

**36° Sanremo Rally Storico**  
**8-9-10 April 2021**  
**DECISION No 5 posted at: 17h30**

**From:** the Stewards

**Date:** 10/04/2021

**To:** Competitor n. 44 Pierre Vivier

**Time:** 17:00

The Stewards, having received a report from the Clerk of the Course (document No 3.6) summoned the competitor (summons No 5) have considered the following matter, determine the following:

**Drivers and car No:** 44 Pierre Vivier – Jean Pierre Finidori

**Competitor:** Pierre Vivier

**Time (fact):** 08:06

**Session:** Refuelling Zone 5

**Fact:** Refuelling without the mandatory use of an Environmental Mat.

**Offence:** Breach of Article J8.2.3 of the Bulletin No 3 taking into account Art. 61.2.4 of the FIA European Historic Rally Championship Sporting Regulations.

**Decision:** Fine of 500€ suspended during the year 2021

**Reason:** Having considered the matter extensively, the Stewards determined that the competitor concerned has not followed the instructions of the Clerk of the Course, which is clearly a breach of Art. 12.2.1.i of the FIA International Sporting Code.

The Stewards remind the competitor of the importance, not only of compliance with the regulations, but of commitment and sensitivity to the environment, without which our sport today would not be possible.

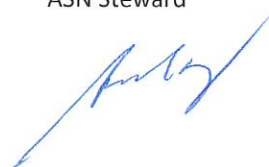

However, the Stewards have considered some mitigating circumstances due to the organisation's problems regarding the refuelling zone. Therefore, the Stewards have decided to apply a suspended penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
