That Council approve the agreement for the promotion of tourism with the Tri-Cities Visitor & Convention Bureau (d/b/a Visit TRI-CITIES).  Motion for Consideration  I move to authorize the Mayor to sign the agreement for the promotion of tourism with the Tri-Cities Visitor & Convention Bureau (d/b/a Visit TRI-CITIES).  Summary  The City's current five-year contract for tourism promotion with the Tri-Cities Visitor & Convention Bureau (d/b/a Visit Tri-Cities) is set to expire at the conclusion of 2020. The proposed five-year contract would be effective January 1, 2021, and expire on December 31, 2025. In substance, the terms of the proposed agreement are identical to the current agreement in place between the City and Visit Tri-Cities as well as agreements in place between Visit Tri-Cities and the cities of Richland and Pasco. Under the terms of the agreement, the City will pay Visit Tri-Cities fifty percent (50%) of the annual average hotel/motel (lodging) tax receipts of the City collected from the first two percent (2%) leveled by the City over the five-year period immediately preceding each year of the contract period in exchange for tourism promotion services. A new provision has also been added to the agreement that provides for the modification of contract payment terms during a period of economic downturn. Under a scenario where the City's hotel/motel (doging) tax receipts decline by 15% or more over a six-month period, the contract allows for a mutually agreed upon payment to Visit Tri-Cities until such time that tax receipts return to a level that would support normal contract payment amounts. In the event the City and Visit Tri-Cities including the development of a work plan that will be presented to the City by the conclusion of March each year, followed up by a mid-year review and update to Council later in the year on progress towards work plan goals. At their meeting on October 29, 2020, the City's Lodging Tax Advisory Committee (LTAC) approved a recommendation to City Council to allocate a portio	Recommendation

# RENEWAL AGREEMENT FOR THE PROMOTION OF TOURISM

**THIS RENEWAL AGREEMENT** is entered into between the CITY OF KENNEWICK, a municipal corporation, hereinafter referred to as the "City", and the TRI-CITIES VISITOR AND CONVENTION BUREAU, a Washington non-profit corporation, doing business as "Visit TRI- CITIES," hereinafter referred to as the "Bureau."

**IN CONSIDERATION** of the mutual covenants as set forth herein, the parties agree as follows:

- I. The Bureau agrees to perform promotional services for the City including, but not limited to, advertising, publicizing and otherwise distributing information for the purpose of attracting visitors and encouraging tourist expansion to and within the City. In providing such services the Bureau shall:
  - 1. Develop and implement a marketing and promotional plan that advertises and promotes the Tri-Cities and the City for the purpose of attracting visitors. Appropriate activities would include the production and distribution of a visitor guide, brochures, participation in travel shows, conducting advertising campaigns and other activities designed to promote the attractions of this area in targeted markets.
  - 2. Manage and execute a comprehensive website and digital marketing campaigns designed to educate travelers, drive demand, assist local businesses in staff recruitment & relocation efforts, and complement City economic development strategies.
  - 3. Provide City staff with accurate and detailed information on tourism statistics including but not limited to hotel occupancies, economic impact figures, and group histories to support the City's efforts to recruit businesses within the hospitality industry.
  - 4. Act as a membership organization and liaison to small businesses located in the City of Kennewick that are dependent on tourism spending for financial success.
  - 5. Solicit convention business and sports tournaments for the Tri-Cities and the City at the regional and state level through activities such as:
    - A. Making contact with convention and sports planners and executives of organizations and groups to solicit sports, meetings and conventions in the Tri-Cities and the City.
    - B. Researching convention and sports leads and contacting convention representatives of association groups and tournament representatives of sports groups, promoting the Tri-Cities and the City and offering

- convention and sports planning assistance.
- C. Preparing and distributing invitational convention and sports bid packets including information on the Tri-Cities and the City and the convention and sports facilities available therein.
- 6. Provide prospective sports organization and convention representatives with familiarization tours of venues and convention hotel facilities in the Tri-Cities and the City for the purpose of assisting in the selection of a hotel(s) and/or other venues in which to hold sports tournaments, conventions and meetings.
- 7. Provide convention chairpersons and/or association executives and sports tournament directors with a bid packet and a planner's workbook to assist in planning conventions and/or sports tournaments.
- 8. Assist future conventions and sporting events in maximizing attendance through pre-event promotion. Produce promotional videos, collateral material, press releases, display booths and marketing materials to be used twelve to eighteen months prior to the event to increase awareness and create enthusiasm for attendance at Tri-Cities events.
- 9. Operate a visitor information center in the Tri-Cities to promote the Tri-Cities as a destination of choice and encourage visitors to enjoy local attractions and amenities, driving economic impact.
- 10. Include advertising material in promotional packets and other releases promoting regular tourism related Tri-City activities and events.
- 11. Reserve a seat on the Bureau's Board of Directors for representation by the City Manager or City Council Member.
- 12. Specific activities to be undertaken by the Bureau each year reflecting actions to be taken in the above-noted categories of service shall be detailed in an annual work plan. The work plan will be presented to the City for approval in March of each year.
- II. For the services herein contemplated and more fully described in the annual work plan, the City agrees to pay the Bureau fifty percent (50%) of the annual average hotel/motel tax receipts of the City collected from the first two percent (2%) levied for the five-year period immediately preceding each year of the contract period. The Bureau shall invoice the City for such services on a monthly basis on the 1<sup>st</sup> of each month for the services provided the month prior.
  - 1. Provision for Economic Downturn: In the event of an economic downturn wherein there is a 15% decline in hotel/motel taxes over a period of six months, the parties agree to a payment for services as described herein.

