- b. Ordinance 5869: Blasting Regulations

7. NEW BUSINESS

8. UNFINISHED BUSINESS

9. COUNCIL COMMENTS/DISCUSSION

10. ADJOURNMENT

Proclamation

WHEREAS, in 1892 the Nebraska Board of Agriculture set aside a special day for the planting of trees, and this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and is now observed throughout the nation and the world, and

WHEREAS, the planting and care of trees in Kennewick was paramount in the minds of our first settlers as evidenced by one of the first ordinances passed in 1904, the year Kennewick incorporated, which was to fine anyone \$50 for damaging a tree, and

WHEREAS, the first official Kennewick Arbor Day was celebrated in April of 1912 with the task of planting 8,000 trees of various kinds along ten miles of the riverfront as recorded in the April 12, 1912, edition of the Kennewick Courier, and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

WHEREAS, urban and community forestry programs have greatly benefited the urban community by protecting precious green-space, planning for an managing community trees, and promoting the planting and care of trees along streets, highways, commercial districts, in parks and at schools, and

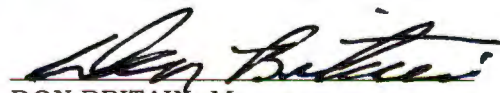

WHEREAS, April is an excellent time of year to plant trees in Kennewick; **NOW, THEREFORE**,

I, DON BRITAIN, Mayor of the City of Kennewick, do hereby proclaim April 24, 2020, as

ARBOR DAY IN THE CITY OF KENNEWICK

And encourage all citizens to become stewards of their own environment and celebrate Arbor Day by planting, maintaining, and protecting trees so that the benefits trees provide can continue to improve the quality of life for the well-being of this and future generations.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the official seal of the City of Kennewick to be hereunto affixed the 21st day of April 2020.

DON BRITAIN, Mayor

Attest:

TERRI L. WRIGHT, City Clerk

CITY OF KENNEWICK
CITY COUNCIL
Regular Meeting
March 17, 2020

1. CALL TO ORDER

Mayor Don Britain called the meeting to order at 6:30 p.m.

City Council and Staff Present:

Mayor Pro Tem Steve Lee – Via telephone	Marie Mosley
John Trumbo– Via telephone	Greg McCormick
Bill McKay	Christina Palmer
Chuck Torelli	Lisa Beaton
Jim Millbauer	Cary Roe

Recommendation

That Council approve the Claims Roster.

Motion for Consideration

I move to approve the Claims Roster dated April 10 2020, in the amount \$ 2,250,283.40, and comprised of check numbers 152240 through 152496 and wire transfer number 300404.

Summary

The payments on this Claims Roster are comprised of the following issued 03/28/20 - 04/10/20:

Check numbers 152240 through 152496	\$ 2,250,119.16
Wire transfer number 300404	164.24

Total	\$ 2,250,283.40

The above total excludes checks written for payment of refunds and collected amounts due to other entities.

Alternatives

None.

Fiscal Impact

\$ 2,250,283.40.

Through	Lynne Brown Apr 14, 09:26:02 GMT-0700 2020
Dept Head Approval	Dan Legard Apr 14, 10:19:52 GMT-0700 2020
City Mgr Approval	Marie Mosley Apr 16, 17:25:57 GMT-0700 2020

Recommendation

That City Council award Contract P2001-20 2020 City-Wide Asphalt Overlay project to Inland Asphalt Co., in the amount of \$1,532,532.32, plus a 20% contingency amount of \$306,506.46, for a total amount of \$1,839,038.78.

Motion for Consideration

I move to award Contract P2001-20 2020 City-Wide Asphalt Overlay project to Inland Asphalt Co., in the amount of \$1,532,532.32, plus a 20% contingency amount of \$306,506.46, for a total amount of \$1,839,038.78.

Summary

Four (4) bids were received on April 7, 2020 at 10:00 a.m.

Inland Asphalt Co.	\$1,532,532.32	Engineer's Estimate:	\$1,806,081.25
Central Washington Asphalt, Inc.	\$1,571,919.65		
Central Paving, LLC	\$1,629,259.75		
Granite Construction Co.	\$1,642,103.10		

This pavement preservation project involves overlaying the following streets, W. 10th Ave. (S. Kellogg St. to S. Union St.), N. Edison St. (W. Hood Ave to W. Okanogan & W. Canal Dr. to SR-240), W. Hildebrand Blvd. (Canyon Lakes Dr. west 500'), and S. Ledbetter St. (Canyon Lakes Dr. south 425' including intersection). Work will involve planing (grinding), HMA overlay, minor traffic signal work, concrete sidewalk ramp upgrades, pavement lane striping and markings and other related work as called for in the plans and specifications.

A 20% contingency is recommended in lieu of the typical 10% in order to provide opportunity for additional work to be incorporated into the project to utilize unused Pavement Preservation budget for the 2019-2020 biennium.

State law requires that we award contracts to a responsible bidder with the lowest responsive bid. We have reviewed all bids and determined them all to be responsive. We are recommending award of this project to Inland Asphalt Co., who we have determined to be a responsive bidder with the lowest responsive bid.

Alternatives

Not award the bid.

Recommendation

That Council approve the request from Visit Tri-Cities and the Tri-City Regional Hotel-Motel Commission to release reserve funds in the amount of \$417,700.

Motion for Consideration

I move to support the request from Visit Tri-Cities and the Tri-City Regional Hotel-Motel Commission to release reserve funds in the amount of \$417,700 in excess funds from the Tourism Promotion Area (TPA) Reserve Funds.

Summary

The attached request is to approve the release of \$417,700 from the TPA Reserves to help tourism related projects including digital, print and television advertising and promotions to increase leisure travel stays and secure new conventions and sport tournaments. The use of reserves has been reviewed and approved by the Tri-City Regional Hotel-Motel Commission. The TPA policy is to maintain the reserves at \$500,00 and that requirement will continue to be achieved. As indicated in the attached request, there is a surplus of over \$428,500 for allocation. By approving this request, we will put the tourism promotion area dollars (that have been accumulated above the reserve requirement) to use in our community.

Visit Tri-Cities continues to monitor their budget and make adjustments based on reduced revenues as a result of fewer hotel stays due to COVID-19. They will continue to focus on programs and projects that will help boost the tourism industry and the economy once the COVID-19 restrictions are lifted. Staff continues to have a very good partnership with Visit Tri-Cities and will work closely with them throughout the year.

March 16, 2020

Ms. Marie Mosley
City of Kennewick
P.O. Box 6108
Kennewick, WA 99336

Dear Ms. Mosley:

Thank you for the opportunity to present the Visit Tri-Cities 2019 Annual Report, 2020 Work Plan and to make a request to utilize Tourism Promotion Area reserve funds to the Kennewick City Council on Tuesday, March 24, 2020.

On behalf of the Tri-City Regional Hotel-Motel Commission, Visit Tri-Cities would like to request the transfer of \$417,700 from Tourism Promotion Area Reserve Account to be used for supplemental tourism related projects.

We prepare the Tourism Promotion Area (TPA) budget in July of each year for the following calendar year. As is the case with most every budget process, there are always more worthy projects to be considered than funds to support them. We manage our resources carefully to ensure our expenses never exceed our projected income and we budget conservatively. As a result, the TPA Commissioners have identified \$428,525 in funds available for reinvestment in tourism related projects.

The funds available for project investment are in addition to the minimum reserve requirement of \$500,000, the amount set based on the recommendation of the City Managers who participate in at Commission meetings as Ex-Officios. It is the Commission's position that once the reserve account reaches this level, that any additional funds should actively be used to promote the Tri-Cities as a destination; creating increased visitor spending in the community. The projects under consideration accomplishes that goal.

Given that the balance of the Tourism Promotion Area Reserve Account exceeds the level of \$500,000; the Commissioners of the Tri-City Regional Hotel-Motel Commission have voted in favor of re-investing the surplus revenues, in the amount of \$417,700 that will help tourism related projects including digital, print and television advertising and promotions to increase leisure travel stays and secure new conventions and sports tournaments. Additional projects include digital displays, a mobile application for building itineraries, and support for media outreach and iconic citywide events. A summary of the projects and the associated expenditures is attached for your review.

Again, thank you for your consideration and support of the tourism industry. I am available for any questions or comments you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Novakovich", with a stylized flourish at the end.

Michael Novakovich
President and CEO

Enclosure

TPA Proposed Reinvestments

TBEX 2021 Conference

\$75,000

The Tri-Cities has the opportunity to host the Travel Blog Exchange (TBEX) North America 2021 Conference. TBEX is the largest conference and networking event for travel writers, online travel journalists, new media content creators, travel brands and industry professionals. This conference has the potential to bring more than 450 qualified travel writers to our community, not only for the educational component offered at the conference, but to experience all the Tri-Cities has to offer. This group of content creators has a reach of more than 300 million consumers worldwide. Bringing this event to the Tri-Cities would have a substantial impact for tourism and boon to our local economy.

The criteria for selection is the host destination must be able to demonstrate they can meet all the event specifications, offer creative and unique story potential, and provide a resourceful and efficient team (Visit Tri-Cities staff) to work with TBEX. The destination and their sponsors are responsible for providing the following:

Platinum Sponsorship at 2020 Conference (\$12,500)

Attend conference prior to the one we are hosting as a platinum sponsor.

Transportation Costs (\$62,500)

Host Roundtrip airfare and ground transportation for 50 VIPs, speakers and staff during conference.

IRONMAN Event Support

\$75,000

Visit Tri-Cities is pursuing a bid to host a world-renowned IRONMAN event. As with most large national/international sporting events there is a requirement for financial support from the organizers. This financial support would only be incurred if the event is awarded to the destination. IRONMAN is one of the world's strongest brands, famous for being the premier full-distance and half-distance triathlon series. Every IRONMAN race consists of a unique 2.4-mile swim, 112-mile bike, and 26.2-mile run. IRONMAN events typically attracts more than 2,000 participants and over 5,000 spectators for each event and generate between \$4-7 million in economic impact for host destinations.

Contract Staff Position

\$75,000

Contract person/company to sell TBEX sponsorships to offset costs associated with hosting the conference and act as event planner/coordinator. This person would also be used to assist with Ironman fundraising, partnerships and event logistics.

Digital Displays

\$86,600

By investing in digital displays, staff will have the ability to captivate audiences with custom dynamic promotions, pre-developed interactive content, or immediate uploads. Digital signage will create a one-of-a-kind visual experience and engage customers in ways that our competition isn't.

