For Those who are planning to send tyres, fuel, and spares to Amboseli for storage until rest day, please be advised such an arrangement will be between the competitor and the lodge concerned.

With regards to tyre decals, you must inform the Technical Delegate prior to scrutineering in Naivasha, how many tyres you intend to use before Amboseli (rest day) so as to issue the decals accordingly and marked tyres presented at scrutineering. The balance of the decals will be issued in Amboseli on a similar arrangement.

Furthermore, with regards to Park Fees, please be advised the fees are applicable to Tsavo East Park only. For Amboseli Park, service cars/management cars will not require to transit because rally HQ is located outside the park. Competitors will transit through the Park, and should management want to go to the start and or end of stages (although the organisers recommend you don't), any park fees applicable will be payable at the gate directly. For this arrangement, park fees can be paid via credit card or Mpesa.
