Subject:	STEWARDS DECISION NO. 1	Document No:	2.2
To:	The Competitor JEAN-LUC MOREL of car No. 86 Crew JEAN-LUC MOREL / MIREILLE TOTI		

The Stewards, having become aware of the failure by the competitor to register for or complete the FIA e-Learning online course for WRC SAS Tracker use within the prescribed deadline outlined in Bulletin No.3, summoned the above crew members, have considered the following matter and determine the following:

Facts The driver and co-driver of car No. 86 did not register for the FIA e-Learning online course for WRC SAS Tracker use

Offence Breach of 2022 FIA International Sporting Code Art. 12.2.1.i

Decision The crew must register and complete the FIA e-Learning online course for WRC SAS Tracker use before TC0 on Thursday, 20 January 2022 to be entitled to start the event

Reason The Stewards heard from the driver and co-driver of car No. 86 Jean-Luc MOREL and Mireille TOTI, at 13.15 hrs on Thursday 20 January 2022. The co-driver stated that they had not received any e-mail giving them the log-in instructions for the FIA e-Learning online course. The contact details supplied for the competitor along with their entry was for the team technician. The technician had not forwarded any of the event e-mails to the crew.
The FIA e-Learning online course for WRC SAS Tracker use, along with the Drivers' Briefing are important, mandatory safety requirements for competing on a WRC event. It is not an acceptable reason for not fulfilling these requirements because a member of the team did not forward the correspondence to the crew.
These courses are there for the safety of all competitors and the management of the special stages on the event.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
