINANCE CHANGE:**

The City of Highland Village has been allotted \$50,315 from the settlement.

# **RECOMMENDATION:**

To approve Resolution 2021-2975.

### **B.** Allocation of Settlement Proceeds

1. All Opioid Funds distributed in Texas shall be divided with 15% going to Political Subdivisions ("Subdivision Share"), 70% to the Texas Opioid Abatement Fund through the Texas Opioid Council (Texas Abatement Fund Share) identified and described on Exhibits A and C hereto, and 15% to the Office of the Texas Attorney General as Counsel for the State of Texas ("State Share"). Out of the Texas Opioid Abatement Fund, reasonable expenses up to 1% shall be paid to the Texas Comptroller for the administration of the Texas Opioid Council pursuant to the Opioid

- segregated account to benefit the Subdivisions and to be promptly distributed as set forth herein and in accordance with Exhibit B.
- 7. Nothing in this Texas Term Sheet should alter or change any Subdivision's rights to pursue its own claim. Rather, the intent of this Texas Term Sheet is to join all parties to disburse settlement proceeds from one or more defendants to all parties participating in that settlement within Texas.
- 8. Opioid Funds from the Texas Abatement Fund Share shall be directed to the Texas Opioid Council and used in accordance with the guidelines as set out on Exhibit A hereto, and the Texas Abatement Fund Share shall be distributed to the Texas Opioid Council under the authority and guidance of the Texas MDL Court, consistent with Exhibits A and C, and the bylaws of the Texas Opioid Council documents and disbursed as set forth therein, including without limitation all abatement funds and the 1% holdback for expenses.
- 9. The State of Texas and the Political Subdivisions understand and acknowledge that additional steps may need to be undertaken to assist the Texas Opioid Council in its mission, at a predictable level of funding, regardless of external factors.

# C. Payment of Counsel and Litigation Expenses

- 1. Any Master Settlement Agreement settlement will govern the payment of fees and litigation expenses to the Parties. The Parties agree to direct control of any Texas Political Subdivision fees and expenses to the "Texas Opioid Fee and Expense Fund," which shall be allocated and distributed by the Texas MDL Court, *In re: Texas Opioid Litigation*, MDL No. 2018-63587, in the 152nd District Court of Harris County, Texas, and with the intent to compensate all counsel for Texas Political Subdivisions who have not chosen to otherwise seek compensation for fees and expenses from any federal MDL common benefit fund.
  - 2. The Parties agree that no portion of the State of Texas 15% allocation share from any settlement shall be administered through the National Fund, the Texas MDL Court, or Texas Opioid Fee and Expense Fund, but shall be directed for payment to the State of Texas by the State of Texas.
  - 3. The State of Texas and the Texas Political Subdivisions, and their respective attorneys, agree that all fees whether contingent, hourly, fixed or otherwise owed by the Texas Political Subdivisions shall be paid out of the National Fund or as otherwise provided for herein to the Texas Opioid Fee and Expense Fund to be distributed by the 152nd

- District Court of Harris County, Texas pursuant to its past and future orders.
- 4. From any opioid-related settlements with McKesson, Cardinal Health, ABDC, and Johnson & Johnson, and for any future opioid-related settlements negotiated, in whole or in part, by the Negotiating Committee with any other Pharmaceutical Supply Chain Participant, the funds to be deposited in the Texas Opioid Fee and Expense Fund shall be 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of each payment (annual or otherwise) to the State of Texas for that settlement, plus expenses from the National Fund, and shall be sought by Texas Political Subdivision Counsel initially through the National Fund. The Texas Political Subdivisions' percentage share of fees and expenses from the National Fund shall be directed to the Texas Opioid Fee and Expense Fund in the Texas MDL, as soon as is practical, for allocation and distribution in accordance with the guidelines herein.
- 5. If the National Fund share to the Texas Political Subdivisions is insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, per subsection 4, immediately *supra*, or if payment from the National Fund is not received within 12 months after the date the

first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 12.5% of the Texas Political Subdivision Share to make up any difference.

