SERVICE

Everyone entering the service area will have their body temperature measured with a scanner (airport Style).

If the temperature is above 37.5C, the person must step aside and wait for around 10 minutes to have the temperature measured again. If the repeated measurement also shows high temperature, the person will not be allowed inside the service area, and this person must immediately contact their team manager, which contacts rally medical personnel, which makes the decision about the further steps.

If temperature is lower than 37.5C the person can proceed towards SP entrance where his personal pass will be scanned and his wrist band will be checked. Entrance will be granted only to persons with both wrist band and digital pass.

Face mask must be used while in Service park.

There are hand sanitizers available at the entrance of service zone.

Service area contains recycling bins.

No public allowed, service area will be closed for spectators – entry will be allowed only to competitors, officials, and the priority media.

TESTS BEFORE THE EVENT

Team members must wear face masks while working.

RECONNAISSANCE

Reconnaissance takes place with the crew being in one car.

When visiting local stores or catering facilities wear a face mask.

ADMINISTRATIVE CHECKS / RECEIVING DOCUMENTATION / GPS TRACKING DEVICES

Before entering the area, every visitor will have their temperature measured with a scanner thermometer (airport Style).

Competitors can only enter the area with a face mask.

All visitors and competitors must maintain a 1 metre distance.

Organiser can limit each team (Crew) number of representatives inside the administrative checking to 2 persons.

Hand sanitizer must be used by anyone entering the area.

Crews must provide the organiser with as much information as possible beforehand, so that the administrative check time is as short as possible.

It is forbidden to have unauthorized persons in the area.

QUALIFYING STAGE BEFORE THE EVENT

Competitors are asked to maintain 1 meter social distancing before the start and after the finish and to wear a mask during interview.

TECHNICAL (CAR, EQUIPMENT) SCRUTINEERING

No more than 3 crew representatives can be in the scrutineering area.

Crew members, when entering the area, must be wearing face masks.

When entering the area, crew members must use the hand-sanitizer.

Scrutineering area is closed for spectators, entrance is only allowed for competitors.

Media is not allowed in the scrutineering area.

All people inside the area must maintain a 1 meter distance from each other.

TIME CONTROLS / MARSHALS

For ERC crews time cards must be shown to rally officials.

If competitors exit their vehicle in time control points – the balaclava must be used to cover mouth/nose or face mask must be used, the same rules are a must for other team members in those zones.

OPENING CEREMONY

One-meter distance must be respected and face mask must be worn at opening ceremony.

STARTING POSITION SELECTION

One-meter distance must be respected and face mask must be worn at start position selection.
