10:00 A.M. CONVENE MEETING

1. **Safety Briefing**
Staff will provide general safety instruction.
2. **Opening Comments from Commissioners and Executive Director**
 - a. Commissioner Robert C. Vaughn - RAISE Grant Award
 - b. Commissioner Alvin New - Truck Parking, Border Trade Advisory Committee and Texas Freight Advisory Committee, U.S. 67 Ribbon Cutting
 - c. Commissioner Laura Ryan - Safety Initiatives
 - d. Chairman J. Bruce Bugg, Jr.- Urban Air Mobility Advisory Committee Report, Outstanding Women in Texas Government Awards
 - e. Executive Director Marc Williams
3. **Consider the approval of the Minutes** of the July 12, 2022, regular meeting of the Texas Transportation Commission
4. **Acknowledgment of Service**
 - a. Recognize by resolution Atlanta District Engineer Jere A. “Buddy” Williams, P.E. for 32 years of service to the department
 - b. Recognize by resolution Director of District Operations Quincy D. Allen, P.E. for 37 years of service to the department
5. **Unified Transportation Program (UTP)**
Consider the approval of the 2023 Unified Transportation Program (MO) (Presentation)
The Unified Transportation Program (UTP) is a 10-year statewide plan for transportation project development. The Project Selection Process (PSP) is approved annually and describes the funding categories and process for selecting transportation projects. This minute order approves the 2023 UTP for fiscal years 2023-2032 as well as the PSP for the 2023 UTP.

6. **Contracts**
 Consider the award or rejection of contracts for highway construction and maintenance, and construction and rehabilitation of buildings, and consider the approval of an increase in funds for certain highway construction projects that received bids with cost overruns (Presentation)
These proposed minute orders contain information concerning the receipt of bids for highway improvement contracts and a proposal to increase funds from categories 2, 4 and/or 12 for certain projects. The department may reschedule receipt of bids for those projects where the commission rejects all bids or reassess funding proposals. Those bids and funding increases accepted by the commission will result in conditional contract awards to the low bidders. Contract award conditions may involve securing funding from other sources, the contractor's ability to satisfy federal DBE subcontracting requirements, or other requirements as outlined in the project bid proposal.
- a. **Highway Improvement and Other Transportation Facilities**
 (see attached itemized list) (MO)
 - b. **Routine Maintenance**
 (see attached itemized list) (MO)
 - c. **Construction and Rehabilitation of Buildings**
 (see attached itemized list) (MO)
7. **Aviation**
- a. **Various Counties** - Consider the award of federal non-primary entitlement grant funding, federal apportionment grant funding and state grant funding for airport improvement projects at various locations (MO)
Federal law authorizes the award of federal non-primary entitlement grant funding and federal apportionment grant funding to preserve and improve the state's general aviation system. State law authorizes the award of state grant funding for capital improvement projects.
 - b. **Various Counties** - Consider the approval of the Routine Airport Maintenance Program (MO)
State law authorizes the award of state funding for routine airport maintenance projects. The recommended airports are eligible for award of these grant funds and the department seeks approval of the awards.
 - c. **Aviation Capital Improvement Program**
 Consider the approval of the Aviation Capital Improvement Program (MO)
The Texas Department of Transportation is required to prepare and update annually a multi-year aviation facilities capital improvement program. The department is seeking commission approval of this program.
8. **Advisory Committee Appointments**
- a. **Aviation Advisory Committee**
 Consider the appointment of members to the Aviation Advisory Committee (MO)
The commission shall appoint each member for a term not to exceed three years. This minute order approves the re-appointment of three members to the Aviation Advisory Committee to fill the terms.
 - b. **Bicycle and Pedestrian Advisory Committee**
 Consider the appointment of members to the Bicycle and Pedestrian Advisory Committee (MO)
The Bicycle and Pedestrian Advisory Committee advises the commission on bicycle and pedestrian issues and matters of mutual concern between the department and the bicycling and pedestrian communities. By involving representatives of the public, including bicyclists, pedestrians, and other interested parties, the department helps ensure effective communication with the bicycling and pedestrian communities, and that the bicyclist's and pedestrian's perspective will be considered in the development of departmental policies related to bicycle use and pedestrian activity, including the design, construction, and maintenance of highways.

