## Communication 05

The Clerk of the Course reminds all ERC Competitors who will not continue to Leg 2 (Sunday) after Leg 1 finish that they have to return the car's GPS Tracking System device at the end of Leg 1, when entering the Parc Fermé.

For this, each Competitor must provide a mechanic, who will be accompanied by a Scrutineer, to remove the car's GPS Tracking System device.

A SAS, Status Awareness Systems element will be available to receive the GPS Tracking System devices.
