IMPORTANT NOTICES

OTC trading means that trading does not take place on a regulated exchange. There are no guarantees as to the credit worthiness of the counter party of your Forex, CFDs, Options and Spread Betting position. Also, there may be certain cases in which trading liquidity decreases, causing Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices to cease, thereby preventing the liquidation of an adverse position which may result in a substantial financial loss.

Customer understands that it must carefully review the reports relating to Customer's trading posted online by AceFxPro. All reports of execution and statements of accounts will be deemed final unless customer objects within two business days of being posted. - (iii) AceFxPro is authorized to convert funds in Customer's account for margin into and from such foreign currency at a rate of exchange determined by AceFxPro in its sole discretion on the basis of the then prevailing money market rates.

20. INDEMNIFICATION

20.1 Customer agrees to indemnify and hold AceFxPro, its subsidiaries, affiliates, agents, employees, agents, successors and assigns ("Ava Indemnities") harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by any of AceFxPro indemnities arising out of Customer's failure to fully and timely perform Customer's obligations herein or under any Third Party License or should any of Customer's representations and warranties fail to be true and correct.

20.2 Customer also agrees to pay AceFxPro indemnities promptly all damages, costs and expenses, including attorney's fees, incurred in the enforcement of any of the provisions of this Agreement and any other agreements between AceFxPro and Customer.

20.3 In addition to any limitations of liability specified elsewhere in this Agreement, AceFxPro indemnities shall not be held liable and are released from all claims and losses incurred in such regard if the claim or loss was caused or contributed to by:

- (i) The actions or omission to act on the part of Customer,

20.4 AceFxPro shall be entitled to setoff Customer's liabilities under this section from Customer's account.

21. MARKET ABUSE AND MANIPULATION

21.1 PROHIBITION ON ARBITRAGE AND MANIPULATION

21.1.1 AceFxPro does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the AceFxPro platform.

21.1.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.

21.1.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which AceFxPro has determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.

21.1.4 If AceFxPro suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with AceFxPro) or externally (using other trading accounts held with other brokers), AceFxPro reserves the right to cancel any trades or profits associated with Customer's account(s).

21.2 MARKET ABUSE

21.2.1 AceFxPro may hedge our liability to you by opening analogous positions with other institutions or in the underlying market. The result of our doing this is that when you trade with us your trades can, through our hedging, exert a distorting influence on the underlying market for that index, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse.

GENERAL TERMS & CONDITIONS

21.2.2 Customer represents and warrants, and agrees that each such representation and warranty is deemed repeated each time Customer opens or closes a position that:

(a) Customer will not place and has not placed a trade with us relating to a particular index or any other CFD price if to do so would result in Customer, or others with whom Customer is acting in concert together, having an exposure to the price of the underlying financial instrument which can create a situation of market abuse.

This exposure can be equal to or exceeding the amount of a declarable interest in the relevant financial instrument. For this purpose, the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) or other exchange upon which the underlying financial instrument is traded; and

(b) Customer will not place and has not placed a trade with us in connection

with: (i) a placing, issue, distribution or other analogous event;

(ii) an offer, take over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which Customer is involved or otherwise interested; and

(c) Customer will not place or close a position and Customer will not place an order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. Customer agrees that AceFxPro may proceed on the basis that when Customer opens or closes a position or places an order on a share price, Customer may be treated as dealing in securities within the meaning of the relevant statutes or regulations.

21.2.3 In the event that (a) Customer places or closes any trade or places an order in breach of the representations and warranties given, or AceFxPro has reasonable grounds for suspecting that Customer may have done so, AceFxPro may at our absolute discretion and without being under any obligation to inform Customer of our reason for doing so close that trade and any other trade or trades that you may have open at the time, if applicable, and also at our absolute discretion cancel any trades or profits associated with Customer's account(s)

21.2.4 Customer acknowledges that trade are speculative arrangements and Customer agrees that Customer will not enter into any transactions with us in connection with any corporate finance style activity.

21.2.5 Customer acknowledges that it would be improper for Customer to deal in the underlying market if the sole purpose of such a transaction was to impact on our bid or offer prices, and Customer agrees not to conduct any such transactions.

GENERAL TERMS & CONDITIONS

22. EXECUTION OF ORDERS, STOP AND LIMITS

22.1 AceFxPro will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.

22.2 AceFxPro reserves the right to refuse to accept any order.

22.3 AceFxPro may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the terms of this Agreement and any other terms and conditions AceFxPro may implement from time to time.

22.3.1 "Close at Loss" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.

22.3.2 "Close at Profit" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.

22.4 Upon Customer's offer and AceFxPro's acceptance of an order, Customer hereby authorizes AceFxPro to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.

22.5 AceFxPro may, in its sole discretion, close the transaction when the price quoted by AceFxPro on the trading platform equals the price accepted by AceFxPro for such an order.

22.6 Customer acknowledges and agrees that AceFxPro shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.

22.7 Customer acknowledges and agrees that due to market volatility and factors beyond AceFxPro's control, AceFxPro cannot guarantee that a Close at Loss order will be executed at the level specified in Customer's order. In such an event, AceFxPro will close the transaction at the next best price.

GENERAL TERMS & CONDITIONS

22.8 If, before Customer's "Limit Order" offer to open or close a transaction is accepted by AceFxPro, AceFxPro's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that AceFxPro will execute the closing transaction at the Customer's specified price and not better. Customer agrees that AceFxPro can retain such price movement for its own account.

22.9 Customer is aware that a part of AceFxPro's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces AceFxPro's spread in a specific transaction, AceFxPro may, at its sole discretion, choose not to execute such transaction, in which case AceFxPro may send Customer an amended quote for his consideration. AceFxPro may complete a transaction at its sole discretion in case the fair market price does not affect AceFxPro's spread from the transaction and / or increases it.

23. RISK ACKNOWLEDGMENT

23.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.

23.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.

23.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of AceFxPro's carrying his/her account(s), Customer agrees not to hold AceFxPro and any of its subsidiaries, affiliates or agents responsible for any losses incurred by Customer.

23.4 Customer recognizes that guarantees of profit or freedom from loss are impossible in OTC trading.

23.5 Customer acknowledges that Customer has received no such guarantees from AceFxPro or from any of its representatives or any introducing agent or other entity with whom Customer is conducting his/her AceFxPro account and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.

23.6 The high degree of leverage that is obtainable in the trading of Forex, CFDs, Options and Spread Betting transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.

23.7 During times of extreme volatility it can be difficult or impossible to execute orders.

GENERAL TERMS & CONDITIONS

24. MARKET RECOMMENDATIONS AND INFORMATION

24.1 Customer acknowledges that:

- (i) Any market recommendations, signals and information communicated by any method of communication to Customer by AceFxPro and any of its subsidiaries, affiliates, agents or by any person within AceFxPro does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, and that AceFxPro does not provide investment advice
- (ii) Such recommendation and information, although generally based upon information obtained from sources believed by AceFxPro to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and

24.2 Customer understands that Customer is solely responsible for assessing the merits and risks of any trade it may enter into with AceFxPro whether as a result of information provided by AceFxPro or otherwise.

24.3 Customer acknowledges that AceFxPro and/or its officers, directors, affiliates, associates, stockholders or representatives may have a position in or may intend to buy or sell Forex, CFDs, Options and Spread Bets, which are the subject of market recommendations furnished to Customer, and that the market position of AceFxPro or any such officer, director, affiliate, associate, stockholder or representative may not be consistent with the recommendations furnished to Customer by AceFxPro.
