

**CAMPIONATUL NATIONAL DE RALIURI BETANO 2021
ETAPA A VII-A, SIBIU, 30 – 31 IULIE 2021**

Facts: Breach of the regulations regarding participation in the initial scrutineering with the corresponding documents

Offense: Breach of art. 31.1.4 in the CNRB Regulation

Decision: No penalties were applied.

Reason:

- The Chief Scrutineer submitted the initial scrutineering report, in which the non-conformities during Initial Scrutineering were recorded. The car of crew no. 8 was checked by the Scrutineers, while the technical passport was not filled in. The non-conformities were not fixed until the rescrutineering on Friday, 30.07.2021, 07:00 – 08:00. The driver from crew no. 8 was summoned to a hearing, who mentioned that he did not know about this fact and that the passport will be filled by the second day before the start.
- The Chief Scrutineer confirmed the second day that the issues were fixed during the rescrutineering schedule.
- Taking into consideration art. 31.1.4 from the CNRB Regulations "The crew must show the cars' complete certified homologation form. At the scrutineering, the car must comply with the Technical Passport and the FIA homologation form. Crews that do not present the car's Technical Passport, completed, signed and stamped, will not be admitted.", but also considering the fact that the issue was fixed within the specified timeframe, the Stewards Panel will not apply any penalties. However, the competitors are reminded that the lack of complete information in the Technical Passport during initial scrutineering may be sanctioned at the next stages with the refusal of start.
