SECTION 3:

Coverage Changes

A. CHANGES TO YOUR PREMIUM:

1. What will NOT cause a change in your Pet's premium:
 - a. Your premium will not change based on your Pet's individual claims experience.
2. What WILL cause a change in your Pet's premium:
 - a. If you decrease your Annual Policy Limit (see Section 3.B.3. for information on increasing your Annual limit).
 - b. If you increase or decrease your Deductible.
 - c. If you increase or decrease your Co-Insurance percentage.
 - d. If you remove the Supplemental Benefits described in Section 2.B. (see Section 3.B.3. for information on adding Supplemental Benefits).
 - e. Your Pet's Policy Renewal Date.
 - i. This adjustment will be based on the changes in your Pet's age as well as the overall cost of care.
 - ii. If the Company adjusts your premium, we will notify you in writing by mail or by email (to the last address known to us) at least 30 days before your change takes effect.
3. What MAY cause a change in your Pet's premium:
 - a. If your address changes. We require notification within 30 days of an address change.

B. POLICYHOLDER-INITIATED CHANGES:

1. Downgrades: We are happy to help you lower your premium at any time. Downgrades are a decrease in your Annual limit, removal of a Supplemental Benefit, a decrease in Co-Insurance, e.g. moving from 80% Co-Insurance to 70%, or an increase in your Annual Deductible. You can request a change of this kind at any time, but your future claims will be held to the new lower benefit level.

2. Upgrades: Conversely, you may be eligible to upgrade your policy, but these changes can only be made on your Policy Renewal Date. Upgrades are limited to an increase in Co-Insurance, e.g. moving from 70% Co-Insurance to 80%, or a decrease in your Annual Deductible. Please contact us to check your eligibility.
3. New Policy: Adding any Supplemental Benefit or increasing your Annual limit will require that you cancel your current policy and that we issue a new one with new Waiting Periods, a new Policy Effective Date, and a new Policy Renewal Date. Cancelling your current policy and starting a new policy will result in the Pre-Existing Conditions exclusion (see Section 9.A.) being applied at the Policy Effective Date of the new policy. This means that any Condition showing signs or symptoms at the time you request the change or during the Waiting Period will be considered Pre-Existing to the new policy and any related claims will be denied.

SECTION 4:

General Conditions of Coverage

- A. Your Pet's premium is payable as described on your policy declaration page. This policy will continue until canceled and will renew automatically every year as long as your premium payments are current. If premiums are unpaid, the Company may cancel this policy by sending a notice of cancellation to you at your last known address at least 30 days before the effective date of cancellation. If you fail to make a premium payment before the cancellation date the Company will cancel your policy back to the date to which your premiums were pre-paid.
- B. If the policy is cancelled for non-payment of premiums, we may, at our option, reinstate the policy if we receive the full past due premium, along with a written or verbal request for reinstatement within 15 days after the effective date of cancellation. Cancelled policies for non-payment of premium are subject to underwriting review prior to coverage being reinstated.
- C. The successful payment of your premiums constitutes your acceptance of all terms and conditions contained in this policy.
- D. All of your Pet's treatments must be provided by either a Veterinarian with the necessary training and experience or staff under a Veterinarian's direct supervision.
- E. Coverage for treatments may be provided under this policy only while the Pet is in the United States of America, Canada, or any region under US government control, such as territories or military installations/bases in foreign countries.
- F. No coverage is provided for any treatment costs or losses incurred during times your policy is not in force.
- G. This policy is not transferable to other Pets.
- H. You may cancel your policy by notifying us in writing via mail, fax, or email. Any unearned collected premium will be refunded pro rata from the effective date of cancellation.
- I. You can cancel your policy for any reason within 30 days after the Policy Effective Date and the Company will refund 100% of any premium paid as long as no claims have been paid or submitted. This will void the policy from the beginning, and any pending or not yet submitted claims will be denied.
- J. Insurance fraud unfairly increases premiums for all policyholders. If any policyholder provides false, misleading, and/or dishonest information, we may not

pay the claim, may void that policy, and may be required by law to report it to governmental authorities.

