## Memorandum Item 3A

DATE November 7, 2023  
TO: Members of the Community Police Oversight Board  
SUBJECT: Dynell Lane Independent Investigation by OCPO

### Part A: Background

Mr. Lane filed a complaint with DPD on June 3, 2023. After reviewing the case IAD determined that the case would be classified as a “No Investigation” because they “were unable to establish a violation of departmental policies or procedures.”

After receiving the results of the investigation from DPD’s Internal Affairs Division (IAD), Mr. Lane filed an appeal with the CPOB. At the August 8, 2023, CPOB meeting, the Board reviewed the complaint of Mr. Dynell Lane and voted for OCPO to do an independent investigation into the case.

OCPO was in the process of beginning their investigation when it received an email from Major Irene Alanis who is the commanding officer in charge of IAD stating, **“Be advised, I have opened an investigation on Mr. Lanes EC2023-0603 complaint.”**

### Part B: Status of the OCPO Independent Investigation & Next Steps

Based on that notification from IAD, former OCPO Director McClary instructed OCPO Special Investigator Williams to halt his investigation until OCPO receives the findings from IAD.

At the September 12<sup>th</sup> CPOB meeting Major Alanis informed the Board that IAD was actively conducting the investigation. She stated that her desire was that the investigation be concluded as soon as possible. To help expedite the conclusion of the investigation, she has limited the caseload of the detective handling the Lane investigation. That detective will only work on the Lane case until the investigation is concluded.

OCPO is actively monitoring the IAD investigation of Mr. Lane’s complaint which is currently in draft status, and has been reviewed by OCPO.
