To: The Competitor M-SPORT FORD WORLD RALLY TEAM of car No. 44
 Crew GUS GREENSMITH / CHRIS PATTERSON

The Stewards, having become aware of car No. 44 not starting their first run of the Shakedown stage as per the Shakedown start list, summoned the above crew members as well as a competitor's representative, have considered the following matter and determine the following:

Facts The competitor did not start the Shakedown stage as per the published Shakedown start list.

Offence FIA WRC Sporting Regulation Art. 36.2.2

Decision No further action

Reason The Stewards heard from M-Sport Events Coordinator, Mr. Krzysztof Stolarczyk, who was informed by the crew on the liaison section towards the start of the Shakedown that the car had a fault with the alternator. The car had to be returned to the service park for repair. Mr. Stolarczyk immediately informed the Clerk of the Course, the WRC Promoter and the Stewards that car 44 could not start the stage as per the Shakedown start list.

The Stewards decide to take no further action in these circumstances and thanked Mr. Stolarczyk for his immediate action in keeping the organisers informed of what was happening. Mr. Stolarczyk asked for it to be noted that the Police were very supportive in keeping the car and crew safe while they waited to be recovered from the motorway.

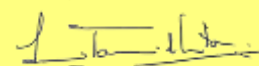

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter IV of the FIA Judicial and Disciplinary Rules.