- K. You must be the owner and in possession of the insured Pet. If you transfer ownership or possession of the Pet to a different owner to care for the Pet, we will arrange for continued coverage if we are contacted within 30 days from the date ownership transfers. Otherwise policy coverage terminates on the date your ownership or possession terminates.
- L. We will not make payments for claims if you are entitled to indemnity under any other insurance, except for:
 - 1. Any additional sum that is payable over and above such other insurance; or
 - 2. Any contribution that we are obligated to make by law.
- M. All parties may voluntarily agree to resolve any claim or dispute that arises from or related to this policy exclusively and finally by non-binding arbitration. Any such arbitration will solely involve you and the Company, the direct parties to this policy, and will be conducted by a single arbitrator appointed by the American Arbitration Association or the Consumer Arbitration Rules. Any arbitration proceedings will be held at a mutually agreeable location within your state, or other jurisdiction of residence, provided that all parties may also attend the arbitration via telephone, video teleconference, or other similar means. Any award rendered by the arbitrator will be final and non-binding on all parties. The costs of arbitration, including all reasonable filing fees and arbitrator fees, shall be shared equally by the parties. Other expenses of arbitration, including, but not limited to attorney fees and costs, will be borne by the party incurring those expenses.
- N. Severability: If at any time this policy's provisions are in conflict with the applicable laws, rules, and/or regulations of the state or other jurisdiction of residence in which this policy is issued, the provisions will be reformed and construed to be valid, legal, and enforceable to the maximum extent permitted by such applicable laws, rules, and/or regulations to effect the original intent of the parties as closely as possible.
- O. Entire contract: This policy, the policy declaration page, and any attached riders or endorsement(s) contain all the agreements between you and the Company and supersede any prior agreements or understandings between us.

SECTION 5:

SECTION 6:

The Claims Process

- A. You must submit a complete claim form and supporting paid invoice(s) within 180 days of the treatment date. For the fastest and easiest claim filing experience, please log into your Customer Account at <https://getodie.com/> and use our electronic claims upload process to submit your documents. Alternately, you can request a personalized claims form by email at support@odiepetinsurance.com and we will mail, email, text message or fax one to you.
- B. You must cooperate with us in the investigation or settlement of any claim.
- C. We may require complete medical history/records associated with your Pet to process your claim.
 - 1. At our request, you agree to provide us with all of your Pet's medical history and records
 - 2. You authorize us, at the time of enrollment and any time after to contact any and all veterinary clinics or hospitals to obtain all available medical records that exist for your Pet.
 - 3. You authorize any and all veterinary clinics or hospitals to release to us all medical records that exist for your Pet.

If you cannot (or refuse) to disclose a complete medical history for your Pet when requested, we may deny your claim(s).

- D. You are financially responsible to your Veterinarian for the payment of all fees and costs. You may have your claims paid directly to the treating Veterinarian if an arrangement to do so exists between us and the treating Veterinarian. Please call us for details.
- E. We will not guarantee on the phone if we cover a claim.
- F. Proration of costs will occur if the invoiced items are applicable to both a covered and non-covered Condition. Unless a cost breakdown is provided on the invoice, we will prorate the invoice items evenly among the claimed Conditions.
- G. If you disagree with the coverage provided on any claim, you may request a review of the decision using our voluntary appeals process. If you believe we wrongly affirmed denial of your claim through this appeals process, you can request further review by an independent third-party Veterinarian (ITPV) we have selected. We select these Veterinarians solely on their ability to decide on issues

of medical nuance and have no other relationship or affiliation with us. The ITPV's decision will be final and binding on us. Disagreements regarding direct policy exclusions, timing of coverage, and policy wording interpretations are not eligible for ITPV review.

- H. If we pay a claim for any Condition that is not eligible under the policy terms and conditions, the payment we made does not waive our right to apply the terms and conditions of this policy appropriately to any other submitted claims.

SECTION 7:

Eligible Claims – What You Pay

- A. Your selected Co-Insurance
- B. Your selected Deductible
- C. Any amount that exceeds your Annual Policy Limit
