The Stewards, having received a report from the FIA Technical Delegate (document No 6.2), having examined the photos included in the report, have considered the following matter, determine the following:

Fact: During pre-event scrutineering of car #301 (Can-Am, Maverick X3), the scrutineers found out that the sticker associated to the FIA technical passport of this car was impossible to be found. The safety cage of the vehicle was checked according to its certificate; no modification has been seen nor an obvious repair.

Offence: Breach of Article 8.3 of the 2021 FIA Cross-Country Rally Sporting Regulation

Decision: To impose a fine of **500 €**

In accordance with Article 12.7 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail Suspension during the period a fine remains unpaid.

Reason: The FIA Technical Delegate will identify the presented vehicles with markings and/or seals that must under no circumstance be removed. In addition, the markings linked to the technical passport must not be removed under any circumstances. The car is fitted with the safety cage N° 2020-002 (homologation FPAK 1912B) and there anything wrong on it. The competitor is unable to explain me why there is no stickers anymore on this safety cage.

The Stewards concluded that the removal of the markings is a breach of the relevant regulation and fine is adequate for this offence.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
