

ERC ORLEN 77th RALLY POLAND

18-20.06.2021

Document No 2.9

DECISION (No 6) posted at: 20:50

From: The Stewards

Date: 19.06.2021

To: Competitor No 35 Marek Nowak
Crew Marek NOWAK/Adam GRZELKA

Time: 20:40

The Stewards, having received a report from CoC (Doc. 3.7) having summoned and heard the Competitor Marek NOWAK co-driver Adam GRZELKA (summons No 5), have considered the following matter, determine the following:

Fact: Not using green or red button after stop in SS 4

Offence: Breach of Art 53.3.3 FIA RSRR and Appendix 7 of Supplementary Regulation

Decision: To levy a fine 250 EUR

The payment of the fine will have to be done on the following address:

<https://fiafines.fia.com>

In accordance with Article 12.7 of the FIA International Sporting Code, fines shall be paid within 48 hours of their notification. Any delay in making payment may entail Suspension during the period a fine remains unpaid.

Reason: During the hearing the Crew said that they pressed the green button, but nothing occurred. The Crew forwarded to Stewards footage from their onboard camera showing their actions following the incident. After reviewing the footage, the Stewards are unable to see in the minutes after the incident any clear action by the crew on the Safety Tracking System. Only after 10 minutes and 40 seconds the Stewards see the driver operating three short presses on the Safety Tracking System. The Crew had the feeling that the system was not working.

When the car was back to Service Park the Safety Tracking System Manager inspected the item and confirmed that it is fully operational.

The Stewards have determined that either the Crew did not operate the system or operated it incorrectly as the buttons must be pressed at least two seconds to send the signal.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
