

Date: 20 January 2022**Time:** 16:35 hrs**Subject:** STEWARDS DECISION NO. 3**Document No:** 2.4**To:** The Competitor TOYOTA GAZOO RACING WRT NG of car No. 18
Crew Takamoto KATSUTA / Aaron JOHNSTON

The Stewards, having been informed that car No. 18 did not start the first run of the Shakedown stage as scheduled, summoned the above competitor's representative, have considered the following matter and determine the following:

Facts Car No. 18 did not start the Shakedown stage as per the published Start List for Shakedown.

Offence Breach of 2022 FIA WRC Sporting Regulations Art. 36.2.2

Decision No further action

Reason The Stewards heard from Toyota Gazoo Racing's Sporting Director, Mr. Kaj Lindström on Thursday, 20 January at 15:00 hrs.

Mr. Lindström explained that the crew of car No. 18 had contacted him about 8.5 km from the Shakedown service reporting a coolant level low warning light. Coolant could be seen to be leaking from the car.

Mr. Lindström then contacted the FIA Sporting Delegate. The crew were instructed to drive to the Service Park, as safe conduct of the Shakedown was considered impossible according to the Competitor's engineers. The crew did this using the hybrid power unit, as there was no coolant in the engine.

The coolant hose was replaced, and once the coolant was added back to the engine, the crew of car No. 18 only completed two runs of Shakedown due to the limited time window for the stage.

The Stewards decide to take no further action under these circumstances.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
