CLARIFICATION

Car # 429 requested a Co-Driver change on 7/7/2022, BEFORE registration closed. To show this, the Clerk of the Course showed that already approved change in BULLETIN #2 published 7/16/2022 (which is AFTER registration closed).

This co-driver change occurred BEFORE registration closed, so it does not need to be approved nor did it need to be published in a bulletin.

Rob Bohn

Clerk of the Course / 2022 Rally Colorado
