Colegiul Comisarilor Sportivi au fost informati despre faptele urmatoare, au audiat Seful Verificarilor Tehnice si reprezentantul echipajului nr. 82 si au decis urmatoarele:

**Fapte:** Nerespectarea regulamentului CNRB privind prezentarea la VTI cu documentele corespunzatoare

**Ofensa:** Nerespectarea prevederilor art. 31.1.4 din Regulamentul CNRB

**Decizia:** Nu au fost aplicate penalizari.

**Motiv:**

- Seful Verificarilor Tehnice a inaintat Raportul VTI catre conducerea cursei, unde au fost inregistrate neregulile intalnite la Verificarile Tehnice Initiale. Masina echipajului nr. 82 a fost verificata de catre Comisarii Tehnici la Verificarile Tehnice Initiale, unde pasaportul tehnic avea lipsa fotografii. Neregulile nu au fost remediate pana la reverificarile tehnice de Vineri, 30.07.2021, din intervalul 07:00 – 08:00. A fost convocat pentru audiere reprezentantul echipajului nr. 82. Pilotul si copilotul au sustinut faptul ca nu au fost informati de catre mecanici despre aceste fapte si au promis ca pana la finalul raliului sa aiba fotografiile incluse in pasaport.
- A doua zi, Seful Verificarilor Tehnice a confirmat faptul ca problemele au fost remediate in timpul programului de reverificari tehnice.
- Luand in considerare prevederile art. 31.1.4 din Regulamentul CNRB "Echipajul trebuie să prezinte fișa complete de omologare FIA/FRAS a automobilului. La verificările tehnice Automobilele de competiții trebuie să corespundă Pașaportului Tehnic și fișei de omologare FIA. Echipajele care nu prezintă Pașaportul Tehnic al automobilului de competiție, completat, semnat și ștampilat, nu vor fi admise.", dar avand in vedere faptul ca problema a fost remediata in termenul mentionat, Colegiul Comisarilor Sportivi nu aplica penalizari. Totusi, se reaminteste concurentilor faptul ca lipsa pasaportului completat la verificarile tehnice initiale va putea fi sanctionata la urmatoarele etape cu refuzul startului.

*The Stewards Panel was informed about the following facts, have heard the Chief Scrutineer and the representative of crew no. 82 and have decided the following:*

**Facts:** *Breach of the regulations regarding participation in the initial scrutineering with the corresponding documents*

**Offense:** *Breach of art. 31.1.4 in the CNRB Regulation*

**Decision:** *No penalties were applied.*

**Reason:**

- *The Chief Scrutineer submitted the initial scrutineering report, in which the non-conformities during Initial Scrutineering were recorded. The car of crew no. 82 was checked by the Scrutineers, while the technical passport did not contain the car photographs. The non-conformities were not fixed until the rescrutineering on Friday, 30.07.2021, 07:00 – 08:00. The crew no. 82 representative was summoned to a hearing. The driver and codriver of crew no. 82 have stated the fact that they were not informed by the mechanics about this fact and have promised that by the end of the rally to have the images included in the passport.*
- *The Chief Scrutineer confirmed the second day that the issues were fixed during the rescrutineering schedule.*
- *Taking into consideration art. 31.1.4 from the CNRB Regulations "The crew must show the cars' complete certified homologation form. At the scrutineering, the car must comply with the Technical Passport and the FIA homologation form. Crews that do not present the car's Technical Passport, completed, signed and stamped, will not be admitted.", but also considering the fact that the issue was fixed within the specified timeframe, the Stewards Panel will not apply any penalties. However, the competitors are reminded that the lack of complete information in the Technical Passport during initial scrutineering may be sanctioned at the next stages with the refusal of start.*