Social Wall (\$3,300)

A custom social wall displayed in the Visit Tri-Cities Visitor Center that integrates with social networks to display real-time engagement and social connections. Highlight current campaigns and activities through a digital reach.

Outdoor Kiosk (\$47,700)

- Kiosk - \$13,500
- Kiosk Display - \$2,000
- Data integration, analytics, CMS, data tools - \$14,500
- Maps, events, guestbook, itinerary - \$10,500
- Annual Support - \$7,200

Integration of Existing Airport and Convention Center Kiosk (\$8,600)

- Integration to OMNI systems from current - \$5,000
- Annual Support - \$3,600

LED Digital Tradeshow Display - \$27,000

A portable LED digital display will be utilized to enhance our current tradeshow booth atmosphere with the most up-to-date technology. The LED is a self-contained turnkey video display stand with an integrated media player and local storage that can play back any jpeg, video or visual media via USB or Wi-Fi. Due to its custom features, the display will have the capacity to be utilized at multiple tradeshows covering a variety of markets, including golf, wine, sports and conventions.

Omni Visitor Itinerary App

\$10,100

Mobile app (for iOS and Android) for travel and tourism. Custom built that integrates with existing CRM/CMS systems. Features include custom, interactive maps, trails, transportation options to connect locals and visitors. Unique tools to allow reward-based engagement from scavenger hunts, interactive trails, ale trails. The ability to control and share options between kiosk, digital signage bringing to life the connection between personal devices and onsite engagement.

- OMNI App - \$6,500
- Annual Support - \$3,600
- Maps, events, guestbook, itinerary (included in kiosk above)

New Market Advertising - Chicago

\$18,000

Visit Tri-Cities is expanding into new geographic markets to increase awareness of the Tri-Cities as a premier destination for wine, outdoor recreation and STEM tourism.

Digital Advertising (\$10,000) - Advertising to increase awareness of the Tri-Cities region as a premier destination in the Pacific Northwest and support media relations efforts in the Chicago area. Tactics may include programmatic, OTT (streaming television), social advertising and more.

Chicago Fam Tour (\$8,000) - A direct daily flight will debut in June and Visit Tri-Cities has the opportunity to promote the region in tandem with the Port of Pasco's advertising efforts. The FAM would host up to five travel writers and content creators associated with Chicago travel and/or lifestyle publications.

Increase 2020 Opportunity Fund

\$48,000

In recent years the number of applicants for opportunity funds has increased and there has been some concern that budget constraints would cause the funds committed to be depleted before all requests for the year are considered. The 2020 budget did not allow for an increase to the opportunity fund due to

other commitments. This increase would be applied to grants for events taking place in 2020 above the budgeted \$90,000.

Increase Quick Response Fund

\$15,000

The quick response fund allows the CEO to make opportunity fund grants to qualified groups if there is an immediate need before the next Tri-City Hotel-Motel Commission is scheduled. It allows for flexibility and ensures groups are not lost due to timing.

Wine Tourism Tradeshow Booth Upgrade

\$10,000

Visit Tri-Cities hosts a booth at Taste Washington and other consumer wine events in the Pacific Northwest to promote the region as a premier wine destination. Upgrades would include new décor and interactive components to engage attendees and increase awareness of the Tri-Cities.

Media Outreach Fam Tours

\$ 5,000

Visit Tri-Cities is putting an emphasis on media relations efforts in 2020 with a goal of hosting 22 travel writers in the destination for various themed FAM tours including focuses on STEM, wine and outdoor recreation. Targeted publications include regional travel and/or lifestyle publications such as SIP Northwest, Seattle Met, Portland Monthly, Sunset Magazine as well as writers associated with travel sections for metropolitan newspapers such as The San Francisco Chronicle.

TOTAL: \$417,700

Recommendation

Authorize the City Manager to sign an agreement for services with Aspect Consulting, LLC for the 2020 Stormwater Comprehensive Plan update.

Motion for Consideration

I move to authorize the City Manager to sign an agreement for services with Aspect Consulting, LLC for the 2020 Stormwater Comprehensive Plan update.

Summary

The last time a Stormwater Comprehensive Plan (SCP) was performed for the City of Kennewick was 2007. Since that time, changes have been made to our NPDES Eastern Washington Phase II Municipal Stormwater Permit, and to the Eastern Washington Stormwater Management Manual. Additionally, several stormwater capital projects have been completed, and we have updated our standards to reflect more successful stormwater design/construction practices. We also have a designated stormwater utility fund in place to accomplish the program.

This work will bring our SCP up to date, including our Ecology-required Stormwater Management Program, and will produce a new 10-year Capital Improvement Program, with projects and cost estimates. It will analyze and make recommendations on how to move our stormwater program forward in the most efficient and cost-effective manner.

Staff has negotiated an agreement with Aspect Consulting, LLC, an expert in the field of stormwater comprehensive planning.

Negotiated agreement amount: \$205,883
Contingency amount: \$ 14,117 for unknown/undefined work.
Total: \$220,000

This is well under the \$300,000 budgeted for this item in the 2019-2020 biennium. Staff recommends approval of the agreement with Aspect Consulting, LLC., with a \$14,117 contingency, for a maximum agreement amount of \$220,000.

Alternatives

None recommended.

Fiscal Impact

Expends up to \$220,000 of \$300,000 budgeted under Budget Item 405.010.531.50.41.11

AGREEMENT BETWEEN CITY AND CONSULTANT

THIS AGREEMENT, is made between the City of Kennewick, PO Box 6108, 210 W. 6th Ave., Kennewick, Washington, (hereinafter referred to as the "City"), and Aspect Consulting, LLC, 350 Madison Avenue N, Bainbridge Island, Washington (hereinafter referred to as the "Consultant").

WITNESSETH:

1) SCOPE OF WORK AND AGREEMENT CONTENTS

- a) The Consultant shall furnish all services, labor and related equipment necessary to conduct and complete the work as designated in this Agreement. The Consultant shall provide stormwater planning and design services for the 2020 Stormwater Comprehensive Plan Project.
- b) This Agreement consists of this Agreement, and other documents listed below issued prior to the execution of this agreement and all modifications and change orders issued subsequent thereto. These form the entire agreement and all are as fully a part of the Agreement as if attached to this Agreement or repeated herein. In the event of a conflict between documents the order of precedence will be the order listed below. An enumeration of the Agreement documents is set forth below:
 - (i) This Agreement No. P-2008 between the City and Consultant.
 - (ii) Exhibit A: Scope of Work

2) GENERAL REQUIREMENTS

- a) The Consultant shall attend status, progress, and coordination meetings with the designated City of Kennewick representatives, or such federal, community, state, city or county officials, groups or individuals as may be requested by the City. If additional meetings are requested, the City will provide the Consultant sufficient notice prior to those meetings requiring Consultant participation.
- b) The Consultant shall prepare a monthly progress report if requested, in a form approved by the City, that will outline in written and/or graphical form the various phases and the order of performance of the work in sufficient details so that the progress of the work can easily be evaluated.

3) TIME FOR BEGINNING AND COMPLETION

The Consultant shall not begin any work under the terms of this Agreement until authorized in writing by the City. Consultant agrees to use best efforts to complete all work described under this Agreement in accordance with the schedule included in Exhibit A.

4) PAYMENT

- a) The City shall pay the Consultant an amount not to exceed two hundred five thousand eight hundred eighty three dollars (\$205,883) to complete the services rendered under this Agreement. Payment shall be made on a "time and materials" basis. Payment as identified in this section shall be full compensation for all work performed or services rendered, and for all labor, materials, supplies, equipment, and incidentals necessary to complete the work specified in Exhibit A – Scope of Work.
- b) Invoices not in dispute by the City will be paid within thirty (30) days and shall reference the contract number and/or purchase order applicable to the work. The invoice shall provide sufficient detail on the work being billed and include detailed receipts for any invoices
- c) Partial payments to cover the percentage of work completed may be requested by the Consultant. These payments shall not be more than one (1) per month.
- d) Pre-approved travel, meals and lodging will be reimbursed at cost and only when consultant travels at least 150 miles per one way trip. Reimbursable expenses are limited to the following: coach airfare, ground transportation (taxi, shuttle, car rental), hotel accommodations at the government rate, personal or company vehicle use at the then-current federal mileage rate, and meals at the current federal per-diem meal allowance.
- e) Reimbursement for extra services/reimbursable expenses are not authorized under this Agreement unless detailed in the Scope of Work or agreed upon in writing as a modification to this Agreement.
- f) The Consultant will allow access to the City, the State of Washington, the Federal Grantor Agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts, and transcriptions. Unless otherwise provided, said records must be retained for three years from the date of receipt of final payment. If any litigation, claim, or audit arising out of, in connection with, or relating to this contract is initiated before the expiration of the three-year period, the records shall be retained until such litigation, claim, or audit involving the records is completed.

5) INDEPENDENT CONTRACTOR

- a) The Consultant, and any and all employees of the Consultant or other persons engaged in the performance of any work or services required of the Consultant under this Agreement, are independent contractors and shall not be considered employees of the City. Any and all claims that arise at any time under any Workers' Compensation Act on behalf of said employees or other persons while so engaged, and any and all claims made by a third

party as a consequence of any negligent act or omission on the part of the Consultant's employees or other persons engaged in any of the work or services required to be provided herein, shall be the sole obligation and responsibility of the Consultant.

6) OWNERSHIP OF DOCUMENTS

- a) All designs, drawings, specifications, documents, reports and other work products prepared pursuant to this Agreement, shall become the property of the City upon payment to the Consultant of the fees set forth in this Agreement. The City acknowledges the Consultant's plans and specifications, including all documents on electronic media, as instruments of professional services. The plans and specifications prepared under this Agreement shall become the property of the City upon completion of the services and payment in full of all payment due to the Consultant. The City may make or permit to be made any modifications to the plans and specifications without the prior written authorization of the Consultant. The City agrees to waive any claim against the Consultant arising from any unauthorized reuse of the plans and specifications, and to indemnify and hold the Consultant harmless from any claim, liability or cost arising or allegedly arising out of any reuse of the plans and specifications by the City or its agent not authorized by the Consultant.

7) TERMINATION

- a) This Agreement may be terminated by either party upon thirty (30) days' written notice. In the event this contract is terminated by the Consultant, the City shall be entitled to reimbursement of costs occasioned by such termination by the Consultant. In the event the City terminates this Agreement, the City shall pay the Consultant for the work performed, which shall be an amount equal to the percentage of completion of the work as mutually agreed between the City and the Consultant.
- b) If any work covered by this Agreement shall be suspended or abandoned by the City before the Consultant has completed the assigned work, the Consultant shall be paid an amount equal to the costs incurred up to the date of termination or suspension as mutually agreed upon between the City and the Consultant.