6. If the National Fund and the Texas Political Subdivision share are insufficient to cover the guaranteed 9.3925%, plus expenses from the National Fund, or if payment from the National Fund is not received within 12 months after the date the first payment is made by the Defendants pursuant to the settlement, then the Texas Political Subdivisions shall recover up to 8.75% of the Abatement Fund Share to make up any difference. In no event shall the Texas Political Subdivision share exceed 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions of any settlement, plus expenses from the National Fund. In the event that any payment is received from the National Fund such that the total amount in fees and expenses exceeds 9.3925%, the Texas Political Subdivisions shall return any amounts received greater than 9.3925% of the combined Texas Political Subdivision and Texas Abatement Fund portions to those respective Funds.

- 7. For each settlement utilizing a National Fund, the Texas Political Subdivisions need only make one attempt at seeking fees and expenses there.
- 8. The total amount of the Texas Opioid Fee and Expense Fund shall be reduced proportionally, according to the agreed upon allocation of the Texas Subdivision Fund, for any Texas litigating Political Subdivision that (1) fails to enter the settlement; and (2) was filed in Texas state court, and was transferred to the Texas MDL (or removed before or during transfer to the Texas MDL) as of the execution date of this Agreement.

# D. The Texas Opioid Council and Texas Abatement Fund

The Texas Opioid Council and Texas Abatement Fund is described in detail at Exhibit A, incorporated herein by reference.

# **E. Settlement Negotiations**

1. The State and Negotiating Committee agree to inform each other in advance of any negotiations relating to a Texas-only settlement with a Pharmaceutical Supply Chain Participant that includes both the State and its Political Subdivisions and shall provide each other the opportunity to participate in all such negotiations. Any Texas-only Settlement agreed to with the State and Negotiating Committee shall be subject to the approval

of a majority of litigating Political Subdivisions. The Parties further agree to keep each other reasonably informed of all other global settlement negotiations with Pharmaceutical Supply Chain Participants and to include the Negotiating Committee or designees. Neither this provision, nor any other, shall be construed to state or imply that either the State or the Negotiating Committee is unauthorized to engage in settlement negotiations with Pharmaceutical Supply Chain Participants without prior consent or contemporaneous participation of the other, or that either party is entitled to participate as an active or direct participant in settlement negotiations with the other. Rather, while the State's and Negotiation Committee's efforts to achieve worthwhile settlements are to be collaborative, incremental stages need not be so.

- 2. Any Master Settlement Agreement (MSA) shall be subject to the approval and jurisdiction of the Texas MDL Court.
- 3. As this is a Texas-specific effort, the Committee shall be Chaired by the Attorney General. However, the Attorney General, or his designees, shall endeavor to coordinate any publicity or other efforts to speak publicly with the other Committee Members.
- 4. The State of Texas, the Texas MDL Plaintiff's Steering Committee representatives, or the Political Subdivision representatives may withdraw

from coordinated Settlement discussions detailed in this Section upon 10 business days' written notice to the remaining Committee Members and counsel for any affected Pharmaceutical Supply Chain Participant. The withdrawal of any Member releases the remaining Committee Members from the restrictions and obligations in this Section.

5. The obligations in this Section shall not affect any Party's right to proceed with trial or, within 30 days of the date upon which a trial involving that Party's claims against a specific Pharmaceutical Supply Chain Participant is scheduled to begin, reach a case specific resolution with that particular Pharmaceutical Supply Chain Participant.

### F. Amendments

The Parties agree to make such amendments as necessary to implement the intent of this agreement.

# **Acknowledgment of Agreement**

We, the undersigned, have participated in the drafting of the above Texas Term Sheet, including consideration based on comments solicited from Political Subdivisions. This document has been collaboratively drafted to maintain all individual claims while allowing the State and its Political Subdivisions to cooperate in exploring all possible means of resolution. Nothing in this agreement binds any party to any specific outcome. Any resolution under this document will require

acceptance by the State of Texas and a majority of the Litigating Political Subdivisions.

