The Stewards, having received a report from FIA Technical delegate (Report No 6.4), summoned and heard the driver Anastasiya NIFONTOVA and team representative Anton GAVRILOV (Summons No 4), examined the video evidence provided by the team, heard the Chief Scrutineer, have considered the following matter, determine the following:

Fact: The overall length of the car No 216 being checked over the maximum limit

Offence: Breach of App J Art. 286-4.3

Decision: No further action

Reason: According to the information received from Competitor No 216 during the hearing held on 7th February 2021 the Competitor no 216 during the pre event scrutineering the length of the car was measured and confirmed to be comply with the technical regulations, proved by video evidence.

Following the report from FIA Technical Delegate (report No 6.6.) they assume the difference in term of length we measured was consequent to the installation of a spare wheel bracket (additional to the chassis). Actually, this bracket is useful to carry the sole spare wheel by this vehicle.

The Stewards decided that the Competitor has been misled by the information above and therefore no further action is taken.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