8. **Advisory Committee Appointments (continued)**
- c. **Border Trade Advisory Committee**
 Consider the appointment of members to the Border Trade Advisory Committee (MO)
This minute order appoints members to the Border Trade Advisory Committee. The purpose of the committee, created in 2001 by the 77th Legislature, is to define and develop a strategy and make recommendations to the commission and the governor, in order to address the highest priority border trade transportation challenges.
- d. **Port Authority Advisory Committee**
 Consider the appointment of members to the Port Authority Advisory Committee (MO)
This minute order approves appointment of members to the Port Authority Advisory Committee to fill vacated terms. The purpose of the committee, created by state law, is to offer advice and recommendations that will provide the commission and the department with a broad perspective regarding maritime ports and transportation-related matters to be considered in formulating department policies concerning the Texas maritime port system.
9. **Financial Management**
 Consider the adoption of the Fiscal Year 2023 Texas Department of Transportation Budget (MO)
This minute order adopts the department's annual budget as prescribed by the General Appropriations Act.
10. **Legislative Appropriations Request**
 Consider the adoption of the Texas Department of Transportation's Fiscal Year 2024-2025 Legislative Appropriations Request (MO) (Presentation)
Every two years the department is required to submit a Legislative Appropriations Request (LAR) for the upcoming biennium to be considered by the Texas Legislature. The proposed LAR describes the level of funding, method of finance, and full time equivalents associated with the department's strategies for the fiscal year 2024-2025 biennium. State law requires the department to deliver the LAR to the commission in an open meeting not later than the 30th day before the date the department submits the LAR to the Legislative Budget Board and the Governor's Office.
11. **Design-Build Contract**
Bexar County - I-35 Northeast Expansion (NEX) South Project Consider authorizing the department to issue a request for proposals to design, construct and maintain the I-35 NEX South Project, consisting of non-tolled improvements along I-35 from approximately I-410 South to I-410 North, including transitions along I-35 from Petroleum Drive to I-410 South, and along the portion of I-410 South from the I-35/I-410 South Interchange to 0.3 miles north of Seguin Road/FM 78, in San Antonio and Bexar County; and consider approving stipulated amounts as payment for the work product of unsuccessful proposers (MO) (Presentation)
On March 31, 2022, in Minute Order 116217, the commission authorized the department to issue a request for qualifications to design, construct and potentially maintain the I-35 NEX South Project. This minute order continues the procurement process by authorizing the issuance of a request for proposals for the project and approves stipulated amounts for the payment of work product of responsive, unsuccessful proposers.
12. **Minute Order Reconsideration**
Bexar County - FM 1560 - Consider rescinding Minute Order 114167, dated December 18, 2014 (MO)
Under Minute Order 114167 the commission recommended that a portion of FM 1560 be removed from the state highway system and transferred to the City of San Antonio subject to its continued use for public road purposes on the issuance of the Project Acceptance Letter for project CSJ 2230-01-013. A Project Acceptance Letter has not been issued. Because the commission has now determined that the property continues to be needed for state highway purposes, this minute order rescinds Minute Order 114167.

13. **Eminent Domain Proceedings**

Various Counties - Consider the authorization of the filing of condemnation proceedings to acquire real property by eminent domain for non-controlled and controlled access highways (see attached itemized list) (MO)

Commission findings, determinations, and authorizations for the state, by motion made in accordance with Senate Bill 18, 82nd Legislature, to acquire by eminent domain, upon the payment of adequate and just compensation, various ownership interests in specific parcels of real property that are needed to develop or improve both non-controlled and controlled access state highways, to include requesting the state attorney general to bring and pursue condemnation suits relating to those specific parcels of real property described in the attached itemized list.