- A. The base for comparison will be the same six-month period during the prior year, or the average of 2017, 2018 and 2019 (whichever is greater).
- B. The 15% reduction in hotel/motel taxes will trigger a joint conversation between all parties to this contract to establish, in good faith, a mutually agreeable annual contract payment amount.
- C. Should the parties be unable to come to an agreement, the annual contract payment will be adjusted by the same percentage decline experienced over the six-month period identified above.
- D. The duration of payment adjustment will be a minimum of six months, and a new calculation will be performed at the end of six months to determine if another six-month adjustment is warranted. If not, normal payment amounts will resume under the normal contract payment amount and be the basis for monthly invoices from the Bureau.
- 2. Future Annual Contract Payment Calculations: For purposes of calculating the five-year average used to determine the annual contract payment, the annual hotel/motel tax amount for any year in which the provision for an economic downturn is enacted will be replaced with the prior year's annual hotel/motel tax, assuming it is a higher amount, and would serve as the adjusted future annual contract payment amount supporting the basis for monthly invoices from the Bureau.
- 3. Reporting: On or before August 15 each year, the Bureau shall deliver a mid-year review and provide a written status report detailing the services provided and the activities and accomplishments of the Bureau. A formal presentation to the City Council will be made if requested.
- III. Pursuant to the governing statute, (Ch. 67.28 RCW), restrictions have been placed on the use of hotel/motel tax funds as set forth in relevant part as follows: "... used solely for the purpose of paying all or any part of the cost of tourism promotion, acquisition of tourism-related facilities, or operation of tourism-related facilities." RCW 67.28.1815

Funding is conditioned upon the Bureau entering into this Agreement setting forth the purposes for which the funds will be used, providing a procedure for a project-end accounting and insuring compliance with the statute.

To this end, the parties agree as follows:

- 1. The Bureau agrees to expend such funds to promote tourism in compliance with Ch. 67.28 RCW.
- 2. At the conclusion of the calendar year, the Bureau shall provide a complete accounting of the expended funds and the purposes therefore.
- 3. In the event the accounting indicates that funds were used for purposes not

permitted by law, the Bureau shall, within 30 days of notification by City to the Bureau of such improper expenditures, remit the disallowed amount back to the City.

- 4. The Bureau shall maintain accurate records, regarding expenditure of funds related to its purpose of promoting tourism in compliance with RCW 67.28, to support its annual accounting for a calendar year, which shall be subject to inspection by the City upon 30 days' notice of its intent to inspect the same.
- 5. Failing of the Bureau to either provide the accounting or remit disallowed funds as required herein shall constitute a breach of this Agreement. The remedies available to the City shall include but not be limited to, return of all funds delivered to the Bureau and denial of the right of the Bureau to apply for any future funding.
- 6. In the event of a dispute regarding the enforcement, breach, default, or interpretation of this Agreement, the parties shall first meet in a good faith effort to resolve such dispute. In the event the dispute cannot be resolved by agreement of the parties, said dispute shall be resolved by arbitration pursuant to RCW 7.04A, as amended, with both parties waiving the right of a jury trial upon trial de novo. The substantially prevailing party shall be entitled to its reasonable attorney fees and costs as additional award and judgment against the other.
- IV. This Agreement shall be effective on January 1, 2021, and shall expire on December 31, 2025; provided, however, the City may terminate the Agreement with at least one (1) year written notice delivered to the Bureau.

this day of, 202	es hereto have caused this Agreement to be executed 20.

HUD regulations stipulate certain eligible uses for these funds and require the City to submit a five-year plan as to community needs followed by an Annual Action plan that specifies how the needs will be addressed using the available funds. The amount of the 2021 grant has not yet been established, but historical indications are that the Block Grant will be approximately \$650,000 with an additional \$175,000 in HOME funds. The Committee held a virtual Public Hearing in late summer to gather community input after which applicants were given six weeks to submit applications for grant funding. The Committee reviewed the applications and conducted oral presentations and virtual interviews with the applicants.  The Committee and staff considered the objectives on the Consolidated Plan and the Allocation Policy as they established the recommendation for the funding summary that is attached. The decision to fund a project was also based on any past experience with the applicant, their ability to obtain funding elsewhere, and the benefit to Kennewick low- and moderate-income residents. ## SECOND YEAR ACTION PLAN

#### **INTRODUCTION (AP15)**

The Cities of Richland, Kennewick and Pasco are entitlement communities under Title 1 of the Housing and Community Development Act of 1974. Each city is eligible to receive federal funds annually from the US Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG) Program. Each city is separately responsible for planning and administering housing and community development activities within their jurisdiction, and implementing, monitoring, and reporting to HUD on the use of CDBG funds.