We, the undersigned, hereby accept the STATE OF TEXAS AND TEXAS POLITICAL SUBDIVISIONS' OPIOID ABATEMENT FUND COUNCIL AND SETTLEMENT ALLOCATION TERM SHEET. We understand that the purpose of this Texas Term Sheet is to permit collaboration between the State of Texas and Political Subdivisions to explore and potentially effectuate earlier resolution of the Opioid Litigation against Pharmaceutical Supply Chain Participants. We also understand that an additional purpose is to create an effective means of distributing any potential settlement funds obtained under this Texas Term Sheet between the State of Texas and Political Subdivisions in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic throughout Texas.

Executed this 13 day of May, 2020. FOR THE STATE OF TEXAS: KENNETH PAXTON, JR. ATTORNEY GENERAL FOR THE SUBDIVISIONS AND TEXAS MDL PSC: MIKAL WATTS WATTS GUERRA LLP SIMON GREENSTONE PANATIER, PC Dara Hegan DARA HEGAR LANIER LAW FIRM, PC DAN DOWNEY

#### **Opioid Abatement Fund (Texas) Settlement**

## **Opioid Council**

As part of the settlement agreement and upon its execution, the parties will form the Texas Opioid Council (Council) to establish the framework that ensures the funds recovered by Texas (through the joint actions of the Attorney General and the state's political subdivisions) are allocated fairly and spent to remediate the opioid crisis in Texas, using efficient and cost-effective methods that are directed to the hardest hit regions in Texas while also ensuring that all Texans benefit from prevention and recovery efforts.

#### I. Structure

Money paid into the abatement fund will be held by an independent administrator, who shall be responsible for the ministerial task of releasing funds solely as authorized below by the Council, and accounting for all payments to and from the fund.

#### A. Membership

The Council shall be comprised of the following thirteen (13) members:

For the first term, four (4) members (two (2) statewide and two (2) for the subdivisions) will serve a three-year term. A vacancy on the Council shall be filled for the unexpired term in the same manner as the original appointment.     - 2. Matters specifically exempted from disclosure by federal and state statutes.
  - b. All minutes and documents of a closed meeting shall remain under seal, subject to release only order of a court of competent jurisdiction.

## 3. Authority

The Council does not have rulemaking authority. The terms of each Judgment, Master Settlement Agreement, or any Bankruptcy Settlement for Texas control the authority of the Council and the Council may not stray outside the bounds of the authority and power vested by such settlements. Should the Council require legal assistance in determining their authority, the Council may direct the executive director to seek legal advice from the Attorney General to clarify the issue.

#### D. Operation and Expenses

The independent administrator will set aside up to one (1) percent of the settlement funds for the administration of the Council for reasonable costs and expenses of operating the foregoing duties, including educational activities.

#### 1. Executive Director

The Comptroller will employ the executive director of the Council and other personnel as necessary to administer the duties of the Council and carry out the functions of the Council. The executive director must have at least 10 years of experience in government or public administration and is classified as a Director V/B30 under the State Auditor's State Classification. The Comptroller will pay the salaries of the Council employees from the

one (1) percent of the settlement funds set aside for the administration of the Council. The Comptroller will request funds from the Texas Abatement Fund Point of Contact.

#### 2. Travel Reimbursement

A person appointed to the Council is entitled to reimbursement for the travel expenses incurred in attending Council duties. A member of the Council may be reimbursed for actual expenses for meals, lodging, transportation, and incidental expenses in accordance with travel rates set by the federal General Services Administration.

#### II. Duties/Roles

It is the duty of the Council to determine and approve the opioid abatement strategies and funding awards.

## A. Approved Abatement Strategies

The Council will develop the approved Texas list of abatement strategies based on but not limited to the existing national list of opioid abatement strategies (see attached Appendix A) for implementing the Texas Abatement Fund.

