### NEU ALL

20 minutes

### Liaison B

Time allowed: 2h30

## GENERAL DESCRIPTION

- KM 0 – Sandy and twisty track between big dunes, the navigation is difficult! Lots of tracks and “fork”.
- KM 55 – The sandy tracks continue, but this time inside dune valleys, the rhythm changes! Now the selective is faster!
- KM 68 – CP1, The track is still fast, but the terrain is harder +/- gravel.
- KM 127 – Big change of pace and terrain, the sector is more mountainous and the track is very turning track between stones, the navigation is still complicated, many “fork” and changes of course, stay focused and concentrated!
- KM 160 – Nice sandy canyon, formed by big stone mountains, the navigation remains difficult, because the tracks are not very visible!
- KM 207 – NEU ALL, fuel and start of HP in the big dunes of Ha'il!
- KM 257 – End of HP and resumption of beautiful winding and sinuous tracks in sandy valley until the end of the selective sector.