8) DISPUTE RESOLUTION

- a) The City and the Consultant agree to negotiate in good faith for a period of thirty (30) days from the date of notice of all disputes between them prior to exercising their rights under this Agreement, or under law.
- b) All disputes between the City and the Consultant not resolved by negotiation between the parties may be arbitrated only by mutual agreement of the City and the Consultant. If not mutually agreed to resolve the claim by arbitration, the claim will be resolved by legal action.

9) DEBARMENT CERTIFICATION

- a) The Consultant certifies that neither the Consultant nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this contract by any federal or state department or agency. Further,

the Consultant agrees not to enter into any arrangements or contracts related to completion of the work contemplated under this Agreement with any party that is on the "General Service Administration List of Parties Excluded from Federal Procurement or Non-procurement Programs" which can be found at:

www.sam.gov and

<http://www.lni.wa.gov/TradesLicensing/PrevWage/AwardingAgencies/default.asp>

10) VENUE, APPLICABLE LAW AND PERSONAL JURISDICTION

a) In the event that either party deems it necessary to initiate a legal action to enforce any right or obligation under this Agreement, the parties agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Benton County. The parties agree that all questions shall be resolved by application of Washington law, and that the parties to such action shall have the right of appeal from such decision of the Superior Court in accordance with the laws of the State of Washington. The Consultant hereby consents to the personal jurisdiction of the Superior Court of the State of Washington situated in Benton County.

11) ATTORNEY'S FEES

a) The parties agree that should legal action be necessary to enforce any of the provisions of this Agreement, that the prevailing party will be awarded its reasonable attorney's fees and costs in action, including costs and attorney's fees on appeal if appeal is taken.

12) INSURANCE

a) Insurance Term

The Consultant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

b) No Limitation

The Consultant's maintenance of insurance as required by the Agreement shall not be construed to limit the liability of the Consultant to the coverage provided by such insurance, or otherwise limit the Owner's recourse to any remedy available at law or in equity.

c) Minimum Scope of Insurance

The Consultant shall obtain insurance of the types and coverage described below:

1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be as least as broad as Insurance Services Office (ISO) form CA 00 01.
2. Commercial General Liability insurance shall be at least as broad as ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, stop-gap independent contractors and personal injury and advertising injury. The Owner shall be named as an additional insured under the Consultant's Commercial General Liability insurance policy with respect to the work performed for the Owner using an additional insured endorsement at least as broad as ISO CG 20 26.

3. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.
4. Professional Liability insurance appropriate to the Consultant's profession.

d) Minimum Amounts of Insurance

The Consultant shall maintain the following insurance limits:

1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.
2. Commercial General Liability insurance shall be written with limits no less than \$1,000,000 each occurrence, \$2,000,000 general aggregate.
3. Professional Liability insurance shall be written with limits no less than \$1,000,000 per claim and \$1,000,000 policy aggregate limit.

e) Other Insurance Provision

The Consultant's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain that they shall be primary insurance as respect the Owner. Any insurance, self-insurance, or self-insured pool coverage maintained by the Owner shall be excess of the Consultant's insurance and shall not contribute with it.

f) Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

g) Verification of Coverage

The Consultant shall furnish the Owner with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Consultant before the Owner shall issue a Notice to Proceed.

h) Notice of Cancellation

The Consultant shall provide the Owner with written notice of any policy cancellation within two business days of their receipt of such notice.

i) Failure to Maintain Insurance

Failure on the part of the Consultant to maintain the insurance as required shall constitute a material breach of contract, upon which the Owner may, after giving five business days' notice to the Consultant to correct the breach, immediately terminate the contract or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the Owner on demand, or at the sole discretion of the Owner, offset against funds due the Consultant from the Owner.

j) Owner Full Availability of Consultant Limits

If the Consultant maintains higher insurance limits than the minimums shown above, the Owner shall be insured for the full available limits of Commercial General and Excess or Umbrella liability maintained by the Consultant, irrespective of whether such limits maintained by the Consultant are greater than those required by this contract or whether

any certificate of insurance furnished to the Owner evidences limits of liability lower than those maintained by the Consultant.

13) INDEMNIFICATION / HOLD HARMLESS

- a) Consultant shall defend, indemnify, and hold the City, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, caused by the negligent or wrongful acts, errors or omissions of the Consultant or the Consultant's employees or agents in performance of this Agreement, except for injuries and damages caused by the sole negligence of the City.
- b) Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the City, its officers, officials, employees, and volunteers, the Consultant's liability, including the duty and cost to defend, shall be only to the extent of the Consultant's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Consultant's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

14) STANDARD OF CARE

- a) The professional services will be furnished in accordance with the care and skill ordinarily used by members of the same profession practicing under similar conditions at the same time and in the same locality.
- b) Consultant shall be entitled to rely on the accuracy and completeness of information provided by the City to Consultant in performance the Work.

15) SUCCESSORS OR ASSIGNS

- a) All of the terms, conditions and provisions hereof shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns; provided, however, that no assignment of the Agreement shall be made without written consent of the parties to the Agreement.

16) EQUAL OPPORTUNITY AGREEMENT

- a) The Consultant agrees that s/he will not discriminate against any employee or job applicants for work under this Agreement for reasons of race, sex, nationality, religious creed, sexual orientation, or any other protected class status.

17) PARTIAL INVALIDITY

- a) Any provision of this Agreement which is found to be invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability, and the invalidity or unenforceability of such provision shall not affect the validity or enforceability of the remaining provisions hereof.

18) AMENDMENTS

- a) All amendments must be in writing and be approved and signed by both parties.

19) CHANGE IN LAW

- a) The parties hereto agree that in the event legislation is enacted or regulations are promulgated, or a decision of court is rendered, or any interpretive policy or opinion of any governmental agency charged with the enforcement of any such law or regulation is published that affects or may affect the legality of this Agreement or any part thereof or that materially and adversely affects the ability of either party to perform its obligations or receive the benefits intended hereunder ("Adverse Change in Law"), then within fourteen (14) days following written notice by either party to the other party of such adverse change in law, the parties shall meet to negotiate in good faith an amendment which will carry out the original intention of the parties to the extent possible. If, despite good faith attempts, the parties cannot reach agreement upon an amendment within sixty (60) days after commencing negotiation, then this Agreement may be terminated by either party as of the earlier of: (i) the effective date of the adverse change in law, or (ii) the expiration of a period of sixty (60) days following written notice of termination provided by one party to the other.

20) CONFIDENTIALITY

- a) In the course of performing under this Agreement, Consultant, including its employees, agents or representatives, may receive, be exposed to, or acquire confidential information. Confidential information may include, but is not limited to, patient information, contract terms, sensitive employee information, or proprietary data in any form, whether written, oral, or contained in any computer database or computer readable form. Consultant shall: i) not disclose confidential information except as permitted by this Agreement; ii) only permit use of such confidential information by employees, agents and representatives having a need to know in connection with performance under this Agreement; and (iii) advise each of its employees, agents, and representatives of their obligations to keep such information confidential.

21) CHANGES OF WORK

- a) When required to do so, and without any additional compensation, the Consultant shall make such changes and revisions in the completed work of this Agreement as necessary to correct or revise any negligent errors, omissions, or other deficiencies in the design, drawings, specifications, reports, and other similar documents which the Consultant is responsible for preparing or furnishing under this Agreement.
- b) Should the City find it desirable for its own purposes to have previously satisfactorily completed work or parts thereof changed or revised, the Consultant shall make such revisions as directed by the City. This work shall be considered as Extra Work and will be paid for as herein provided under Section 22, Extra Work.

22) EXTRA WORK

- a) The City may desire to have the Consultant perform work or render additional services within the general scope of this Agreement. Such work shall be considered as extra work

and will be specified in a written supplement to this Agreement which will set forth the nature of the scope, schedule for additional work, additional fees and the method of payment. Work under a supplemental Agreement shall not proceed until authorized in writing by the City.

23) PUBLIC DISCLOSURE

- a) The parties to this Agreement understand and acknowledge that the City is subject to the Public Records Act, RCW 42.56 et seq. If the City receives a public records request for this agreement and/or for documents and/or materials provided to the City under this agreement, generally such information will be a public record and must be disclosed to the public records requester. However, the City agrees to notify the Consultant if it receives such a public records request and the date the City plans to release the records. If the Consultant fails to obtain a protective order from the applicable court prior to the time the City releases the records to the public records requester, the Consultant shall be deemed to have given the City full authority to release the records on the date specified, and the Consultant understands it has thereby given up all rights to challenge the disclosure in any forum.

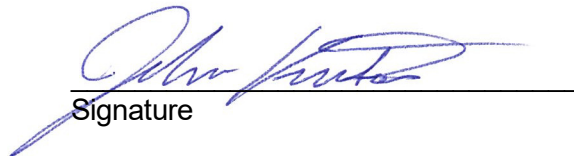

This Agreement/Contract may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement/Contract may be delivered by facsimile or other electronic means and those signatures shall be treated as original signatures for all applicable purposes. The person signing this Agreement/Contract for Aspect Consulting, LLC represents that he or she has full and proper authority to do so and to bind the party which they are representing. This Agreement/Contract will become binding on the date of last execution hereon:

EXECUTED THIS 21st day of April, 2020.

2020 STORMWATER COMPREHENSIVE PLANNING PROJECT

Scope of Work for the City of Kennewick

Aspect Consulting, LLC

Prepared April 14, 2020

Background

The City of Kennewick (City) has retained Aspect Consulting, LLC (Aspect) provide stormwater planning services for the 2020 Stormwater Comprehensive Planning project (Project).

