NON-HAZARDOUS DECLARATION

Dear all,

We have attached a non-hazardous declaration form that the shippers will need you to fill in.

If you do not fill in the hazardous form, you will pay an additional **surcharge of USD 250 per vehicle plus fines** on arrival in ports.

Basically, all cars, service van etc. which will be loaded onto a ship must have **both battery terminals disconnected** and there should be **no fuel** in the cars.

Finally, Due to the pandemic the shipping company has advised if you can send the containers a week before the deadline date as mentioned on the comp info to avoid any delays.
