## **HYGIENE CONDITIONS - INFORMATION**

### **for competing crews of the 48th Rallye Český Krumlov 2021**

On the basis of the order of the Regional Sanitary Station of the South Bohemia Region, the competing crews of the 48th Rallye Český Krumlov, held from 12 to 14 November, have the following obligations to meet the hygiene requirements during the competition:

#### 1. Proof of crew member's infection-free status

- Certificate of completed vaccination or covid-19 disease not older than 180 days - these persons will be marked as infection-free for the entire duration of the event. Competitive crew meeting this point will be allowed to pass the administrative check during the presentation.

or

- a negative covid-19 test submitted at the administrative check-in on Friday, November 12, whereby:

a. in the case of a negative PCR test valid through Sunday, November 14, they will be designated as infection-free for the duration of the event;

b. in the case of a negative antigen test on Friday 12 November, they will be marked as infection-free until Saturday 13 November, provided that they show a further negative antigen test on Sunday 14 November, otherwise they will not be allowed to start Leg 2.

If you pass the PCR test on Wednesday, which will be valid up to and including Saturday, to complete the competition you just need to take the opportunity to test with an antigen test at the sampling point provided by the organiser before entering the closed car park before the start of Stage 2 on Sunday 14 November from 6:30am.

#### 2. Submission of a group list of declarations of infection-free status of other team members.

### **Výstaviště České Budějovice - rules for movement in the area**

1. When entering the exhibition grounds, the movement of people in the outdoor area is expected, therefore, an O-N-T check will not be immediately required. At the same time, it is necessary to observe the spacing and in larger groups of people to wear a respirator according to the currently valid rules of the Ministry of Health.

2. In indoor areas, respirators are required to be worn according to current Department of Health rules.

3. Access to Hall Z will be limited to persons who present proof of completed immunizations, illness no older than 180 days, or a negative test (O-N-T). This rule also applies to technical acceptance!

## **Testing at the venue**

*Participants and the public will be able to take the covid-19 test without prior registration at the NEXTCLINICS sampling station at the entrance gate to the České Budějovice Exhibition area from Husova str.:*

- 1. PCR test - Thursday 11 November 2021 from 8 a.m. to 1 p.m.*
- 2. antigen test - on 11 and 12 November 2021 from 8 a.m. to 4 p.m.*
