

International Rally of Whangarei Brought to you by Mark Cromie Motor Group

13 - 15 May 2022

Rally New Zealand Club Inc

Competitor Information Number	3
Implementation Date	Immediately
Issue Date	14 May 2022

COMPETITOR INFORMATION

Items:-

Item 1 Rally Safe Use Hazard Warning Status

Reminder to all competitors that if you stop on stage and your RallySafe unit has triggered a hazard warning and you are OK please remember to push OK to confirm this status before pushing Hazard again to act as a warning to following competitors. As always if you require emergency assistance push SOS.

Reason: A number of competitors have not adjusted the warnings from their RallySafe units and Rally Control is unable to understand the status of that competing crew.

Stuart Barnett

Clerk of the Course
