

Carryduff Forklift Down Rally 2022

The Roadbook is available on

www.downrally.com/competitors-info.html

This is a “hidden” webpage not visible from the main menu.

Please note that Competitors will be provided with a printed copy of the roadbook at Reconnaissance sign on – this link is provided for Competitors who wish to pre-plan their reconnaissance in advance of sign on.

Also note that I have tried to link this direct to Sportity but because of the size of the file this has not been possible hence a couple of earlier failed attempts to provide this link.