Aspect understands that some of the project work for the 2020 Stormwater Comprehensive Plan (SCP) will be led by City staff with Aspect's support and some work will be led by Aspect with City support. Based on direction from the City, the SCP will be composed of the following sections:

Executive Summary

Section 1 – Introduction

Section 2 – City Stormwater Drainage System

Section 3 – Regulatory Requirements

Section 4 – City Stormwater Management Program

Section 5 – Capital Improvements Program

Section 6 – Future Stormwater Program Recommendations

Regarding the division of work on the SCP:

- ✓ City staff will author the initial draft of the Executive Summary and Sections 1-4 and 6 of the SCP.
- ✓ Aspect will Complete technical work related to drainage problem areas and write Section 5 of the SCP (*Tasks 1-5*). Aspect will prepare a 10-year stormwater capital improvement program (CIP) for inclusion in the SCP. The CIP development work will differentiate between higher priority projects and mid-level or lower priority projects. A higher level of analysis and more detailed evaluation, scheduling, cost estimates, and project cut-sheets will be completed for the higher priority projects. Mid-level and lower priority projects are assumed to be out-year projects (after 10 years). Out-year projects will be tabulated for informational purposes, and will include an overview/location map, simple descriptions of problems and likely solutions, and with order of magnitude costs. More detailed analysis may be needed in the future for the medium and lower priority projects, which can be done through future project specific studies or updates of the SCP.

CIP development work includes planning and conducting infiltration tests in locations of proposed infiltration ponds or trenches; followed by data analysis, recommendations about the feasibility of infiltration at each site, and preliminary estimates of design infiltration rates.

Exhibit A – Scope of Work

Infiltration testing work will include some areas/sites identified in the 2019 Southridge Area Stormwater Master Plan. Infiltration testing will be at a screening level, no survey work will be done, but GPS locations will be noted. It is assumed that Aspect will provide an excavator and operator (subcontractor) to excavate and backfill test pits. It will be assumed that water for testing will be supplied by local hydrants free of charge.

It is assumed that only a simple repair and replacement (R&R) project funding approach will be used, resulting in recommendations for a reasonable ongoing R&R fund. The City currently budgets \$150,000 per year for drywells and spot improvements and issues a small works contract for these kinds of stormwater improvements.

In addition, as requested by the City, Aspect's Project work will include:

- ✓ *(Task 6)* - A review of the 2019 NPDES II Permit requirements and schedules, comparison to the City's existing stormwater program, and development of an annual checklist to help the City track and implement Permit requirements. This work will be at a mock audit overview level, it will not include a detailed regulatory gap analysis.
- ✓ *(Task 7)* - Reviewing available Ecology-approved stormwater BMPs for treatment, flow control, and erosion control, and recommending a sub-set of BMPs for use on new development and redevelopment sites within the City. This work will build on the experiences of the City as well as other jurisdictions and will address variable soil and groundwater conditions. Readily available digital specifications and details will be assembled for the preferred BMPs for incorporation into the City's standards and specifications.
- ✓ *(Task 8)* - Preparing a residential-lot checklist and tool kit for developers, engineers, homebuilders, and homeowners to illustrate ways to keep water away from their structures and prevent damage to adjacent property – especially adjacent lower lots in hillside locations and difficult soils.
- ✓ *(Task 9)* - Providing editorial review and comments on the City's sections, providing all tables and figures for the entire SCP, and professionally formatting all content into the final SCP document.

Scope of Work

Aspect's scope of work is provided below. Project work will be performed in close coordination with and input from City engineering and operations staff. Aspect's project management time is embedded in the task budgets and assumes an approximately 8-month schedule to be completed in 2020.

Task 1: Complete Data Review and Field Visits for High Priority Problem Areas

Aspect will:

- 1.1 Gather and review available data and information for City identified problem areas, including: related studies, problem area descriptions and potential solutions provided by the City, photos, maintenance/compliant information, available survey and topographic

Exhibit A – Scope of Work

data, soils information, geotechnical reports, current GIS data (drainage and other utilities, topography, aerial imagery, roads, easements, parcels, etc.), relevant as-built drawings, bid tabulations for recent City projects, and information about recent drainage improvements made by the City.

- 1.2 Use topographic data and storm system maps to complete an initial coarse level delineation of drainage basins and sub-basins in GIS for higher priority projects, estimate hydrologic parameters, and calculate preliminary estimates of runoff rates and volumes to help in the planning process. Preliminary hydrologic calculations will cover the 6-month 24-hour storm through the 100-year, 24-hour storm for estimated build-out conditions, roughly accounting for approximate effects of existing or planned on-site retention or detention systems.
- 1.3 Prepare for and hold a work session meeting (video conferencing) with City staff to: (a) review and discuss problem areas that the City is aware, initial thoughts regarding solutions, and overall prioritization of projects by the City (High, Mid-Level, Lower); and (b) discuss several discrete drainage focus areas (Southridge basin and other larger/regional facility projects such as the 7th Avenue outfall). During the meeting, discussion with City staff will be had about prior stormwater planning, ongoing development patterns, recent stormwater construction projects, and priorities and ideas for special focus areas. Discussions will also include how to approach cost estimating for ongoing repair and replacement (R&R) projects and whether projects such as modifications to City outfalls to the CID canal (installing drywell/infiltration facilities and then allowing overflow in the canals), miscellaneous drywells/infiltration trench retrofits, or treatment retrofits within the wellhead protection area should fall into the R&R category. Meeting preparations will include developing an agenda and meeting packet. Aspect will take notes during the meeting.
- 1.4 Coordinate with the City to prepare for field visits to review high priority problem spots; assess the feasibility of alternative local and regional conveyance and treatment, detention, and retention systems; identify opportunities and constraints; refine drainage basins; and adjust preliminary solutions in preparation for H/H analysis. Preparation will include development of a field work plan and safety plan.
- 1.5 Conduct site assessment field visits. It is assumed that Aspect will complete the site assessment field work over two days. One Aspect staff will complete field work. It is assumed that a City employee, if available, will tour select problem spots with Aspect.
- 1.6 Following the site assessment field work, compile, organize, and file notes, photos, data forms, and marked-up maps. Drainage basins for high priority projects will be updated in GIS as needed.

Task 1 Deliverables

- *Work session agenda and handouts*
- *Field work plan and safety plan*

Task 1 Assumptions

- *City and other agency data is provided free of charge.*

Exhibit A – Scope of Work

- *Work session meeting is 2 hours long.*
- *Site assessment covers no more than 12 higher priority problem spots.*
- *Site visit involves one Aspect staff for two long (10 hour) days.*
- *No review process for the meeting materials or field work plan or safety plan.*
- *No traffic control is required for the site assessment work.*
- *If needed, City acquires any access approvals necessary to tour problem areas.*

Task 2: Identify Feasible Regional Pond Locations for Select Drainage Focus Areas

Aspect will:

- 2.1 Based on discussions with City staff and the results of the field work analyze drainage focus area conditions and identify alternative locations for up to three regional retention or detention ponds that consider: local soil properties, land ownership and easement needs, likely build-out conditions, approximate footprints required, feasibility and conveyance routes to get drainage to the pond locations, overflow routes and potential issues, and compatibility with existing and planned land use. Aspect understands that there are several other regional pond locations in the Southridge area where the pond location is already known, but where infiltration testing (Task 3) and hydrologic analysis and sizing (Task 4) was not done. These ponds will be integrated into Tasks 3-5.
- 2.2 Prepare maps and initial schematics of potential pond locations and associated infrastructure such as access roads, conveyance pipes, and overflow routes.
- 2.3 Prepare for and hold a meeting (teleconference) with City staff to: (a) establish the preferred target level of service for retention or detention pond systems; and (b) review, refine, and finalize the pond locations for further analysis, infiltration testing (Task 3), H/H work, and conceptual sizing/design (Task 4). Meeting preparations will include developing an agenda and meeting packet. Aspect will take notes during the meeting.

Task 2 Deliverables

- *Regional pond meeting agenda and meeting packet (maps and schematics).*

Task 2 Assumptions

- *No review cycle on the meeting agenda and meeting packet.*
- *Up to a two-hour regional pond meeting.*

Task 3: Geotech/Infiltration Testing – for Proposed Ponds & Infiltration Trenches

Aspect will:

- 3.1 Work with the City to select the final locations where screening level infiltration tests will be completed. This scope assumes that up to 7 tests will be conducted (1 test at 7 locations). Pilot Infiltration Tests (PITs) in accordance with the SWMMEW is the preferred infiltration test method for larger BMPs such as regional facilities. If needed, Aspect will work with the City to adjust the infiltration testing regime within the budget.

Exhibit A – Scope of Work

- 3.2 Coordinate with the City to prepare an infiltration testing and safety plan before field work is done. Utility locates and other testing issues will be addressed during the planning process (equipment, schedule, access, depth of test, potential water flow rates and water supplies, traffic control, special safety issues, etc.).
- 3.3 Identify and contract with a local excavation contractor to support pit excavation and backfilling.
- 3.4 Assemble, test, and calibrate testing equipment prior to deployment (flow meters, pressure transducers, data loggers).
- 3.5 Travel to test sites, verify utilities are marked, record GPS locations of the tests, observe excavation of test pits, photograph and log test pit soils, take soil samples for grain size analysis (sieve), and soil treatability testing (% Organic Matter and Cation Exchange Capacity).
- 3.6 Set-up testing equipment and conduct PITs. Periodic manual measurements of water levels will be taken during PITs to verify and back-up transducer readings. Bucket tests will be conducted at the beginning and end of each test to verify flow meter calibration. After the falling head stage is complete, the test pits will be over excavated up to several feet to look for evidence of perched or mounded water due to potential low permeability soils such as bedrock or caliche.
- 3.7 Tear down and clean-up equipment, direct the contractor to backfill pits, return to office, stow equipment.
- 3.8 Submit soil samples for laboratory analysis.
- 3.9 Following field work: (a) analyze infiltration testing data and apply safety factors to estimate design infiltration rates; and (b) review grain size data and soil treatability lab results.
- 3.10 Prepare an Infiltration Testing Memorandum which will become an appendix to the 2020 SCP.

