## STAFF REPORT Public Art Committee

Prepared by: Joyce Ryan, Library & Community Services Director Meeting Date: 11/16/21

---

**SUBJECT:** City Hall Proposed Artwork

**RECOMMENDATION:** Staff recommends Public Art Committee members approve the final design for the City Hall Artwork Project.

**BOARD/COMMISSION PRIOR ACTION:** None

**STATEMENT ON SUBJECT:** Local artist Francisco Morales has been working on a conceptual design for artwork to be placed in the Council Chambers at City Hall. The artwork would be placed on the soffit and/or back walls of the Chamber. The first incarnation of this artwork was seen by the committee at the July 27, 2021 meeting. This artwork was revised and brought to the October 26, 2021 meeting. Committee members' comments included the following:

- The artwork contains two very different styles – may want to create a more seamless presentation
- Historical images may not accurately reflect the diversity of the area
- May want to include more of the children's experience from younger child to teen

This latest presentation, if approved, will be presented at the December 7, 2021 City Council meeting. James Halliday of ARTS and artist Francisco Morales will present the City Hall Artwork designs.