- 1. The Council shall only approve strategies which are evidence-informed strategies.
- 2. The Texas list of abatement strategies must be approved by majority vote. The majority vote must include a majority from both sides of the statewide members and regional members in order to be approved, e.g., at least four (4) of six (6) members on each side.

#### B. Texas Abatement Fund Point of Contact

The Council will determine a single point of contact called the Abatement Fund Point of Contact (POC) to be established as the sole entity authorized to receive requests for funds and approve expenditures in Texas and order the release of funds from the Texas Abatement Fund by the independent administrator. The POC may be an independent third party selected by the Council with expertise in banking or financial management. The POC will manage the Opioid Council Bank Account (Account). Upon a vote, the Council will direct the POC to contact the independent administrator to release funds to the Account. The Account is outside the State Treasury and not managed by any state or local officials. The POC is responsible for payments to the qualified entities selected by the Council for abatement fund awards. The POC will submit a monthly financial statement on the Account to the Council.

#### C. Auditor

An independent auditor appointed by the Council will perform an audit on the Account on an annual basis and report its findings, if any, to the Council.

#### D. Funding Allocation

The Council is the sole decision-maker on the funding allocation process of the abatement funds. The Council will develop the application and award process based on the parameters outlined below. An entity seeking funds from the Council must apply for funds; no funds will be awarded without an application. The executive director and personnel may assist the Council in gathering and compiling the applications for consideration; however, the Council members are the sole decision-makers of awards and funding determination. The Council will use the following processes to award funds:

- 1. Statewide Funds. The Council will consider, adopt and approve the allocation methodology attached as Exhibit C, based upon population health data and prevalence of opioid incidences, at the Council's initial meeting. Adoption of such methodology will allow each Region to customize the approved abatement strategies to fit its communities' needs. The statewide regional funds will account for seventy-five (75) percent of the total overall funds, less the one (1) percent administrative expense described herein.
- 2. Targeted Funds. Each Region shall reserve twenty-five (25) percent of the overall funds, for targeted interventions in the specific Region as identified by opioid incidence data. The Council must approve on an annual basis the uses for the targeted abatement strategies and applications available to every Region, including education and outreach programs. Each Region without approved uses for the targeted funds from the Council, based upon a greater percentage of opioid incidents compared to its population, is subject to transfer of all or a portion of the targeted funds for that Region for uses based upon all Regions' targeted funding needs as approved by the Council on an annual basis.
- 3. *Annual Allocation*. Statewide regional funds and targeted funds will be allocated on an annual basis. If a Region lapses its funds, the funds will be reallocated based on all Regions' funding needs.

#### E. Appeal Process

The Council will establish an appeal process to permit the applicants for funding (state or subdivisions) to challenge decisions by the Council-designated point of contact on requests for funds or expenditures.

- 1. To challenge a decision by the designated point of contact, the State or a subdivision must file an appeal with the Council within thirty (30) days of the decision. The Council then has thirty (30) days to consider and rule on the appeal.
- 2. If the Council denies the appeal, the party may file an appeal with the state district court of record where the final opioid judgment or Master Settlement Agreement is filed. The Texas Rules of Civil Procedure and Rules of Evidence will govern these proceedings. The Council may request representation from the Attorney General in these proceedings.

In making its determination, the state district court shall apply the same clear error standards contained herein that the Council must follow when rendering its decision.

- 3. The state district court will make the final decision and the decision is not appealable.
- 4. Challenges will be limited and subject to penalty if abused.
- 5. Attorneys' fees and costs are not recoverable in these appeals.

### F. Education

The Council may determine that a percentage of the funds in the Abatement Fund from the targeted funds be used to develop an education and outreach program to provide materials on the consequences of opioid drug use, prevention and interventions. Any material developed will include online resources and toolkits for communities.

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment

intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

- 2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid-or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