Task 3 Deliverables

- *Infiltration Testing Plan.*
- *Infiltration Testing Memo.*

Task 3 Assumptions

- *No review cycle on the Infiltration Testing Plan or Infiltration Testing Memo.*
- *No permitting or cultural resource review work is needed to conduct PITs.*
- *No survey work is needed.*
- *No active traffic control is needed (signage and cones are adequate).*
- *No pavement cutting/restoration or special access work is needed.*
- *City provides a water source with adequate supply (hydrant or water trucks).*
- *No shoring or special deep excavation work is needed – excavation is completed by a standard backhoe.*

Exhibit A – Scope of Work

- *Eight hours of field time per PIT, for one Aspect staff.*
- *No more than \$10,500 in excavation contractor costs.*
- *No more than \$1,750 in laboratory costs.*

Task 4: Perform Basin Analysis & Flood/Overflow Routing Corridors

Aspect will:

- 4.1 Based on the field work results and previous input from City staff, describe and itemize the key components of recommended projects to solve high priority problems for discussion with the City. This subtask effort will focus on the non-regional pond/infiltration locations (the key project components and locations for regional pond/infiltration locations were either defined in Task 2 or within the 2019 Southridge Area Stormwater Master Plan).
- 4.2 Prepare for and hold a video conference meeting with the City to review and finalize the key project components of the recommended solutions for high priority problem locations. This will cover nine of the eleven high priority locations identified by the City during project scoping (no Aspect support was needed for high priority projects #19 and #20). This includes 6 pond locations in the Southridge that are all covered by the one Southridge high priority area (# 22 on the City's list). Meeting preparations will include developing an agenda and meeting packet. Aspect will take notes during the meeting. The meeting outcome will be a clear definition of the key project components for solutions to high priority drainage problems.
- 4.3 Update drainage basins and hydrologic parameters as needed, set-up hydrology models, and complete H/H work for each high priority problem area. Along with the eight non-Southridge high priority problem locations, this work includes 6 pond locations in the Southridge area where hydrology and sizing was not completed during the 2019 Southridge Area Stormwater Master Plan. Analysis of the regional pond locations will generally involve estimating watershed build-out conditions and completing hydrologic modeling to estimate peak flowrates and volumes flowing to regional ponds during several design storms (up to the 100-year, 24-hour storm).
- 4.4 Use the resulting runoff hydrographs, peak discharges, and volumes to size conceptual stormwater conveyance improvement projects and regional BMP improvement projects to address local and regional project needs and established service levels. The BMP sizing process will account for infiltration testing results where applicable. No analysis will be done of how watershed runoff will be collected and routed to regional ponds to be constructed by private developers.
- 4.5 Complete downstream analyses to identify potential pond overflow routes, associated impacts, and if supplemental drainage system components or upsizing regional facilities should be considered.
- 4.6 Prepare detailed planning level cost estimates (design, permitting and construction) for the high priority projects. Cost estimates for the mid-level and low priority projects will be developed during Task 5.

Exhibit A – Scope of Work

- 4.7 Prepare GIS based cutsheets the high priority projects to guide future design work. Each project cutsheet will include: (a) a brief description of the project, type, key elements, and priority; (b) a location map; (c) GIS level schematics of the footprint and key components; and, (d) the planning level cost estimate.

Task 4 Deliverables

- *High priority problem spot project component meeting materials.*
- *CIP cutsheets will be included for review with Task 5 products.*

Task 4 Assumptions

- *Up to a two-hour meeting to review project components.*
- *Only one solution is analyzed per high priority project area.*

Task 5: Produce 10-Year Capital Improvements Program, Map & Estimate

Aspect will:

- 5.1 Review prior stormwater CIP documents and other CIP information provided by the City and determine the status of previous stormwater projects. Aspect understands that some of the regional ponds analyzed during the project are not intended for construction by the City, but rather the pond information will be used to foster discussions among property owners and developers for ultimate integration into future private development projects. Aspect will coordinate with the City about how to present non-city projects in the CIP.
- 5.2 Prepare a draft set of CIP prioritization criteria based on criteria used for other City CIP documents and other Aspect projects. The CIP prioritization criteria will be reviewed with City staff, adjusted, and finalized.
- 5.3 Prepare recommendations regarding the appropriate sequencing of projects within drainage focus areas (such as Southridge).
- 5.4 Use the prioritization criteria to rank and prioritize discrete stormwater improvement projects for high priority problem areas.
- 5.5 Based on recommended project sequencing and assigned priorities, prepare a draft 10-year schedule for the high priority stormwater projects. Multi-year projects will be shown as such with the activities (design/permitting versus construction) and necessary funding broken out by year.
- 5.6 Use the schedule of projects and project cost estimates to prepare a draft master stormwater CIP table showing recommended projects and costs by year. Projected ongoing R&R funding needs (undesignated projects) will be included. Costs will be escalated as appropriate to reflect inflation.
- 5.7 Prepare a draft stormwater CIP overview map to go along with the schedule of projects and costs. Projects will be coded based on priority and recommended start date.
- 5.8 Prepare a full draft of Section 5 of the SCP, including intro text, discussion of the prioritization process, CIP products (tables, maps) and appendices (such as the project cutsheets and infiltration testing memo). The draft Section 5 will cover the results of the

Exhibit A – Scope of Work

high priority stormwater projects including regional pond locations analysis and will be provided to the City for review and comment.

- 5.9 Prepare for and hold a video conference CIP workshop with City staff to review the draft Section 5 content (project prioritization, sequencing, schedule, and costs) and City comments; and make adjustments to reflect City needs and affordability requirements. Workshop preparations will include developing an agenda and meeting packet. Aspect will take notes during the workshop.
- 5.10 Following the meeting, Aspect will prepare the final stormwater CIP products and Section 5 for integration into the full SCP under Task 9.

Task 5 Deliverables

- *Draft Section 5 with Aspect’s standard comment tracking form.*
- *CIP workshop agenda and meeting packet.*
- *Final Section 5 of the SCP.*

Task 5 Assumptions

- *Up to a two-hour CIP workshop.*
- *Only minor comments on the draft CIP products and related changes. Addressing rework or new/modified project alternatives will require additional Project funding.*

Task 6: 2019 NPDES II Permit Compliance Review and Checklist

Aspect will:

- 6.1 Complete a review of the eastern Washington 2019 NPDES II Permit requirements and schedules and prepare a set of key compliance program review questions corresponding with the NPDES II minimum control measures. Aspect’s existing NPDES II Program Audit forms will be updated for this purpose. The updated forms will be sent to City staff in preparation for NPDES II program review interviews.
- 6.2 Coordinate with the City to schedule and complete up to four NPDES II program review interviews for City staff to answer questions about the status of different facets of the existing stormwater compliance program. Aspect will prepare interview agendas and will take detailed notes during the interviews.
- 6.3 Following interviews, compile and review City responses to the NPDES II program questions, identify areas of concern, and develop related compliance recommendations and schedules.
- 6.4 Develop annual checklists for the remainder of the 2019 Permit term to help the City track and implement requirements.
- 6.5 Prepare a draft NPDES II Program Review Memorandum summarizing the review process, results, and recommendations (with compliance checklists) and provide it to the City for review and comments.
- 6.6 Review City comments, prepare recommended responses, and hold a conference call with the City to obtain direction on the final responses.

Exhibit A – Scope of Work

6.7 Prepare the final NPDES II Program Review Memorandum.

Task 6 Deliverables

- *NPDES II Program Review Forms/Questions.*
- *Draft NPDES II Program Review Memorandum and standard comment tracking form.*
- *Final NPDES II Program Review Memorandum.*

Task 6 Assumptions

- *The program review is not at the level of a detailed regulatory compliance gap analysis.*
- *No funding or cost estimating is included.*
- *Aspect is not required to obtain and review City records related to NPDES II compliance activities.*
- *Each NPDES II program review interview is up to 2 hours long.*
- *City staff come to interviews fully prepared to discuss and answer the NPDES II program questions. The need for additional meetings/calls/emails with City staff, or for Aspect to review City records related to the questions, will require additional project funds.*

Task 7: Identify Stormwater BMPs for Treatment, Flow Control, and Erosion Control

Aspect will:

- 7.1 Prepare for and hold a Stormwater BMP Review Meeting (video conference) with City staff to hear success stories, failures, preferences, and concerns related to stormwater BMPs that have been applied within the City. The meeting will also include City feedback regarding constraints on stormwater BMPs within different areas of the City (bedrock, low permeability soils, shallow groundwater, wellhead protection, enclosed basins, lack of regional conveyance infrastructure, etc.). Aspect will prepare an agenda and take notes during the meeting.
- 7.2 Identify a recommended set of private development treatment, flow control, and erosion control BMPs for potential use within the City that are both compliant with the 2019 SWMMEW and tailored to the range of conditions within the City. This will include structural LID BMPs as well. The set of BMPs will consider the results of the Stormwater BMP Review Meeting and our staff's experience planning and designing stormwater systems in Kennewick and throughout eastern Washington. Emphasis will be placed on lower-cost, lower-maintenance options.
- 7.3 Prepare for and hold a Stormwater BMP Evaluation Workshop with City staff to review and discuss the recommended BMPs and finalize those that the City prefers. Aspect will prepare an agenda and workshop packet and take notes during the workshop.
- 7.4 Assemble readily available BMP details and specifications in electronic form for the City's preferred BMPs and transmit them to City staff for integration into the City stormwater design standards and specifications.

Task 7 Deliverables

- *Stormwater BMP Review Meeting agenda.*

Exhibit A – Scope of Work

- *Stormwater BMP Evaluation Workshop agenda and meeting packet.*
- *BMP schematics, details, and specifications.*

Task 7 Assumptions

- *Work does not include reviewing City stormwater standards and specifications and recommending specific changes.*
- *Stormwater BMP Review Meeting is up to two hours long.*
- *Stormwater BMP Evaluation Workshop is up to two hours long.*

Task 8: Prepare a Residential-Lot Stormwater Mitigation Checklist and Tool Kit for Developers, Engineers, Homebuilders, and Property Owners

Aspect will:

- 8.1 Correspond with City staff about current stormwater drainage concerns related to private lots. This will focus on residential lots, generally within subdivisions.
- 8.2 Itemize key lot drainage issues that should be considered by the City and developers during the subdivision layout and approval process, such as: what is the overall subdivision stormwater management standard; how much lot runoff will be allowed to drain from individual lots into the public road stormwater system for various design storms; how lots should be graded so the allowed amount of runoff will drain to the public road stormwater system without causing problems for neighboring lots; what drainage methods and routes should be provided for properties on the down-slope side of the street so that allowed runoff can make its way to the public road stormwater system without damaging neighboring properties; what tools or BMPs can be used on individual lots to retain runoff as required; and how is the construction and ongoing O&M of on-lot BMPs going to be assured.
- 8.3 Identify a suite of small lot BMPs that are suitable for use within Kennewick, examples are: downspout infiltration systems, rain gardens, dispersion systems, infiltration trenches, etc. These are the types of BMPs that could be used at the lot-level to: (a) ensure that the entire subdivision meets the stormwater standard; and (b) prevent the creation of private property drainage problems and nuisance complaints.
- 8.4 Building on the issues identified in Task 8.2, prepare a checklist for developers, engineers, homebuilders, and property owners to illustrate the lot-level drainage issues that need to be considered, covered, and committed to during the subdivision lot layout, review, and approval process.
- 8.5 Building on the suite of on-lot BMPs identified in Task 8.3, prepare a draft tool kit for developers, engineers, homebuilders, and property owners to use when deciding how to meet onsite stormwater retention requirements and prevent their runoff from negatively affecting their neighbors. The tool kit will include on-lot BMP details, BMP applicability criteria, BMP design and construction standards, and ongoing BMP O&M requirements. Aspect will draw from available examples when developing the City's tool kit.

