The Stewards have been informed by the organization that after TC 2 the Navigation test and the SRT 4 was ,due to storm the night before not passable .

For this reason and for safety it has been decided to convoy the competitors to Pk 434 with an alternative route, after that they can follow the normal itinerary at PK 533.96.

That means the rally was neutralized from TC 2 until TC 4 (the entrance of Bivouac) which become a check point.
