OPENING NOTES

The wind continues to affect the visibility of the tracks in the soft sandy areas. The stage is more dynamic with some sections of dunes crossing sometimes quite demanding.

Take special care around the camps and take extreme precautions when passing next the animals.

BRIEFING NOTES

-First 70 kms mainly in a sandy track quite fast and handling.

-Just one section of dunes crossing around km 44

-Before arriving at PC 1 km 77 track is passing near some camps.

-From PC1 to km 150 again by tracks partially missed because of the wind and some dunes crossing.

-Neutralisation of 20' at CP2 km 172.

-After PC 2 km172 similar sandy terrain but the dunes crossing sections are more difficult specially the last ones before ASS at km 240

ATTENTION – At PC 2 – Refueling point - It is mandatory FOR ALL VEHICLES to **STOP** and they will remain in the zone under Parc Fermé conditions a fixed time of **20 minutes** (Article 45.1.2 and article 56 of 2021 FIA CCR SR).
