After a request of Competitor #210 G-Force Motorsport, where he ask for a compensation for the time spent on the stop, that arose as a result of the accident of the crew #204 which happened about 8 km before the finish line.

After we confirmed that during SS2, competitor #204 was stopped some 8 kms before the finish line after an accident with a result of broken suspension.

We can verify with the GPS that the competitor #210 actually stopped during 25 seconds at the place where the competitor #204 was.

Consequently, a total of 25 seconds are compensated to the competitor #210 in the SS2.
