## GENERALE DESCRIPTION

- Mix of lands that the competitors will find during the first week of the Dakar 2022
- Sand tracks at the beginning
- Canyon between mountains and dunes
- From km 16 to the ASS fast dunes N1

## COMPLICATED ROAD BOOK BOX

5,23

## POINTS OF ATTENTION

- Public
- Soft sand
- The HP parts are trapping
- Beware of broken dunes
- Km 14,20 BIG ! Big downhill of broken dune not visible

## OPENING NOTES

- Varied stage, some soft off-road passages, sectors with big downhills, stay alert!
- Beware of the headlands, sometimes numerous tracks and more delicate navigation
- The last part is on a winding and undulating sand track
