The CoC received a request from the Competitor #203 G-FORCE MOTORSPORT, Drivers A. Novikov / V. Novikov, where he ask for the compensation of the time lost on SS7, due to the fact that a snowmobile went to the track in front of the crew at position about 19.94 and drove in front of them till position 21.39, braking them sometimes up to 20 km/h.

The CoC received also a footage from the registered onboard camera of the crew where it can be clearly seen a snowmobile in front of the car during 35 seconds at a variable and speed (between 60 and 20 km/h).

As a reminder, Article 2.32 CCR SR define a Selective Section as a "Timed speed test on roads/open country not closed to the public for the event."

As a consequence, the competitor cannot claim a compensation of the time lost in a SS behind a public vehicle when the Selective Section is not closed to the public for the event.

Consequently, the CoC DECIDE:

Do not compensate the possible time lost in SS7 by Competitor #203 G-FORCE MOTORSPORT (A. Novikov / V. Novikov) .
