Summer Sno*Drift Competitors,

Another Summer Sno*Drift Rally is upon us!

The Summer Sno*Drift Rally is a one day event starting and finishing in Atlanta, Michigan. The start and finish will be in Briley Township Park located on M-32 just west of the intersection of M-33 and M-32 in downtown Atlanta. Registration, Tech and Service will be, once again, at the Atlanta Area High School.

New this year is a two pass recce on Saturday morning AND a notes class on Friday evening with it's own one pass recce. As always, recce must be done in a regular street vehicle with no rally markings other than the recce sticker, which must be displayed on your windshield during recce. Recce instructions are attached.

The notes class will be held at the pavilion in Briley Township Park from 6 – 7 pm, followed by a one pass recce from 7 – 9 pm then a notes review session back at the pavilion to answer any questions that may have come up. In order to take advantage of this class, let Mary Shiloff mshiloff@comcast.net so she can have a set of starter noters printed for you.

Starter notes, that you don't have to use but might be a good place to start your own notes, are available FREE to all entrants by requesting them from Mary Shiloff mshiloff@comcast.net prior to the event so that she can have a set printed for you. If you don't request a set ahead of time, you will not get a set.

At Check-In you will be provided with bound route books which will include the detailed route instructions. Included in this packet are:

- Event Itinerary
- Competition Itinerary
- Overview, town and service maps
- Stage maps

Please respect the service area load-in times and be prepared when you show up at the entrance gate. As always, rally cars should be off loaded from trailers before your crew enters the service area. As a reminder, the service spots are 20' X 50'. Additional spots are available for \$200 each. If you have other requirements, such as being next to a team mate, you MUST let Jon Wickens, Ralliejon@aol.com , know about this by Monday, July 11.

Thank you for attending our rally, we hope to provide you with an efficiently organized, on-time, fun rally. See you in the Summer Sno!
