Dear Expectant Mother

WE ARE MONICA AND NIKKI, AND WE ARE WRITING THIS LETTER WITH A HEART FULL OF LOVE, HOPE, AND GRATITUDE.

We cannot begin to imagine the emotions you must be experiencing, but we want you to know how deeply we admire your strength and courage in considering adoption for your child. We are truly grateful for the opportunity to share our story with you and hope that it brings you comfort and peace in your decision.

Our journey together began with a shared passion for making the world a more equitable and inclusive place. As a bi-racial couple, we understand the importance of embracing diversity and fostering a sense of belonging. We are lifelong learners who passionately embrace hard work, fuel our curiosity, and relish in life's experiences and adventures.

We eagerly look forward to providing a loving, nurturing, and supportive home for your child. If you choose, we would be honored to keep you updated on your child's journey in life, sharing occasional pictures and milestone events that occur. We believe it is essential for your child to know their history and the incredible love that brought them into our family.

We understand that you have a difficult decision ahead of you, and we want you to know that we are here to support you as much as possible. If you choose us to be the adoptive parents of your child, we promise to honor your decision by providing a life filled with love, laughter, and endless opportunities for growth and happiness.

With heartfelt gratitude and love,

Monica & Nikki

OUR Story

OUR FAMILY CURRENTLY INCLUDES OUR TWO SMALL DOGS, LUNA AND OLIVER, WHO BRING JOY AND LAUGHTER TO OUR LIVES EVERY DAY.

We met at a business event in 2016. Monica was the event sponsor and Nikki was the keynote speaker of the event. We hit it off as friends, soon fell in love, and have been together ever since.

We met in June 2016, got engaged in June 2017, and married in July 2018. We've been together for 7 years and married for 5 years.

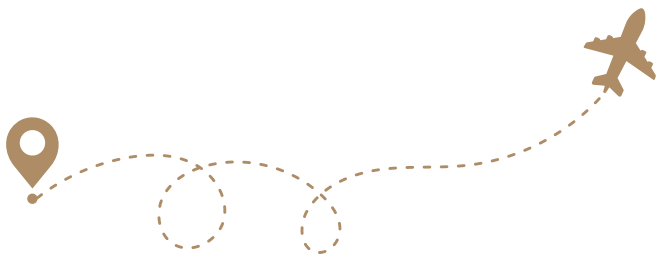

We have always dreamt of expanding our family and have tried IVF treatments to have a child of our own. Unfortunately, we have been unsuccessful in our attempts, and this has led us to the beautiful path of adoption.

Our first date was ...

July 1, 2016...and exactly 2 years later we were married on July 1, 2018.

Our dream vacation is any place that fills us with awe. We have traveled all over the world from Pacific islands to European towns to Asian villages. We love walking around, exploring the place, people, and food.

Why adoption?

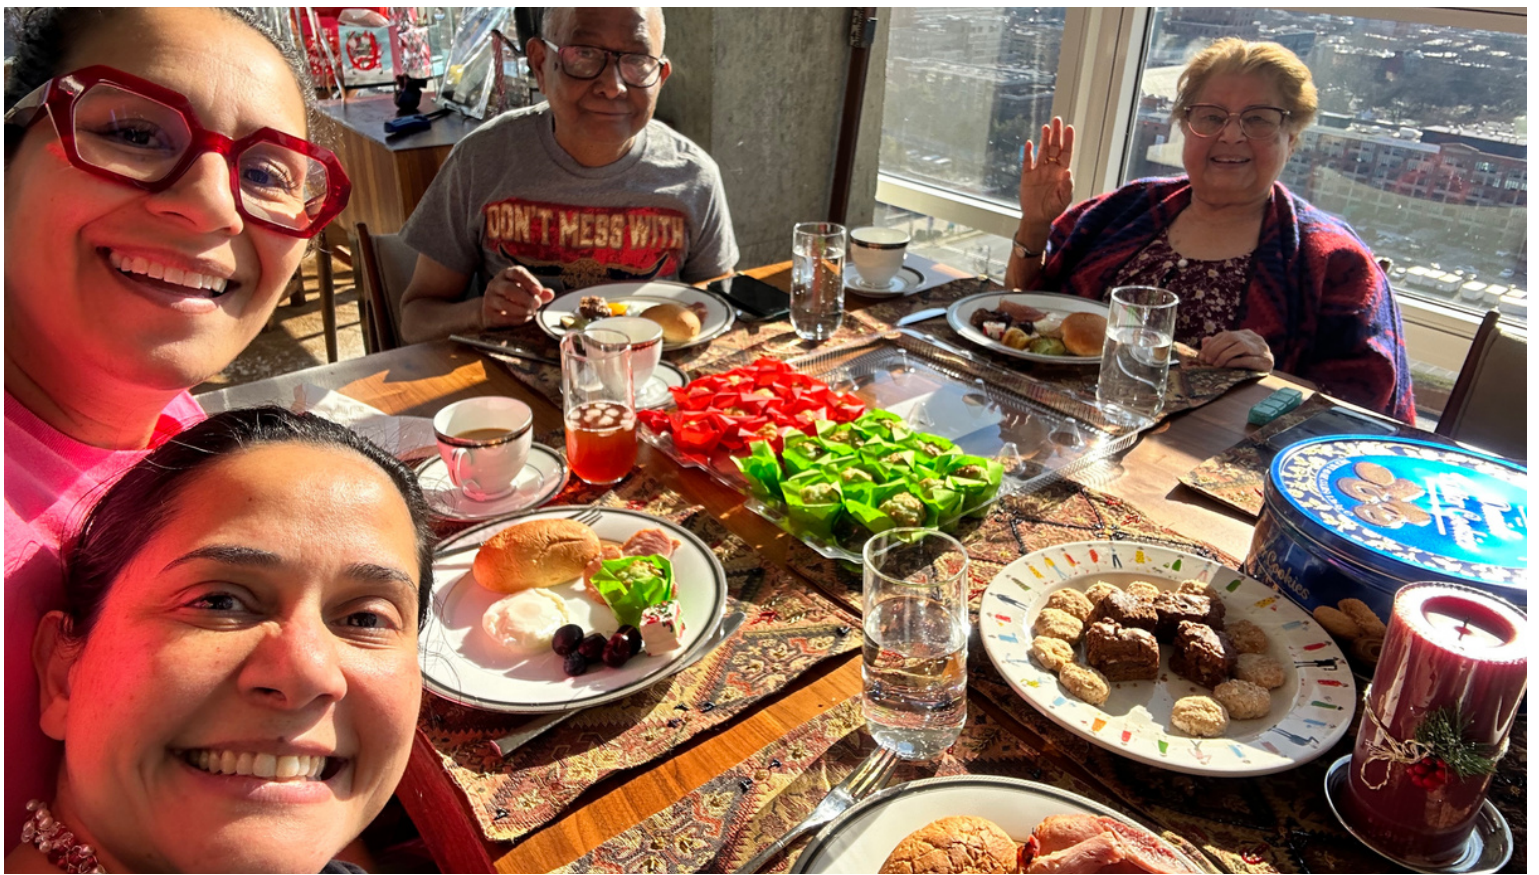

We want to grow our circle of love and provide a loving home and family.

We are both very close to our families. We are fortunate to have had a wonderful upbringing and want to do the same for our children.

We are responsible adults who are deeply caring people. We have the financial resources and the professional flexibility to provide well for our child.

We tried IVF, which was unsuccessful. We don't want to give up our hope of motherhood and that's why we are adopting.

Adoption is a dream come true for us because we have pined for a child for so long. We are ready to be parents and take care of a child.