Richland, Kennewick and Pasco, as contiguous units of local government, entered into a Cooperative Agreement in 1995 to form the Tri-Cities HOME Consortium. The agreement was amended in 2007 to include an automatic renewal clause. At least every three years the Cooperative Agreement is reevaluated by each city to determine continued participation in the Consortium and to propose change. The Tri-Cities HOME Consortium is eligible to receive annual federal HOME dollars from HUD under the HOME Investment Partnership Program authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended. Richland serves as the lead entity for the Tri-Cities HOME Consortium, and acts as the administrative, monitoring and reporting agency to HUD.

As each of the three cities share a common set of goals and directions for meeting the community development and affordable housing needs of lower income persons, the cities collaboratively prepared a 2020-2024 Tri-Cities Regional Consolidated Plan. The Plan provides the community with an assessment of needs and market conditions, establishes priority needs, sets goals to respond to the identified needs, and establishes outcome measures to serve as a basis for developing Annual Action Plans.

The activities proposed in the 2021 Annual Action Plan will be funded by CDBG allocations, program income, and existing unallocated funds. The City of Kennewick also has the option as an entitlement community to apply for a Section 108 Loan guarantee in an amount not to exceed five times its current year annual CDBG allocation.

If the 2021 CDBG funding is above the anticipated amount listed under "Expected Resources", the additional funds could be applied to the installation of additional amenities in Keewaydin Park. If CDBG funding is below the anticipated amount, the shortfall in funds will be covered through the expenditure of existing unallocated previously awarded funds. Should the amount of unallocated funds not be enough to cover the shortfall, the scope of the infrastructure projects will be reduced commensurately and the Public Service project awards will each be reduced to reflect the expenditure of no more than 15% of the entitlement.

#### **EXPECTED RESOURCES**

**Table 1: Expected Resources Priority Table** 

Source			Expected Amount Available Year 2				Amount	
Program	of Funds	Uses of Funds	Annual Allocation	Program Income	Prior Year Resources	Total	Available Remainder of Plan	Narrative Description
CDBG	Federal	Admin/Planning Economic Development Public Improvements Public Services	\$650,000**	\$20,000	\$0 TBD at the end of 2020	\$670,000	\$0 TBD at the end of 2020	Expected funds based on 2020 award and program income projected annually over a 5- year period

Prior year resources can include the following:

• Entitlement funds from previous years that were not fully spent down due to projects coming in under budget (i.e. youth recreation scholarships that did not have as many program applicants and participants as expected or Public Works projects that received lower than anticipated bids)

#### **Leveraging Funds and Matching Requirements (AP15)**

The Cities of Richland, Kennewick and Pasco are supportive of efforts by other agencies to apply for or leverage other funding sources that might become available during the year. City staff will be available to provide written and verbal support of projects that will meet a housing and community development need as identified in the 2020-2024 Consolidated Plan, and, within staffing capacity, will assist other organizations that implement portions of the Plan to apply for funds from other local, state, or federal resources.

Each city, as a participating jurisdiction of the Consortium, must make a permanent contribution to show support of affordable housing in the community. The contribution is considered to be a match for federal HOME dollars and must be 25% of the funds drawn from the jurisdiction's HOME Investment Trust Fund Treasury account, excluding funds identified for administering the HOME program and program income. Match obligations are satisfied by permanent non-federal investment in, or contribution to, HOME assisted or HOME eligible projects by reduction or contribution from the City's General or other non-federal funds, reduced cost for land purchased below appraised value, reduced financing fees from lenders and appraisers, grants for affordable housing from non-federal sources, donated construction/housing materials, and volunteer labor.

#### **ANNUAL GOALS AND OBJECTIVES**

**Table 2: Goals Summary** 

Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
Community development	2021	2021	Non-housing community development	N/A	Community & economic development	\$410,000	Public facility or infrastructure other than low/moderate-income housing benefit: persons assisted
Homeless & services	2021	2021	Non-homeless special needs	N/A	Homeless & public services	\$80,000	Public services activities other than low/moderate-income housing benefit: persons assisted

#### **PROJECTS**

#### Introduction (AP35)

If any additional amount of funding is required to complete the 2021 infrastructure projects, those funds will come from additional unallocated CDBG entitlement funds or Program Income.

**Table 3: Project Information** 

Project #	Project Name
1	Infrastructure Improvements
a	COK Keewaydin Park Upgrades and ADA Accessibility Improvements
2	Public Service
а	COK Youth Recreation Scholarships
b	ARC Therapeutic Recreation Scholarships
C	Senior Life Resources Meals on Wheels
d	Elijah Family Homes Youth Activities
3	CDBG Administration

<b>1</b> a	Project name	COK Keewaydin Park Upgrades and ADA Accessibility Improvements
	Target area	
	Goals supported	Improve public facilities
		Keewaydin Park is outdated with hazardous and non-accessible play structures for
	Needs addressed	children and families. Improve access for persons with disabilities by
	iveeus audresseu	providing accessible pathway from the parking area, to play structures, and
		restrooms.
	Funding	CDBG: \$410,000
	Description	Install new vandalism impervious play structures, signage, and ADA pathway.
	Description	Create ADA access to play structures, restrooms, and parking.
	Location	204 W. Keewaydin Drive

Target date	December 31, 2021
Indicator/outcome	N/A

#### Allocation Priorities and Barriers (AP35)

Funding priorities are consistent with those stated in the Strategic Plan. The City of Kennewick intends to maximize the use of limited resources to ensure the highest benefit within the capacity to administer the program. Reduced funds have increased the challenge. Given the limited capacity, bricks and mortar projects resulting in visual physical improvements are important when those projects reduce barriers for physically impaired persons; result in the acquisition, construction or improvement to public facilities; and/or, result in neighborhood preservation and revitalization. High priority is also placed on projects that would result in enhancing the economic opportunities of residents.