Exhibit A – Scope of Work

- 8.6 Submit the draft checklist and tool kit to the City for review and comment. Review City comments, prepare recommended responses, and hold a conference call with the City to obtain direction on the final responses.
- 8.7 Prepare the final Residential-Lot Stormwater Mitigation Checklist and Tool Kit.

Task 8 Deliverables

- *Draft City of Kennewick Residential-Lot Stormwater Mitigation Checklist and Tool Kit.*
- *Final City of Kennewick Residential-Lot Stormwater Mitigation Checklist and Tool Kit.*

Task 8 Assumptions

- *To reduce effort, Aspect develops the tool kit from available templates.*
- *Only minor changes due to comments on the draft Residential-Lot Stormwater Mitigation Checklist and Tool Kit (no significant re-work).*

Task 9: Provide Technical Editing, Formatting, Graphics, and Production Services for the Full SCP

Aspect will:

- 9.1 Provide editorial review and comments on the City's SCP sections.
- 9.2 Provide all tables and figures for the entire SCP.
- 9.3 Professionally format all content into a full draft SCP document and submit it for City review and comments.
- 9.4 Review City comments and hold a conference call with the City to obtain direction to prepare the final SCP.
- 9.5 Prepare the final 2020 SCP.

Task 9 Deliverables

- *Comments on the City's SCP sections.*
- *Tables and figures for the entire SCP.*
- *Full draft SCP document and standard comment tracking form.*
- *Final 2020 SCP.*

Task 9 Assumptions

- *City SCP sections are substantially complete. Other than figures and tables, no new content or corrections are generated by Aspect and minimal Aspect edits are needed.*
- *No more than \$8,000 budget for tables/figures/graphics.*
- *Digital products, no hard copies.*
- *Only minor changes due to comments on the draft SCP (no significant re-work).*

Recommendation

That City Council authorize the Mayor (or in his absence Mayor Pro Tem) to sign the Final Plat of Southridge Phase V contingent upon payment of fees and bonding for incomplete sidewalk and landscape work.

Motion for Consideration

I move to authorize the Mayor (or in his absence Mayor Pro Tem) to sign the Final Plat of Southridge Phase V contingent upon payment of fees and bonding for incomplete sidewalk and landscape work.

Summary

An application has been submitted by Ben Kruse, for the Final Plat of Southridge Phase V. The plat consists of 27 lots on 7.72 acres, located north of Hildebrand Boulevard and west of Grant Street. The site is currently zoned Residential Low Density (RL), which allows a minimum lot size of 7,500 square feet. The smallest lot is 8,438 square feet, the largest lot is 13,180 square feet and the average lot size is 9,229 square feet. The Preliminary Plat of Southridge was approved by the City Council's Resolution Number 05-26 on July 6, 2005.

Staff has reviewed the final plat application and has found it to be in conformance with all applicable City development regulations. Prior to signing the Final Plat, the outstanding conditions will be met, in addition to payment of fees and bonding for incomplete sidewalk and landscape work. Following Council approval and plat signatures, the plat can be recorded and lots sold to individual owners.

Alternatives

No alternatives were reviewed or are recommended as the applicant has met the applicable standards.

Fiscal Impact

None

Recommendation

That City Council authorize the Mayor to sign the interlocal agreement with the City of Richland for the Steptoe/Gage Intersection Improvements Project.

Motion for Consideration

I move to authorize the Mayor to sign the Steptoe/Gage Intersection Improvements Project Interlocal Agreement with the City of Richland.

Summary

Staff was successful in acquiring a Federal Grant through the Surface Transportation Block Group program for Design, purchase of Right-Of-Way, and Re-construction of the Steptoe/Gage Intersection. The scope of work consists of providing dual left turn lanes on each approach as well as new dedicated right turn lanes on the southbound and eastbound legs. Traffic signal timing will be optimized with this configuration along with the elimination of split phase timing. Major utility relocations will also be required in order to accommodate the intersection improvements.

The proposed interlocal agreement establishes a partnership between Kennewick and Richland to implement the federally funded intersection improvement project, since a portion of the project resides in the city limits of Richland. Kennewick will be the lead agency participating at 75% while Richland will participate at the remainder match of 25%. The funding share was established to reflect the intersection configuration which has three approaches in Kennewick and one in Richland.

Total project cost is estimated at \$3,730,000 with a Federal allocation of \$3,226,450 and Local Match of \$503,550. Kennewick's 75% share of Local Match calculates out to \$377,662.50, while Richland's 25% share calculates out to \$125,887.50.

Construction is estimated for Summer, 2022.

Alternatives

None.

Fiscal Impact

Urban Arterial Street Fund: \$377,662.50

**Interlocal Agreement
Between the City of Kennewick and the City of Richland
For the Steptoe Street & Gage Boulevard Intersection Improvements Project**

This AGREEMENT, made and entered into this ____ day of _____, 2020, between the City of Kennewick (hereinafter called "KENNEWICK") and the City of Richland (hereinafter called "RICHLAND"), collectively hereinafter referred to as the "PARTIES."

WHEREAS, KENNEWICK will be undertaking the task for preliminary design engineering, public involvement, environmental studies, right-of-way acquisition, utility relocations, bidding, construction of the project, and associated work all of which is hereinafter called the PROJECT, and

WHEREAS, KENNEWICK has identified the PROJECT in their Six-year Transportation Improvement Programs, and

WHEREAS, the PROJECT consists of providing dual left turn lanes on each approach as well as constructing new dedicated right turn lanes on the north and west legs of the Steptoe Street & Gage Boulevard Intersection, and

WHEREAS, the PROJECT will require coordination with various utilities that will be impacted by the intersection improvements, and

WHEREAS, the PROJECT shall also include appraising, negotiating and purchasing Right of Way and Easements with adjacent property owners, and

WHEREAS, KENNEWICK has secured regional competitive funds through the Surface Transportation Program (STP) of \$285,450 for Preliminary Engineering, \$346,000 for Right of Way, and \$2,595,000 for Construction of the PROJECT, and

WHEREAS, the PARTIES recognize the mutual benefits of the PROJECT, and

WHEREAS, the PARTIES agree that all costs associated with the PROJECT will be proportioned at a ratio of 75% to KENNEWICK and 25% to RICHLAND, and

WHEREAS, the PARTIES agree that KENNEWICK shall act as the lead agency for the PROJECT, and

WHEREAS, RCW 47.28.140, Agreements to Benefit or Improve Highways, Roads, Streets, and Establish Urban Public Transportation Systems and RCW 39.34 Interlocal Cooperation Act, provide authority for agencies to enter into this agreement.

NOW THEREFORE, in consideration for the mutual covenants, conditions, and terms contained herein, the said PARTIES hereby enter into this agreement for the PROJECT as follows:

1. Purpose: The purpose of this interlocal agreement is to identify the obligations of the PARTIES related to a mutually undertaken construction project to improve the intersection of Gage and Steptoe streets.
2. KENNEWICK, as agent acting for and on the behalf of the PARTIES, agrees to:
 - a. Prepare conceptual drawings for use in interagency meetings, public workshops, stakeholder meetings, environmental studies, and right-of-way acquisition.
 - b. Prepare plans, specifications and Engineer's estimate for roadway and utility construction.
 - c. Contract with a consulting firm or firms for right-of-way appraisal and acquisition phase of the PROJECT.
 - d. Consult with and seek approval from RICHLAND prior to approving any cost overruns attributed to the PROJECT.
 - e. Perform construction administration and inspection for the PROJECT.
 - f. Obligate \$3,226,450 of STP regional competitive funds for the design, right-of-way acquisition, utility locates, and construction of the PROJECT.
 - g. Prepare and submit monthly invoices to RICHLAND as compensation of costs for a proportionate amount for the design, right-of-way, and construction phases of the PROJECT.
 - h. Seek additional grant funding to further offset local match and any cost overruns.
3. RICHLAND agrees to:
 - a. Contribute 25% of the 13.5% local match for the street construction, right-of-way acquisitions, utility relocates and associated improvements. This amount shall not exceed \$125,887.50.
 - b. Contribute to an equitable share for any increase in costs above RICHLAND's contribution to the agreed local match, subject to RICHLAND's written approval and acceptance of any increase in costs prior to approval.
4. The provisions of this Agreement shall become effective upon execution by both PARTIES and recording with the Benton County Auditor, and shall remain in effect until KENNEWICK City Council accepts the PROJECT as complete, unless terminated at an earlier date by either party without cause if such party provides

written notice to terminate.

5. This Agreement may be modified only by written consent of each party.
6. The records and documents with respect to all matters covered by this Agreement shall be subject to inspection by any party during the term of this Agreement, and shall be maintained in accordance with Washington State's public records retention requirements.
7. It is not the intention that a separate legal entity be established to conduct the cooperative undertaking, nor shall any acquiring, holding or disposing of real or personal property occur under this Agreement.
8. In the event any term or condition of this Agreement or application thereof to any person, entity or circumstance is held invalid, such invalidity shall not affect any other terms, conditions or applications of this Agreement which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Agreement are declared severable.
9. All questions related to this Agreement shall be resolved under the laws of the State of Washington. In the event that either party deems it necessary to institute legal action arising from this Agreement, such action shall be instituted in Benton County Superior Court. The parties each consent to the personal jurisdiction of such court.

IN WITNESS WHEREOF, the PARTIES hereto have executed this AGREEMENT as of the day and year first above written.

Recommendation

That City Council authorize the Mayor to sign the interlocal agreement with the City of Richland for the 2020 Microsurfacing Project.

Motion for Consideration

I move to authorize the Mayor to sign the 2020 Microsurfacing Project Interlocal Agreement with the City of Richland.

Summary

The City of Richland is currently resurfacing several south Richland arterial streets, among them Gage Boulevard. At the west boundary of the City, Gage Boulevard straddles the municipal boundary with the City of Kennewick. If Richland were to complete work only on the street surface within its boundaries, approximately 1,325 feet of Gage Boulevard would be resurfaced on only half of its width. To avoid this odd result, Richland and Kennewick have negotiated a proposed interlocal agreement to have Kennewick fund resurfacing work within its boundaries to match Richland's proposed work.

