Due to the current worldwide pandemic with the coronavirus, the Organizer must follow specific rules and restrictions set by the Estonian Government. Please read carefully the information and guidelines given below.

Each Stakeholder will be asked to fill in the questionnaire which will be available after the publication of the start numbers on 08.02.2021 18:00 and to nominate all persons (including team members, crew and suppliers) who should receive the accreditation to access to the Service Park. There is no second option to add persons to this list.
No name on the stakeholder list = no access.
Maximum number of personnel per team is 6 (including the crew).

Participants or their team members from **Latvia, Lithuania and Finland:**
- Must not have any symptoms of illness;
- Can only be involved in rally related activities while in Estonia, i.e. do not use public transportation nor be present in crowded places;
- Are required to perform a negative coronavirus test (PCR) in the home country not earlier than 72h before departure and to have an electronic or paper-based proof in English at the entry point in Estonia (also send it to Organiser: covid19@autosport.ee).

Participants or their team members from **other countries**
- Must not have any symptoms of illness;
- Can only be involved in rally related activities while in Estonia, i.e. do not use public transportation nor be present in crowded places;
- Are required to perform a negative coronavirus test (PCR) in the home country not earlier than 72h before departure and to have an electronic or paper-based proof in English at the entry point in Estonia (also send it to Organiser: covid19@autosport.ee);
- When arriving at Estonia, are immediately required to take (within 24h) the coronavirus test (58 EUR) and have to remain in self-isolation until taking the test and receiving the results (estimated 12-hour results return). Test time and place must be agreed with organiser (covid19@autosport.ee);
- Will not be allowed to be involved in any rally related activities before receiving negative test result.
