↳ rally safe alerted to triangle 1300m  
 Showed yellow/hazard !!!

We slowed down significantly

codriver for car 8 was at with  
 triangle showing assertive body language

regarding road hazard to inside  
 of tightening (R) corner. We slowed to a  
 near crawl until safely past the obstacle

Please examine rally safe data and our  
 relative pace on SS2/SS3. We estimate  
 we lost 10-15 seconds. Please adjust  
 SS1 time for car 9. *JALY* 18:30.