Under the proposed agreement, Richland will be the lead agency to contract for a microsurfacing treatment of Gage Boulevard. Kennewick will fund the work within its boundaries, as measured in the field.

The microsurfacing is outside of the project limits for the Steptoe/Gage Intersection Improvements, and so will not interfere this future project.

Alternatives

Not sign the agreement.

Fiscal Impact

Arterial Street Fund. Not to exceed amount of \$33,000.

INTERLOCAL COOPERATIVE AGREEMENT
BETWEEN
THE CITY OF RICHLAND AND THE CITY OF KENNEWICK, WASHINGTON
FOR
2020 MICROSURFACING PROJECT

THIS INTERLOCAL COOPERATIVE AGREEMENT is entered into this _____ day of April, 2020, between the City of Richland, a municipal corporation of the State of Washington, hereafter referred to as "Richland," and the City of Kennewick, Washington, a municipal corporation of the State of Washington, hereafter referred to as "Kennewick," or referred to collectively as the "Jurisdictions."

I. RECITALS

WHEREAS, RCW 39.34.010 permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, pursuant to RCW 39.34.080, each Party is authorized to contract with any one or more public agencies to perform any governmental service, activity, or undertaking which each public agency entering into the contract is authorized by law to perform: provided that such contract shall be authorized by the governing body of each Party to the contract and shall set forth its purposes, powers, rights, objectives and responsibilities of the contracting parties; and

WHEREAS, the City of Richland has prepared a 2020 Microsurfacing contract to perform pavement preservation and maintenance on a number of City streets; and

WHEREAS, one of the City streets included in the contract, Gage Boulevard, is shared between the City of Kennewick and the City of Richland; and

WHEREAS, the Jurisdictions have determined that including Kennewick's portion of the street into the City's 2020 Microsurfacing contract is in the best interests of the Jurisdictions and the public; and

WHEREAS, the Jurisdictions, by their respective governing bodies, have determined this effort may be best implemented on a shared basis in a manner deemed most efficient and effective for the Jurisdictions.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Jurisdictions agree as follows:

I. AGREEMENT

Section 1. Purpose and Scope of Work: The purpose of this Agreement is to formalize a commitment to preserve Kennewick's portion of Gage Boulevard by applying a microsurfacing treatment to the street as shown on attached Exhibit A.

Section 2. Administration: This Agreement shall be administered by the Richland City Manager or her designee. Such person shall be responsible for:

- a. Establishing policies for implementing this Agreement;
- b. Providing periodic progress reports to the elected officials of each Jurisdiction;
- c. Monitoring progress of the Jurisdictions and other agencies in the fulfillment of their respective responsibilities.

Section 3. Funding: The City of Kennewick hereby commits to provide funding as follows:

Kennewick will pay a prorated share (based on surface area) of the total actual costs for mobilization, traffic control, lane striping and microsurfacing bid items, based on an agreed upon calculation of actual street surface within Kennewick's boundaries. The microsurfacing treatment is to terminated 500 feet west of the centerline of Steptoe Street unless directed by the City of Kennewick. The City of Kennewick will also pay for crack sealing work completed by Richland on street surface within Kennewick's boundaries, and any contracted work completed within the City of Kennewick.

Kennewick's estimated obligations under this Agreement will not exceed \$33,000, which amount is comprised of \$30,000 for construction work and \$3,000 for engineering design and construction management. No administrative costs will be billed to Kennewick.

Section 4. Development and Bid Award Requirements: Each Jurisdiction hereby commits to the provisions as set forth below:

- a. Richland will include the locations of Kennewick's microsurfacing areas and generate biddable construction drawings by June, 2020.
- b. If Kennewick's share of the bid price exceeds the cost included in Section 3 above, the Jurisdictions agree to consult with one another prior to awarding the project, and Richland agrees to acquire Kennewick's written concurrence with the award decision.

Section 5. Modification: This Agreement may be modified only by written consent of each Jurisdiction.

Section 6. Term of Agreement and Termination:

- a. The term of this Agreement shall become effective on full execution and recording and/or posting on each jurisdiction's website as required by state law.
- b. This Agreement shall expire on the date of completion of the Project(s).

Section 7. Inspection of Records: The records and documents with respect to all matters covered by this Agreement shall be subject to inspection by any Jurisdiction during the term of this Agreement, and shall be retained by the holding Jurisdiction according to the State of Washington's retention schedule for said records.

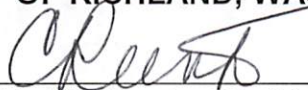

Section 8. No Separate Legal Entity: It is not the intention that a separate legal entity be established to conduct the cooperative undertaking, nor shall any acquiring, holding or disposing of real or personal property occur under this Agreement.

Section 9. Severability: In the event any term or condition of this Agreement or application thereof to any person, entity or circumstance is held invalid, such invalidity shall not affect any other terms, conditions or applications of this Agreement which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Agreement are declared severable.

Section 10. Venue, Applicable Law and Personal Jurisdiction: All questions related to this Agreement shall be resolved under the laws of the State of Washington. In the event that either party deems it necessary to institute legal action arising from this Agreement, such action shall be instituted in Benton County Superior Court. The parties each consent to the personal jurisdiction of such court.

IN WITNESS WHEREOF, the parties have signed this Agreement as of the date first written above.

Recommendation

That City Council authorize the Mayor (or in his absence Mayor Pro Tem) to sign the final of Terra Vista Heights Phase 2 contingent upon payment of fees and bonding for incomplete sidewalk and landscape work.

Motion for Consideration

I move to authorize the Mayor (or in his absence Mayor Pro Tem) to sign the final of Terra Vista Heights Phase 2 contingent upon payment of fees and bonding for incomplete sidewalk and landscape work.

Summary

An application has been submitted by Dean Maldonado for the final plat of Terra Vista Heights Phase 2. The plat consists of 12 lots on 4.55 acres located east of Southridge Boulevard and south of Ridgeline Drive. The site is currently zoned Residential Medium Density (RM) which allows a minimum lots size 4,000 square feet. The smallest lot is 9,678 square feet, the largest lot is 23,381 square feet and the average lot size is 13,232 square feet. The Preliminary Plat of Terra Vista Heights was approved by the Hearing Examiner's decision dated June 24, 2019.

Staff has reviewed the final plat application and has found it to be in conformance with all applicable City development regulations. Prior to signing the Final Plat, the outstanding conditions will be met, in addition to payment of fees and bonding for incomplete sidewalk and landscape work. Following Council approval and plat signatures, the plat can be recorded and lots sold to individual owners.

Alternatives

No alternatives were reviewed or are recommended as the applicant has met the applicable standards.

Recommendation

That Council appoint Jim Millbauer to the Tri-Cities Regional Public Facilities District for a term to expire October 1, 2022.

Motion for Consideration

I move to adopt Resolution 20-05.

Summary

The Interlocal Agreement adopted by the Cities of Kennewick, Pasco and Richland in August 2010 specifies the Tri-Cities Regional Public Facilities District Board of Directors shall consist of nine members, three from each City, selected and appointed by the respective City Councils. Members shall be either a Council Member or a member of the governing board of the Public Facilities District of the respective City. On February 6, 2018, Matt Boehnke was appointed to fill the remainder of Greg Jones' term on the Tri-Cities Regional Public Facilities District Board for a term to expire October 1, 2019. Matt Boehnke resigned from the City Council on December 31, 2018.

It is recommended that Council adopt Resolution 20-05 appointing Jim Millbauer to fill the position on the Tri-Cities Regional Public Facilities District for a term to expire October 1, 2022.

CITY OF KENNEWICK
RESOLUTION NO. 20-05

A RESOLUTION APPOINTING JIM MILLBAUER TO FILL THE VACANT
POSITION ON THE TRI-CITIES REGIONAL PUBLIC FACILITIES
DISTRICT BOARD

WHEREAS, on August 17, 2010, the City of Kennewick approved an Interlocal Agreement with the cities of Pasco and Richland to form the Tri-Cities Regional Public Facilities District; and

WHEREAS, the Interlocal Agreement specifies that the Board of Directors shall consist of nine members, three from each City, selected and appointed by the respective City Councils, and members shall be either a Council Member or a member of the governing board of the Public Facilities District of the respective City; and

WHEREAS, on February 6, 2018, Matt Boehnke was appointed to fill the remainder of Greg Jones' term on the Tri-Cities Regional Public Facilities District Board for a term to expire October 1, 2019; and

WHEREAS, Matt Boehnke resigned from the City Council on December 31, 2018 and no one was appointed to fill the remainder of the term which expired October 1, 2019;
NOW, THEREFORE,

BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON that Jim Millbauer is appointed to Tri-Cities Regional Public Facilities District Board for a term to expire October 1, 2022.

PASSED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON, this 21st day of April, 2020, and signed in authentication of its passage this 21st day of April, 2020.

Attest:

DON BRITAIN, Mayor

TERRI L. WRIGHT, City Clerk

Recommendation

Staff recommends that Council accept the recommendation of the local agencies and reappoint Ron Hue to the the Kennewick Public Facilities Board of Directors.

Motion for Consideration

I move to accept accept the recommendation of the local agencies and reappoint Ron Hue to the the Kennewick Public Facilities Board of Directors for a four-year term to expire March 31, 2024.

Summary

RCW 35.57.010(3)(a)(ii) provides that three of the five board members of the Kennewick Public Facilities District (KPF) be appointed based upon recommendations from local agencies. The position is currently held by Ron Hue who has indicated a willingness to continue another term on the Board.

Letters were sent to the Pasco Chamber of Commerce, West Richland Chamber of Commerce, Tri-City Regional Chamber of Commerce, Hanford Atomic Metals Trade Council, TRIDEC and Visit Tri-Cities requesting support of reappointing Ron Hue or nominating someone else to fill the position. Pasco Chamber of Commerce, TRIDEC and Visit Tri-Cities responded that they were in support of reappointing Mr. Hue. Tri-City Regional Chamber of Commerce Executive Committee decided to take no action. No response was received from West Richland Chamber of Commerce or Hanford Atomic Metals Trade Council. No other nominations were received from the local organizations.

Alternatives

None recommended.

Fiscal Impact

None.