The City likewise places a priority on bricks and mortar projects that result in the creation or preservation of housing for the elderly or populations with special needs. The City also funds social services to address community needs including projects to assist seniors or populations with special needs and disadvantaged youth.

Whenever feasible, projects that leverage additional funds and/or are coordinated with community partners are emphasized and given priority. The City does not anticipate obstacles to meeting the underserved needs addressed in the projects (within the anticipated funding levels).

#### **GEOGRAPHIC DISTRIBUTION (AP50)**

All of the City's infrastructure improvements are located in low and moderate-income areas as defined by Census Tracts. Low and moderate-income Public Service projects are located throughout the City.

#### AFFORDABLE HOUSING

*Introduction (AP55)* 

In 2021, HOME goals are included in reporting by the City of Richland, the HOME lead.

A goal of the three Cities is to provide decent affordable housing for its residents. To support this effort each city has programs to address this need. The following provides a general overview of the types of programs and projects that supports this effort.

- HOME Down Payment Assistance Program. Each City provides a down payment program, providing funds for low and moderate income first time homebuyers.
- HOME CHDO. Support efforts of a CHDO to develop single-family homeownership units.
- HOME TBRA. The Consortium has created a Tenant Based Rental Assistance Program to support affordable housing. Using a subrecipient, the Consortium provides HOME funds to assist tenants with rent and utilities.

#### **PUBLIC HOUSING**

#### **Actions to Support Public Housing Needs (AP60)**

The City of Kennewick will help address the needs of public housing and activities in 2021 by continuing to work closely with and supporting efforts of the Kennewick Housing Authority. The City and Authority will continue to coordinate housing activities throughout the City.

There are a variety of assisted affordable housing options available in the Tri-Cities. HUD and the State of Washington (Washington State Housing Trust Funds and Washington State Housing Finance Commission Tax Credits) subsidized housing programs have generated an inventory of housing; the majority of those are family units.

#### **Actions to Encourage Residents (AP60)**

The Kennewick Housing Authority (KHA) Governing Board includes one position designated as a Resident-Assisted Commissioner. The position is currently vacant but is being advertised to be filled. Public Housing residents are encouraged to attend Resident Council meetings to discuss how to become more self-sufficient. The meetings are temporarily curtailed due to COVID-19 social distancing requirements, however the KHA is exploring hosting "Meet and Greet" remote call-in sessions for residents. KHA also periodically provides information via notices to all residents.

The Kennewick Housing Authority encourages Section 8 participants to get their "Ducks in a Row for Housing Choice Voucher Homeownership". This program provides an opportunity to utilize their rental assistance payment for homeownership; however due to COVID-19, many participants are not actively shopping for homes. KHA's lobby is closed, but lease up and rental assistance continue with most services being provided remotely or by individual appointment in order to adhere to the Governor's Proclamations during the pandemic in order to keep everyone as safe as possible.

#### **HOMELESS AND OTHER SPECIAL NEEDS ACTIVITIES (AP65)**

The three cities will continue to be involved in the Benton Franklin Human Services planning efforts. The BFHS developed a plan for the homeless with the express purpose of giving nonprofit and government agency providers a "road map" of actions to follow to reduce homelessness in Benton and Franklin Counties. The plan is a concerted effort by numerous agencies, including the three cities, to develop a common understanding of the needs of the homeless and to agree upon a coordinated plan to improve services and housing for homeless. The goal of the plan is to move homeless individuals and families through a continuum of housing and supportive services leading them to permanent housing with the highest level of self-sufficiency they can achieve.

#### Assessing Individual Needs (AP65)

Richland, Kennewick and Pasco will continue to encourage cooperation in sharing information to identify existing resources that might be available to meet the needs of the homeless, or those at risk of becoming homeless. Staff from the City will also participate, if available, and support the annual Point-in-Time Count in Benton and Franklin counties scheduled for January 2021.

#### Addressing Emergency Shelter and Transitional Housing Needs (AP65)

Emergency Solutions Grant funds are not directly administered by the Continuum of Care. However, the Continuum consults on funding decisions. The cities do not address emergency shelter and transitional housing needs of homeless, except through their involvement with Benton Franklin Community Action Committee (BFCAC) and Benton Franklin Human Services. The three cities do not receive ESG funds but will continue to support the development of homeless housing through community resources such as, potentially, the HOME program and 2060 and 2163 Recording Fee resources, as they have in the past.

#### Transitions to Permanent Housing and Homeless Prevention (AP65)

Kennewick purchased and rehabilitated a two-story 4-bedroom home to serve as transitional housing for homeless veterans. This facility has been in operation since 2010 and has housed many individuals for varying lengths of time. The facility is run by the Columbia Basin Veterans Coalition.

