DECISION no.1

From: The Stewards	Date: 02/07/2022
To: St.no.55/SuperBuggy/Ludovic Besson	Time (decision): 08:45

The Stewards, having received a report from the FIA Technical Delegate (Report No 6.5), heard the driver/competitor Mr. Ludovic Besson determine the following:

Driver/Competitor : Ludovic Besson/Ludovic Besson

Time : 02/07/2022 – 08:30

Session: During initial scrutineering

Fact: Buggy st.no.55 has only one tube of the Safety cage not according the regulation

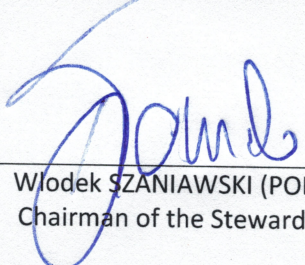

Offence : Appendix J-279A-3.7

Decision : The Stewards decided:

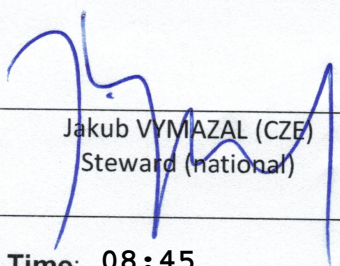

1. Approve Buggy # 55 Ludovic Besson to start in Round 4 of FIA EAX 2022
2. To inform the next panel of Stewards for FIA EAX 2022 that this car has to change the Safety cage and cannot be accepted to start without this change at the next Event.
3. To inform French ASN that this buggy will not be accepted at another Event of FIA EAX 2022, without change of the Safety cage and without correction of the FIA passport

Reason: During initial scrutineering the FIA Technical Delegate has found that Super Buggy No. #55 has only one tube of the Safety cage not according the regulation, the production year of the buggy is at 1996 and this one tube has less diameter, all other tubes are according to the regulation.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limit.
