The Stewards, having received a photo from the Technical Delegate, have considered the following matter, determine the following:

**Fact:** During checks in the neutralisation zone in Selective Section No 11, the crew was found performing some services.

**Offence:** Breach of the articles 45.1.2, 2.23, 2.29 and 58.1 of the 2022 FIA CCRSR.

**Decision:** **1 hour time penalty for Leg 11.**

**Reason:** The competitor representative and the codriver were summoned and they declared that the acceleration pedal was blocked on full throttle before arriving to the neutralisation zone, and the codriver explained they felt it may be unsafe if they didn't fix it immediately, so he starts fixing the issue and were not aware of the regulation at that moment.

The Stewards conclude that the above behaviour constitutes a breach of the regulations which were clear that no intervention on the vehicle is allowed in the Neutralisation, which is considered a zone under Parc Fermè conditions. Additionally, to what have been mentioned in Bulletin n°5 which clarify that inside a Regrouping, no technical repairs or intervention is allowed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