14. **Routine Minute Orders and Reports**

a. **Donations to the Department**

Various Districts - Consider the acknowledgment of donations with a value of \$500 or more, including donations of money, materials, services, or real property, that are made to the department for the purpose of assisting the department in carrying out its functions and duties or for improving access to or from a highway on the state highway system (see attached itemized list) (MO)

State statutes require the commission to acknowledge the acceptance of a gift to the department that is valued at \$500 or more. By the adoption of this minute order, the commission acknowledges the receipt and acceptance of the property specified in the minute order.

b. **Real Estate Dispositions**

The commission must approve the sales, transfers, and exchanges of state rights of way and other real properties that are no longer needed for a state highway purpose. It must also approve, accept, and acknowledge donations to the state of real property that is valued at \$500 or more.

(1) **Cameron County** - I-69E - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

(2) **Denton County** - SH 114 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

(3) **Ector County** - I-20 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

(4) **Harris County** - I-610 - Consider the exchange of right of way as part of a transaction to acquire real property needed for a state highway purpose (MO)

The district has determined that the land to be conveyed by the State in the exchange is no longer needed for a state highway purpose. The governor, on the recommendation of the commission, may execute a deed exchanging an interest in real property acquired but not needed for a highway purpose as whole or partial consideration for another interest in real property needed for a state highway purpose.

(5) **Liberty County** - SH 146 - Consider the sale of right of way to an abutting landowner (MO)

The district has determined that the land is no longer needed for highway purposes. An abutting landowner has requested to purchase the land, and it may be sold to the requester.

14. **Routine Minute Orders and Reports (continued)**

b. **Real Estate Dispositions (continued)**

- (6) **Rockwall County** - SH 276 - Consider the sale of right of way to the City of Rockwall, Texas (MO)

The district has determined that the land is no longer needed for highway purposes. The City of Rockwall has requested to purchase the land, and it may be sold to the city.

- (7) **Wharton County** - US 59 - Consider conveyances to the City of Wharton for the construction, operation, and maintenance of a flood control project in cooperation with the United States (MO)

In connection with the Lower Colorado River Basin Phase I, Texas, Wharton Flood Risk Management Project, TxDOT proposes to convey a fee interest, subject to a retained highway easement, to the City of Wharton for the construction of permanent levee improvements which will intersect the existing US 59 right of way. TxDOT also proposes to convey four temporary easements for the purposes of access and construction.

c. **Reports**

- (1) **Compliance Division Report**

State law requires the commission to establish a compliance program, which must include a Compliance Division to oversee the program. The Compliance Division is responsible for acting to prevent and detect serious breaches of department policy, fraud, waste, and abuse of office, including any acts of criminal conduct within the department. The Compliance Division is required to provide a monthly report to the commission regarding investigations and a summary of information relating to trends and recommendations.

- (2) **Quarterly Investment Report for all of the funds invested at the direction of the commission (Report)**

This is a presentation of the quarterly investment report for the investment of: (1) funds held by the Bank of New York Mellon, as trustee, under the Indenture of Trust securing the Central Texas Turnpike System toll revenue obligations; (2) funds for the pre-paid TxTag account held by the Bank of New York Mellon, acting as custodian; (3) funds held by Amegy Bank, a Division of ZB, National Association, as trustee, under the Trust Agreement securing the I-35E Managed Lanes Project toll revenue obligations; and (4) funds held by U.S. Bank National Association, as trustee, under the Master Trust Agreement securing the SH 249 System toll revenue obligations.

- (3) **Grimes and Montgomery Counties**

Fiscal Year 2022 State Highway 249 System Annual Inspection Report (Report)

The commission financed a portion of the costs of the system with obligations issued pursuant to a trust agreement. In accordance with Section 504 of the trust agreement, the commission has caused the general engineering consultant to make an inspection of the system at least three months prior to the end of the fiscal year and submit a report to the commission prior to the end of the fiscal year.

- (4) **Grimes and Montgomery Counties**

Quarterly Traffic and Operating Report for the State Highway 249 System (Report)

The commission financed a portion of the costs of the system with obligations issued pursuant to a trust agreement. In accordance with Section 709 of the trust agreement, the commission is providing to the trustee, general engineering consultant, and traffic consultant a report of general information regarding the system for the preceding fiscal quarter. A copy of the report is being filed with the Municipal Securities Rulemaking Board through its Electronic Municipal Markets Access System.

