Rally Organizers

DEAR PARTICIPANTS,

Rally professionals are going to be welcomed by quite some battles and fights. Hot engines, gravel, jumps, sudden turns and breathtaking speed! You are going to race in Elektrėnai municipality and Trakai district. You will drive through five different special stages - twice, over 50 different and fun kilometers that mostly are covered by gravel. These roads require special attention.

The course you would need to overtake is filled with surprises. Just like in life: some humps might become an obstacle for one drivers, as for others - just a needed step closer towards Olympus.

I am sure it is going to be difficult, however, please do not forget: you are not alone. You have thousands of spectators supporting you. All of them supporting you, the favorite crew. All of you supported, trying to be faster, the first, the better.

I am truly happy that "Rally Elektrėnai" present the gift of unforgettable event, as you have a pretty big task there, too: to show stamina and professionalism. You are always opening new doors, having another mission all together: to teach every other driver of one of the most important things: responsibility.

Stay brave and determined. May the best team win!

Kęstutis Vaitukaitis

Mayor of Elektrėnai Municipality