In 2010, the City purchased and rehabilitated a 4-plex to serve as transitional housing. Two of the units are used for housing victims of domestic violence and the other two are used for housing families recovering from substance abuse. The facility is jointly run by Domestic Violence Services of Benton and Franklin Counties and Elijah Family Homes.

#### Assistance with Discharge Housing and services (AP65)

Except for involvement with BFCAC, the three Cities do not provide assistance to those being discharged from publicly funded institutions or receiving assistance from public or private agencies.

#### **BARRIERS TO AFFORDABLE HOUSING (AP75)**

The purchase price and downpayment of a home generally serves as a significant barrier to affordable homeownership opportunities, particularly for lower income households. Local HUD-funded housing programs provide affordable housing opportunities for lower-income households by financing down payment assistance. Affordable housing opportunities are also available through programs for minor home repairs and weatherization upgrades to existing homes, decreasing energy costs for low-income households.

All three cities encourage infill development to preserve older neighborhoods, and support increase of housing densities in areas where adequate public facilities and services (police and fire protection, schools, water, sewer, and drainage) are in place or can easily be provided.

#### **OTHER ACTIONS (AP85)**

Because of the layout of the Tri-Cities, Benton and Franklin Counties are taking a regional approach for addressing obstacles to underserved needs. One of the challenges to meeting underserved needs by any one group is the lack of staff capacity, financial resources, and supportive services necessary to address all needs. The City attends, supports, and is an active member of Continuum of Care, an organization comprised of local non-profit, housing, public service, correctional, and government agencies throughout Benton and Franklin counties. By maintaining open communication, collaboration, and partnering efforts among all groups, and reducing duplication of effort, more needs of lower income people can be met.

#### **Actions to Meet Underserved Needs (AP85)**

Decent housing can be made available to those below 30% median income by joining forces with community advocates such as Benton Franklin Community Action Committee and the Department of Human Services to provide affordable housing for this underserved population. Typical projects to meet this goal would be family shelter, domestic violence shelter, developmentally disabled and chronically mentally disabled housing, elderly housing, migrant farmworker housing, homeless prevention rapid rehousing programs, and state and local housing trust funds. The City supports the efforts of local non-profit agencies to meet needs of underserved populations.

#### **Actions toward Affordable Housing (AP85)**

The City will continue to support the efforts of various nonprofit agencies, housing authorities and CHDO's to provide affordable housing opportunities for special needs populations. City staff will be available to assist in identifying potential funding sources and provide technical assistance within staff capacity, and will remain receptive to forming partnerships with other entities to assure vulnerable

populations are able to reside in decent, safe housing.

#### Actions to Reduce Lead-Based Paint Hazards (AP85)

The City will undertake the following actions in program years 2020-2024 to increase community awareness of lead based paint and its hazards. The City will provide education on lead based paint including information on Safe Work Practices, actions to take when rehabbing or remodeling a home, and steps to take if exposure to lead hazards is suspected.

The pamphlets "Renovate Right" and "Protect Your Family from Lead in Your Home" published by Washington Department of Commerce and Environmental Protection Agency (EPA) will be distributed to all potential housing clients, and be available via online links from the City's website.

#### Actions to Reduce Number of Poverty-Level Families (AP85)

Several activities may be undertaken to decrease cost-burdens for lower income people such as the various housing programs offered by the City and the Tri-Cities HOME Consortium. The City supports economic development projects that create jobs or provide education or training to enable people to become self-sufficient and have an opportunity to work at living wage jobs. Targeted revitalization of neighborhoods should increase the ability to impact the lives of lower income residents who reside there, and promote these areas as a desirable place to live with connectivity to other desirable neighborhoods.

#### **Actions to Develop Institutional Structure (AP85)**

The City will pursue various activities outlined in the 2020-2024 Consolidated Plan to strengthen and coordinate actions with housing, nonprofit, and economic development agencies. Staff will continue to participate in the Continuum of Care Task Force to assist in the coordination of government agencies, nonprofit organizations, housing developers, social service providers, and Continuum of Care providers to meet the needs of the homeless. Kennewick staff will participate in the Point-in-Time Count of the homeless, used to measure community trends. The City will, within staff capacity, continue to encourage and support joint applications for resources and programs among housing and service providers.

#### **Actions to Enhance Coordination (AP85)**

The City supports efforts by other agencies to apply for, or leverage other funding sources that might become available during the year. City staff will be available to provide written and verbal support of projects that meet a Housing and Community Development need as identified in the 2020-2024 Consolidated Plan, and will assist other organizations to apply for funds from other local, state or federal resources within staff capacity.

### FIRST YEAR ACTION PLAN

#### **INTRODUCTION (AP15)**

The Cities of Richland, Kennewick and Pasco are entitlement communities under Title 1 of the Housing and Community Development Act of 1974. Each city is eligible to receive federal funds annually from the US Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG) Program. Each city is separately responsible for planning and administering housing and community development activities within their jurisdiction, and implementing, monitoring, and reporting to HUD on the use of CDBG funds.