14. **Routine Minute Orders and Reports (continued)**

d. **Finance**

- (1) **Grimes and Montgomery Counties** - Consider the adoption of the State Highway 249 System annual budget of revenues, operating and maintenance expenses, major maintenance expenditures, and capital expenditures (MO)

This minute order adopts the annual budget of revenues, operating and maintenance expenses, major maintenance expenditures, and capital expenditures for the State Highway 249 System (System). The commission financed a portion of the costs of the System with obligations issued pursuant to a trust agreement. The trust agreement stipulates that the commission on or before the end of each fiscal year (or such other date as is consistent with the commission's policies then in effect) will adopt an annual budget for the System.

- (2) **Debt Management Policy and Derivative Management Policy**
Consider the approval of the Debt Management Policy and Derivative Management Policy for financing programs of the commission (MO)

This minute order approves the Debt Management Policy which establishes parameters for the commission's financing programs considering acceptable levels of risk, minimizing interest costs, and optimizing future flexibility with consideration to achieving and maintaining the best possible credit ratings. This minute order also rescinds the Derivative Management Policy.

- (3) **Investment Policy and Investment Strategies**

Consider the annual review and approval of the investment policy and investment strategies applicable to all funds of the commission not otherwise required to be invested by the comptroller (MO)

This minute order approves the commission's investment policy and investment strategies. The Public Funds Investment Act requires the commission to review the investment policy and investment strategies on an annual basis, and to approve by order any modifications to the investment policy and investment strategies.

- (4) **Dallas and Denton Counties** - Consider the approval of the I-35E Managed Lanes Project annual budget of revenues, operating and maintenance expenses, and capital expenditures (MO)

This minute order approves the annual budget of revenues, operating and maintenance expenses, and capital expenditures for the I-35E Managed Lanes Project in Dallas and Denton counties. The commission financed a portion of the costs of the I-35E Project with a TIFIA loan. The trust agreement for the loan stipulates that the commission will adopt an annual budget by the business day preceding the first day of each fiscal year.

- (5) **Travis and Williamson Counties** - Consider the approval of the Central Texas Turnpike System annual operating, maintenance and capital budgets (MO)

This minute order approves the annual operating, maintenance, and capital budgets for the Central Texas Turnpike System (CTTS) which consists of SH 130 Segments 1-4, SH 45N, SH 45SE, and Loop 1 extension. Some costs of the CTTS were financed with debt obligations. The Indenture of Trust stipulates that the commission will adopt annual budgets by August 31 of the preceding fiscal year.

e. **Land Acquisitions for Facilities**

Various Counties - Consider the grant of authority to the department to acquire real property for facilities (MO)

The department is in the process of acquiring real property for the construction of new facilities and the expansion of existing facility sites. Funds for the purchase of these properties were appropriated by the 87th Legislature, Supplemental Appropriations Act for the 2022-23 Biennium. The department requests the commission's authorization to enter into purchase contracts and related documents to complete the acquisition of the listed properties.

14. **Routine Minute Orders and Reports (continued)**

f. **Speed Zones**

Various Counties - Consider the establishment or alteration of regulatory and construction speed zones on various sections of highways in the state (MO)

This minute order establishes or alters regulatory and construction speed zones on various sections of highways in the state.

15. **Executive Session** Pursuant to Government Code, Chapter 551

Section 551.071 - Consultation with and advice from legal counsel regarding any item on this agenda, pending or contemplated litigation, or other legal matters.

OPEN COMMENT PERIOD - At the conclusion of all other agenda items, the commission will allow an open comment period, not to exceed one hour, to receive public comment on any other matter that is under the jurisdiction of the department. No action will be taken. Each speaker will be allowed a maximum of three minutes. Speakers must be signed up prior to the beginning of the open comment period.

ADJOURN

* * *

NOTE:

Enumerated agenda items are assigned numbers for ease of reference and will not necessarily be considered by the commission in that order. Agenda items with (MO) are those for which the commission is considering an action.