Subject: RE: Nomination to the Kennewick Public Facilities District Board of Directors

Hi Terri,

Thank you for reaching out. I provided this information to my Executive Committee after receiving it. Their decision was to take no action. This decision is not intended as a negative vote for Ron Hue, but is due to a lack of information about the Kennewick PFD and its board. Our Local Government Affairs Committee has plans to remedy that by engaging all of the Public Facilities Districts in the Tri-Cities this spring/summer. We would like to first determine if we are aligned with the vision of the PFD board in regards to the opportunities afforded through PFD funds, placing us in a better position to cast a vote for a board member.

Thank you,

Lori

Hi Lori,

I haven't received your response back regarding the Nomination to the Kennewick Public Facilities District Board of Directors January 29, 2020 letter I sent. Attached are the documents sent to you. If possible, can you either fax back the nomination form or email it today? I would like to schedule this for the March 17th Council meeting for final action.

Let me know if you have any questions.

Thank you,

Recommendation

Staff recommends that Council adopt Resolution 20-04 declaring surplus a certain utility easement located at 3231 and 3234 S. Palouse Street.

Motion for Consideration

I move to adopt Resolution 20-04.

Summary

Notice of the April 21, 2020 public hearing to consider to request to vacate a 15' utility easement located at 3231 and 3234 S. Palouse Street was published in the Tri-City Herald on Friday, April 10, 2020.

The development of Olympia Estates Phase 2 eliminated the need for this utility easement.

Affected City Utility companies and City staff have reviewed the request and have no objection to the proposed vacation.

Alternatives

None recommended.

Fiscal Impact

None.

CITY OF KENNEWICK
RESOLUTION NO. 20-04

A RESOLUTION OF THE CITY OF KENNEWICK DECLARING SURPLUS
A PORTION OF CERTAIN UTILITY EASEMENT LYING WITHIN 3231
AND 3234 SOUTH PALOUSE STREET

WHEREAS, New Tradition Homes INC. have requested the vacation of certain utility easements located on their property; and

WHEREAS, RCW 35.94.040 provides for the disposal of surplus property originally required for public utility purposes; and

WHEREAS, notice has been published on April 10, 2020, that a public hearing would be held on this date concerning disposal of this property; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON that property originally acquired for the purpose of utility easement and described as follows:

Parcel Numbers: 1-1489-116-0000-001 and 1-1489-116-0000-023

A Utility easement 15.00 feet in width depicted on Lot 1 of the Short Plat recorded in Volume 1 of Short Plats at page 1928, records of Benton County, Washington, being that portion lying in Lot 1 and Lot 23 of Olympia Estates Phase 2 as Recorded in Volume 15 of Plats, Page 609, Records of Benton County, Washington the centerline described as follows:

Commencing at the northeast corner of said Lot 1 Short Plat 1928, Thence South 00°43'54" East along the easterly line of said lot 221.41 feet to the True Point of Beginning;

Thence South 89°10'24" West 235.00 feet to the Point of Terminus.

Edges of said easement are to be lengthened or shortened to terminate on the said easterly property line.

is hereby found to be surplus to the City's needs and not required for the providing of continued services; and

BE IT FURTHER RESOLVED that the consideration to be paid for the release of this easement shall be \$50.00; and

BE IT FURTHER RESOLVED that the Mayor of the City of Kennewick is authorized to deed by quit claim to the New Tradition Homes INC. the above-described easement and deliver the same upon payment.

PASSED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON, this 21st day of April, 2020, and signed in authentication of its passage this 21st day of April, 2020.

Recommendation

Staff recommends council retain the Interim Regulation for the original six months.

Motion for Consideration

I move to adopt Ordinance 5869.

Summary

On March 3, 2020 Council adopted Ordinance 5868 implementing Interim Regulations related to blasting operations in the City of Kennewick. Per RCW 35A.63.220 and 36.70A.390 the City is authorized to adopt an emergency moratorium or interim regulation so long as it holds a public hearing within 60 days. Ordinance 5868 set April 21, 2020 as the date for the public hearing. Upon conclusion of the public hearing, council can decide to retain the interim regulations for the initial six months, extend the interim regulation for a full twelve months with the adoption of a work plan or repeal the interim regulation. If council chooses to retain the interim regulation it will stay in effect until the end of the six months or the adoption of a permanent regulation. Staff is recommending council retain the Interim Regulation for the original six months – staff intends to seek input from a consultant on implementing distance restrictions for blasting adjacent to residential neighborhoods, as well as review other city's blasting regulations. The current interim regulation has provided the fire official the means with which to monitor blasting activities while still allowing a developer to proceed with their development. Since adoption of the interim Blasting Permit code, one contractor has applied and received a permit for the remainder of its blasting activities for the South Hills Estates Phase II development. The permit applicant has been put on notice that issuance of the Blasting Permit should not be construed as permission to proceed with the blasting activities while the Stay at Home order is in place for non-essential activities. The applicant is required to comply with the Governor's order that is currently in place.

CITY OF KENNEWICK
ORDINANCE NO. 5869

AN ORDINANCE ADOPTING FINDINGS IN SUPPORT OF RETENTION OF
AN INTERIM REGULATORY CONTROL RELATED TO BLASTING
OPERATIONS WITHIN THE CITY OF KENNEWICK

WHEREAS, on March 3, 2020 the City Council, by Ordinance 5868, adopted a six-month Interim Regulation related to Blasting Operations within the City of Kennewick and set a public hearing for April 21, 2020, in accordance with RCW 35A.63.220 and RCW 36.70A.390; and

WHEREAS, the Washington State Constitution Art. 11, § 11 delegates police power authority to municipalities allowing them to enact ordinances in furtherance of public safety, morals, health, and welfare so long as the subject matter is local, and regulation is reasonable and consistent with general laws; and

WHEREAS, RCW 35A.11.020 declares that the legislative body of each code city shall have all powers possible for a city or town to have under the Constitution of this state, and not specifically denied to code cities by law; and

WHEREAS, RCW 70.74.201 of the State Explosives Act states that it does not affect, modify or limit the power of a city, municipality or county in this state to make an ordinance that is more stringent than the state statute which is applicable within its respective corporate limits or boundaries; and

WHEREAS, the City Council desires to encourage economic development within the City, but must balance that with the competing interest to protect the health and safety of all of its residents; and

WHEREAS, RCW 35A.63.220 and Washington case law authorize the City to adopt an Interim Regulation with a public hearing which must be held within sixty (60) days of the date of the initial adoption of the Interim Regulation; and

WHEREAS, as required by RCW 36.70A.390 and RCW 35A.220, a public hearing was held on April 21, 2020; and

WHEREAS, despite being authorized by RCW 70.74, blasting is an inherently dangerous activity and the City Council has considered the concerns raised by both the written and oral comments provided during the public hearing regarding blasting adjacent to residential neighborhoods; and

WHEREAS, City staff will need additional time to study and formulate the proper regulations to mitigate the impacts of blasting operations that are adjacent to residential neighborhoods; and

WHEREAS, the City Council has determined that it is in the best interest of the City that the Interim Regulations for Blasting Operations adopted by Ordinance 5868 should be retained to

provide the City an opportunity to consider additional code amendments related to imposing distance restrictions for blasting operations near residential properties; NOW THEREFORE,

BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON, AS FOLLOWS:

Section 1. Recitals Incorporated. The Recitals set forth above are hereby adopted and incorporated as Findings of Fact and/or Conclusions of Law of the City Council.

Section 2. Interim Regulation Maintained. The Interim Regulation established by Ordinance 5868 on March 3, 2020, adding chapter 15.35 Blasting Permits to the Kennewick Municipal Code is retained in accord with RCW 35A.63.220 and RCW 36.70A.390.

Section 3. Term. The Interim Regulation of blasting operations in the City of Kennewick shall continue in effect for the initial period of six months authorized in Ordinance 5868, unless repealed, extended or modified by the City Council after entry of appropriate findings of fact and the approval of an Ordinance adopting permanent code amendments related to blasting operations in the City of Kennewick as authorized by RCW 35A.63.220 and RCW 36.70A.390.

Section 4. Effective Date. This Ordinance shall be in full force and effect upon its passage and signature below.

PASSED BY THE CITY COUNCIL OF THE CITY OF KENNEWICK, WASHINGTON, this 21st day of April, 2020, and signed in authentication of its passage this 21st day of April, 2020.

DON BRITAIN, Mayor

Attest:

I am interested in commenting on the following public hearing agenda item:

- 5.a. - Resolution 20-05: Easement Vacation 5.b. - Ordinance 5869: Blasting Regulations

Comments

We live 4 streets North of the blasting operation happening in Canyon Lakes. We just happened to see the small notice signs posted at the top of the hill when we were out walking, so when the whole house shook with the explosion, we weren't completely surprised.

When I went outside, many of my neighbors were outside and unaware of what had happened. Most thought a plane had crashed nearby. Yes, it was that loud and that violent! Everything rattled in our house and some pictures were askew. If this happened to us 4 streets away, I can only wonder what damage occurred to the homes closer to the epicenter of the blast.

I feel that blasting within a 1/4 mile of an existing neighborhood should be banned. Also, for any homes within a half mile of the blasting site, that the contractor and owner should notify people in writing at least 30 days prior as well as a door-to-door flyer notification two days prior to the process.

Thank you for your consideration.

Dartanya Helgeson
Canyon Lakes Subdivision Resident.

Please provide your comments.

To: Terri Wright
Subject: Ordinance 5869

City Council Members,

The purpose of this email is to encourage you to adopt Ordinance 5869 which I understand will give the City time to properly and fairly study the issues that are occurring because of the blasting.

Although it may be cheaper to blast rather than use heavy equipment, to my knowledge, all of the excavation for the existing development in the area has been done with equipment, not blasting. That is certainly the case for my own past and current construction. I believe it is unfair to inflict damage on adjacent property owned by others when means exist to accomplish the work without doing damage.

Further, I encourage the City to also look at the potential damage blasting may be doing to the abundant, wonderful wildlife living in the adjacent canyon.

Respectfully submitted,

Sue Frost

From: [John M. Watt](#)
To: [Terri Wright](#)
Subject: Ron Asmus Blasting
Date: Tuesday, April 21, 2020 12:53:40 PM

Before the Ron Asmus blasting project is approved, the permit should be amended such that any future blasting is for the road construction alone. No blasting should be permitted for individual home construction on any lot adjacent to an existing home. When Mr. Asmus developed the road that this new street will adjoin, no blasting was done and no blasting was done to prepare the lots for construction even though the rock on that street is virtually identical to the rock on road he is preparing now. Blasting for the road is one thing, blasting for individual lots directly next to existing homes should either not be permitted or only permitted on a lot by lot basis.

Thank you,
John M. Watt