Richland, Kennewick and Pasco, as contiguous units of local government, entered into a Cooperative Agreement in 1995 to form the Tri-Cities HOME Consortium. The agreement was amended in 2007 to include an automatic renewal clause. At least every three years the Cooperative Agreement is reevaluated by each city to determine continued participation in the Consortium and to propose change. The Tri-Cities HOME Consortium is eligible to receive annual federal HOME dollars from HUD under the HOME Investment Partnership Program authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended. Richland serves as the lead entity for the Tri-Cities HOME Consortium, and acts as the administrative, monitoring and reporting agency to HUD.

As each of the three cities share a common set of goals and directions for meeting the community development and affordable housing needs of lower income persons, the cities collaboratively prepared a 2020-2024 Tri-Cities Regional Consolidated Plan. The Plan provides the community with an assessment of needs and market conditions, establishes priority needs, sets goals to respond to the identified needs, and establishes outcome measures to serve as a basis for developing Annual Action Plans.

The activities proposed in the 2020 Annual Action Plan will be funded by CDBG allocations, program income, and existing unallocated funds. The City of Kennewick also has the option as an entitlement community to apply for a Section 108 Loan guarantee in an amount not to exceed five times its current year annual CDBG allocation. In addition, Community Development Block Grant (CDBG-CV) funds were allocated under the Coronavirus Aid, Relief and Economic Security Act (CARES Act), to prevent, prepare for, and respond to coronavirus.

If the 2020 CDBG funding is above the anticipated amount listed under "Expected Resources", the additional funds could be applied to the installation of additional amenities in Monopoly and Underwood Parks. If CDBG funding is below the anticipated amount, the shortfall in funds will be covered through the expenditure of existing unallocated previously awarded funds. Should the amount of unallocated funds not be enough to cover the shortfall, the scope of the infrastructure projects will be reduced commensurately and the Public Service project awards will each be reduced to reflect the expenditure of no more than 15% of the entitlement.

#### **UPDATE COVID-19**

The strategy laid out in the 2020-2024 Consolidated Plan was developed and refined primarily from data sources, stakeholder consultations, and public comments from October 2019 through February 2020. The strategy relied on a snapshot of economic, housing and social conditions using available data at that time. Since then, as this plan is being finalized, the impact of the COVID-19 pandemic is just starting to be realized. What is clear is that the pandemic will have severe impact on the local economy, housing market, and welfare of the residents of the Tri-Cities region. These changes will have the greatest impact on the low-and moderate- income and other vulnerable residents that programs identified in the plan seek to assist. Conditions faced by these residents and priority needs identified in this plan will remain critical. Other concerns, such as housing and food instability, domestic violence, and the viability of small businesses may be exacerbated. The strategies identified in this plan will continue to alleviate some hardships faced by our lower income residents in the wake of the pandemic. CDBG staff will continue to analyze local conditions and strategically deploy the resources identified in this plan, as well as new federal resources from the CARES Act that will be made available in response to the COVID-19 pandemic.

Additional CARES Act funding was granted in late 2020 as part of the continuing efforts to prevent, prepare for, and respond to the coronavirus (COVID-19). The funds are identified below in addition to the initial round of CARES Act funding and the FY2020 allocation.

#### **EXPECTED RESOURCES**

**Table 1: Expected Resources Priority Table** 

	Sauraa		Expe	cted Amou	nt Available Y	ear 1	Amount	
Program	Source of Funds	Uses of Funds	Annual Allocation	Program Income	Prior Year Resources	Total	Available Remainder of Plan	Narrative Description

CDBG- CV	Federal	Rapid Response to Economic Impact of Coronavirus (prevent,	\$401,340	\$0	\$0	\$401,340	\$0	Funding to prevent, prepare for, and respond to Coronavirus with an Unduplicated

		prepare for, and respond)						Benefit by filling in the gap of other state and federal funding for a wide range of services
CDBG- CV3	Federal	Rapid Response to Economic Impact of Coronavirus (prevent, prepare for, and respond)	\$506,975	\$0	\$0	\$506,975	\$0	Funding to prevent, prepare for, and respond to Coronavirus with an Unduplicated Benefit by filling in the gap of other state and federal funding for a wide range of services

Prior year resources can include the following:

 Entitlement funds from previous years that were not fully spent down due to projects coming in under budget (i.e. youth recreation scholarships that did not have as many program applicants and participants as expected or Public Works projects that received lower than anticipated bids)

#### **Leveraging Funds and Matching Requirements (AP15)**

The Cities of Richland, Kennewick and Pasco are supportive of efforts by other agencies to apply for or leverage other funding sources that might become available during the year. City staff will be available to provide written and verbal support of projects that will meet a housing and community development need as identified in the 2020-2024 Consolidated Plan, and, within staffing capacity, will assist other organizations that implement portions of the Plan to apply for funds from other local, state, or federal resources.

Each city, as a participating jurisdiction of the Consortium, must make a permanent contribution to show support of affordable housing in the community. The contribution is considered to be a match for federal HOME dollars and must be 25% of the funds drawn from the jurisdiction's HOME Investment Trust Fund Treasury account, excluding funds identified for administering the HOME program and program income. Match obligations are satisfied by permanent non-federal investment in, or contribution to, HOME assisted or HOME eligible projects by reduction or contribution from the City's General or other non-federal funds, reduced cost for land purchased below appraised value, reduced financing fees from lenders and appraisers, grants for affordable housing from non-federal sources, donated construction/housing materials, and volunteer labor.

