FAIRWAY CINCO DE MAYO COFFEE BLEND

The majority of Mexico's coffee is grown along the Southern border, where mountain ranges and jungles give coffee plants the nutrients and altitude they need to produce beautiful beans. This medium roast highlights a black cherry flavor. Mild in acidity and full-bodied, this great breakfast coffee will have you pouring a second cup. And don't forget to add a little bit of ground cinnamon to make it an authentic CAFE DE OLLA Mexican coffee recipe.
