STATION LE SEAU
MONTEBERG
RALLY

Dear team

Do you want your fans and your technical team to never lose sight of you?

That's possible! Via the GeoDynamics track & trace system, everyone can follow where your location through a **personal website link**.

Not only does your support team know exactly where you are on the track so they can prepare optimally... But also friends, family, sponsors and fans **do not have to miss a second of your race** via a personal link on Facebook or Twitter.

Fast

Real time is real time.
Your location is shared
immediately.

Effective

Don't waste any more time
by manually submitting
your position.

Treat your fans

Let your followers know
where you are and share it
via social media.