#### **ANNUAL GOALS AND OBJECTIVES**

#### Allocation Priorities and Barriers (AP35)

Funding priorities are consistent with those stated in the Strategic Plan. The City of Kennewick intends to maximize the use of limited resources to ensure the highest benefit within the capacity to administer the program. Reduced funds have increased the challenge. Given the limited capacity, bricks and mortar projects resulting in visual physical improvements are important when those projects reduce barriers for physically impaired persons; result in the acquisition, construction or improvement to public facilities; and/or, result in neighborhood preservation and revitalization. High priority is also placed on projects that would result in enhancing the economic opportunities of residents.

The City likewise places a priority on bricks and mortar projects that result in the creation or preservation of housing for the elderly or populations with special needs. The City also funds social services to address community needs including projects to assist seniors or populations with special needs and disadvantaged youth.

Whenever feasible, projects that leverage additional funds and/or are coordinated with community partners are emphasized and given priority. The City does not anticipate obstacles to meeting the underserved needs addressed in the projects (within the anticipated funding levels).

#### **GEOGRAPHIC DISTRIBUTION (AP50)**

All of the City's infrastructure improvements are located in low and moderate-income areas as defined by Census Tracts. Low and moderate-income Public Service projects are located throughout the City.

#### AFFORDABLE HOUSING

*Introduction (AP55)* 

In 2020, CDBG funds allocated to the City of Kennewick will be used to assist the Kennewick Housing Authority with required City infrastructure to support their project of developing a 16-unit Micro Home development. HOME goals are included in reporting by the City of Richland, the HOME lead.

A goal of the three Cities is to provide decent affordable housing for its residents. To support this effort each city has programs to address this need. The following provides a general overview of the types of programs and projects that supports this effort.

- HOME Down Payment Assistance Program. Each City provides a down payment program, providing funds for low and moderate income first time homebuyers.
- HOME CHDO. Support efforts of a CHDO to develop single family homeownership units.
- HOME TBRA. The Consortium is looking into a variety of ways to support affordable housing including Tenant Based Rental Assistance.

#### **PUBLIC HOUSING**

#### **Actions to Support Public Housing Needs (AP60)**

The City of Kennewick will help address the needs of public housing and activities in 2020 by continuing to work closely with and supporting efforts of the Kennewick Housing Authority. The City and Authority will continue to coordinate housing activities throughout the City.

There are a variety of assisted affordable housing options available in the Tri-Cities. HUD and the State of Washington (Washington State Housing Trust Funds and Washington State Housing Finance Commission Tax Credits) subsidized housing programs have generated an inventory of housing; the majority of those are family units.

#### **Actions to Encourage Residents (AP60)**

The Kennewick Housing Authority Governing Board includes one position designated for a resident representative. That position is currently filled and the resident representative is fully engaged. Public Housing residents are encouraged to attend Resident Council meetings to discuss how to become more self-sufficient. The Kennewick Housing Authority also encourages Section 8 participants to get their "Ducks in a Row for Housing Choice Voucher Homeownership". This program provides an opportunity to utilize their rental assistance payment for homeownership.

#### **HOMELESS AND OTHER SPECIAL NEEDS ACTIVITIES (AP65)**

The three cities will continue to be involved in the Benton Franklin Human Services planning efforts. The BFHS developed a plan for the homeless with the express purpose of giving nonprofit and government agency providers a "road map" of actions to follow to reduce homelessness in Benton and Franklin Counties. The plan is a concerted effort by numerous agencies, including the three cities, to develop a common understanding of the needs of the homeless and to agree upon a coordinated plan to improve services and housing for homeless. The goal of the plan is to move homeless individuals and families through a continuum of housing and supportive services leading them to permanent housing with the highest level of self-sufficiency they can achieve.

#### Assessing Individual Needs (AP65)

Richland, Kennewick and Pasco will continue to encourage cooperation in sharing information to identify existing resources that might be available to meet the needs of the homeless, or those at risk of becoming homeless. Staff from the City will also participate in and support the annual Point-in-Time Count in Benton and Franklin counties scheduled for January 2020.

#### Addressing Emergency Shelter and Transitional Housing Needs (AP65)

Emergency Solutions Grant funds are not directly administered by the Continuum of Care. However, the Continuum consults on funding decisions. The cities do not address emergency shelter and transitional housing needs of homeless, except through their involvement with Benton Franklin Community Action Committee (BFCAC) and Benton Franklin Human Services. The three cities do not receive ESG funds but will continue to support the development of homeless housing through community resources such as, potentially, the HOME program and 2060 and 2163 Recording Fee resources, as they have in the past.

#### Transitions to Permanent Housing and Homeless Prevention (AP65)

Kennewick purchased and rehabilitated a two-story 4-bedroom home to serve as transitional housing for homeless veterans. This facility has been in operation since 2010 and has housed many individuals for varying lengths of time. The facility is run by the Columbia Basin Veterans Coalition.

In 2010, the City purchased and rehabilitated a 4-plex to serve as transitional housing. Two of the units are used for housing victims of domestic violence and the other two are used for housing families recovering from substance abuse. The facility is jointly run by Domestic Violence Services of Benton and Franklin Counties and Elijah Family Homes.

