12.1617 Environmental Prescriptions

Corrected article numbering.

New article:

12.18 Time Control Procedure in Overnight Parc Fermé

The time control OUT from the overnight parc fermé will be located approximately in the middle of the hall. In relation to the check-in procedure (FIA WRC, Art. 44.2), please note that the car does not have to enter the control area but may wait where it has been parked until the co-driver gives the driver a sign that the competitor has a start time to the following service. The car may then be driven out of the hall, using the route given in the Road Book drawings and depending on the individual service bay locations.

New article:

12.19 Finish Holding Area

Please see Road Book page 124B for the correct location of the Finish Holding Area immediately after TC 22C. The road section from the Holding to the Podium is under parc fermé conditions, please follow marshalls instructions.

2. Amendments to the Road Book

RB page 8, box 31: add Media Zone sign to Information column

Due to the re-location of the overnight parc fermé, please replace the following pages with the ones attached to this Bulletin (also, see Art. 12.18 above):

8B, 9B, 65B, 67B, 94C, 96B

RB page 124, box 6: remove the text 'Holding Area'