#### Assistance with Discharge Housing and services (AP65)

Except for involvement with BFCAC, the three Cities do not provide assistance to those being discharged from publicly funded institutions or receiving assistance from public or private agencies.

#### **BARRIERS TO AFFORDABLE HOUSING (AP75)**

The purchase price and downpayment of a home generally serves as a significant barrier to affordable homeownership opportunities, particularly for lower income households. Local HUD-funded housing programs provide affordable housing opportunities for lower-income households by financing down payment assistance. Affordable housing opportunities are also available through programs for minor home repairs and weatherization upgrades to existing homes, decreasing energy costs for low income households.

All three cities encourage infill development to preserve older neighborhoods, and support increase of housing densities in areas where adequate public facilities and services (police and fire protection, schools, water, sewer, and drainage) are in place or can easily be provided.

#### **OTHER ACTIONS (AP85)**

Because of the layout of the Tri-Cities, Benton and Franklin Counties are taking a more regional approach for addressing obstacles to underserved needs. One of the challenges to meeting underserved needs by any one group is the lack of staff capacity, financial resources, and supportive services necessary to address all needs. The City attends, supports, and is an active member of Continuum of Care, an organization comprised of local non-profit, housing, public service, correctional, and government agencies throughout Benton and Franklin counties. By maintaining open communication, collaboration, and partnering efforts among all groups, and reducing duplication of effort, more needs of lower income people can be met.

#### **Actions to Meet Underserved Needs (AP85)**

Decent housing can be made available to those below 30% median income by joining forces with community advocates such as Benton Franklin Community Action Committee and the Department of Human Services to provide affordable housing for this underserved population. Typical projects to meet

this goal would be family shelter, domestic violence shelter, developmentally disabled and chronically mentally disabled housing, elderly housing, migrant farmworker housing, homeless prevention rapid rehousing programs and state and local housing trust funds. The City supports the efforts of local non-profit agencies to meet needs of underserved populations.

#### **Actions toward Affordable Housing (AP85)**

The City will continue to support the efforts of various nonprofit agencies, housing authorities and CHDO's to provide affordable housing opportunities for special needs populations. City staff will be available to assist in identifying potential funding sources and provide technical assistance within staff capacity, and will remain receptive to forming partnerships with other entities to assure vulnerable populations are able to reside in decent, safe housing.

#### Actions to Reduce Lead-Based Paint Hazards (AP85)

The City will undertake the following actions in program years 2020-2024 to increase community awareness of lead based paint and its hazards. The City will provide education on lead based paint including information on Safe Work Practices, actions to take when rehabbing or remodeling a home, and steps to take if exposure to lead hazards is suspected.

The pamphlets "Renovate Right" and "Protect Your Family from Lead in Your Home" published by Washington Department of Commerce and Environmental Protection Agency (EPA) will be distributed to all potential housing clients, and be available via online links from the City's website.

#### **Actions to Reduce Number of Poverty-Level Families (AP85)**

Several activities may be undertaken to decrease cost-burdens for lower income people such as the various housing programs offered by the City and the Tri-Cities HOME Consortium. The City supports economic development projects that create jobs or provide education or training to enable people to become self-sufficient and have an opportunity to work at living wage jobs. Targeted revitalization of neighborhoods should increase the ability to impact the lives of lower income residents who reside there, and promote these areas as a desirable place to live with connectivity to other desirable neighborhoods.

#### Actions to Develop Institutional Structure (AP85)

The City will pursue various activities outlined in the 2020-2024 Consolidated Plan to strengthen and coordinate actions with housing, nonprofit, and economic development agencies. Staff will continue to participate in the Continuum of Care Task Force to assist in the coordination of government agencies, nonprofit organizations, housing developers, social service providers, and Continuum of Care providers to meet the needs of the homeless. Kennewick staff will participate in the Point-in-Time Count of the

homeless, used to measure community trends. The City will, within staff capacity, continue to encourage and support joint applications for resources and programs among housing and service providers.

#### **Actions to Enhance Coordination (AP85)**

The City supports efforts by other agencies to apply for, or leverage other funding sources that might become available during the year. City staff will be available to provide written and verbal support of projects that meet a Housing and Community Development need as identified in the 2020-2024 Consolidated Plan, and will assist other organizations to apply for funds from other local, state or federal resources within staff capacity.

## City Council Meeting Schedule December 2020

City Council passed Resolution 20-08 on June 23, 2020, which temporarily designates the location for regular, special and study session meetings to the virtual location until Benton County enters into Phase Three of the Governor's Safe Start Reopening Plan. The City broadcasts City Council meetings on the City's website <a href="https://www.go2kennewick.com/CouncilMeetingBroadcasts">https://www.go2kennewick.com/CouncilMeetingBroadcasts</a>.

December 1, 2020

Tuesday, 6:30 p.m. REGULAR COUNCIL MEETING

December 8, 2020 Tuesday, 6:30 p.m.

WORKSHOP MEETING (the workshop meeting will be done via Zoom and broadcast on the City's website <a href="https://www.go2kennewick.com/CouncilMeetingBroadcasts">https://www.go2kennewick.com/CouncilMeetingBroadcasts</a>)
